Honorable Mayor and Members of the City Council

It is my privilege to present to you the City of Monterey Park 2016-2017 Adopted Budget. This year is no exception that the City's adopted budget is developed in the most responsive manner toward achieving the goals and strategic programs following City Council's priorities and policy direction. Our focus clearly remains on how to best offer a myriad of services to our diverse community with limited resources.

The 2016-2017 spending plan funds public safety, community development, transportation, parks and open space, recreation and library, infrastructure investments, and city facility upgrades. We are confident that this fiscal responsible spending plan not only demonstrates our focus on maintaining excellent community services, enhancing organizational efficiency, but funding much needed infrastructure and capital improvements for the benefits of our residents.

Economic Environment

The U.S. economic expansion continues to move along at a steady pace and consumers are being helped by solid, ongoing job growth. Inflation has continued to run below 2 percent, in part because of declines in energy prices. The U.S. economy is in good shape on a global basis and the recent unemployment rate held steady at 5%, an eight-year low. California's economy looks positive. The state's job growth experienced broad-based gains across its key industries. Los Angeles County's unemployment rate fell to 4.7% and its labor force is projected to continue growing past its pre-recession peak.

The City's financial prospects, similar to the nation's are moving forward. With positive economic indicators such as rising housing values, reduced rate of unemployment, increased consumer spending and confidence, Monterey Park is projecting modest growth for the upcoming year in its key revenue categories, specifically construction permits and development plan check. Long term growth rates for General Fund revenues are projected to display better prospects due to several major developments.

The Monterey Park Market Place project will be a regional power center located along the Pomona – 60 Freeway. Permits for the development of the shopping center are ready for issuance from the City. It is anticipated that this new shopping center will be open for business within 18 to 24 months from June 2016. Many of the leases have been executed with well known national and regional tenants such as Home Depot, Costco, In-N-Out, Starbucks, and Chick-fil-A.

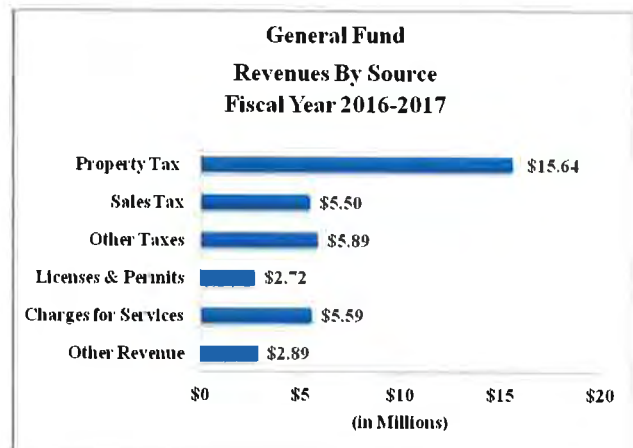

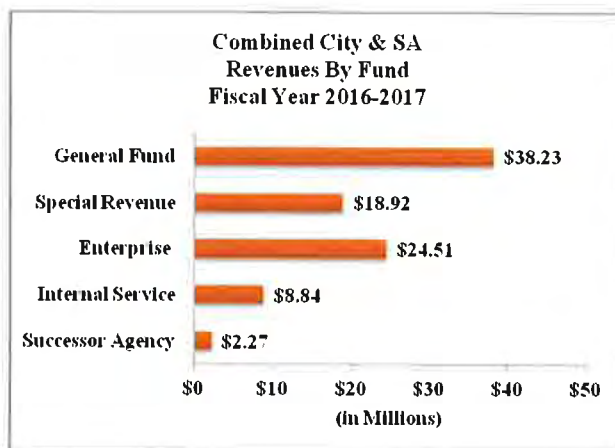

There is also interest by the hotel industry in establishing three new hotels along the north Atlantic area corridor to meet the growing demands of the tourist industry in the greater San Gabriel Valley area. The City has approved entitlement applications for a Courtyard by Marriott, a Double Tree by Hilton, and a boutique hotel along the Atlantic Boulevard corridor totaling 616 new hotel rooms. The Courtyard by Marriot is preparing to break ground shortly and the developer anticipates starting construction in fall of 2016.

There has also been greater interest in the City by national and regional quick serve restaurant businesses. Some of the notable new businesses that have recently opened in the City include Panda (Innovative Kitchen), Pieology, Ono Hawaiian BBQ, Pizza Five85, Okipoki, Honey Boba, Honey Pig, and Pappa Rich Malaysian Delights.

Finally, a master planned community is currently under construction by the Olson Company including 80 new single-family homes. To date, over half of the homes have been sold and Olson anticipates that the project will be sold out by the end of 2016.

The City’s 2016-2017 Adopted Budget

The City is committed to sound fiscal responsibility. Our 2016-2017 Adopted Budget development is based on the City’s long-term goals. These goals serve as the guidelines to identify community priorities and effectively align resources to achieve our mission. The 2016-2017 spending plan is just over \$91.9 million for all funds with the General Fund appropriations totaling \$38.1 million, excluding a \$2.5 million General Fund CIP reserve transfer for the Fire Station 62 project. The adopted budget also includes the Successor Agency (SA) budget of \$2.3 million for enforceable obligations and administrative costs for winding down procedures of the former Monterey Park redevelopment agency. After completing the sales of the last piece of the former redevelopment agency’s property, the City is required to prepare the last and final recognized obligation payment schedule (ROPS) to the State. The graphics shown below illustrate the source of funds in the FY 2016-2017 adopted budget.

General Fund Revenue

General Fund is the main operating fund of the City and it pays for the majority of the police, fire, building, zoning, public works, park maintenance, recreation, and library services. It is our practice to conservatively estimate all revenues included in the budget to avoid over committing to future service expansions. Overall, the City’s recurring revenue estimates for FY 2016-17 increased 3.5 percent over revised FY 2015-16 projections. Property tax, sales tax,

and the utility users' tax continue to be the largest revenue sources, representing 64 percent of the General Fund's recurring revenue. A more detailed discussion of each key revenue assumption for 2016-2017 is summarized in the City's Midyear Report.

(Amounts in 000s)	Approved 2015-16	Est. Actual 2015-16 (*)	Estimated 2016-17
Property Tax	\$14,112	\$14,376	\$14,740
One-Time Residual/Refunds	1,160	1,300 ⁽¹⁾	900
Sales Tax	5,217	5,398	5,500
Utility Tax	3,267	3,222	3,330
Other Taxes	2,492	2,480	2,568
Licenses & Permits	2,421	2,298	2,718
Service Charges	4,908	5,311	5,591
Other Revenue	2,554	2,700	2,884
Total	\$36,131	\$37,085	\$38,231

⁽¹⁾ Estimated Actual reflects the receipt of one-time residual distributions from the sales of the 540 W Garvey lot for \$270,000.

Property Tax The property tax is an annual levy and is based on the value of land and structures. The rate is one dollar (\$1) on each one hundred dollars (\$100) of assessed valuation. Under Proposition 13, assessed value increases are limited to inflation adjustment not to exceed 2% per year. In 2016, Southern California's median housing price jumped up to \$449,000, a 5.6 percent increase across the SoCal area due to continued low interest rates and a meager supply of homes.

Monterey Park's total gross assessed value for 2016 is \$6.7 billion, up 4.3% for \$279 million from last year. The main driver of the increase was from residential properties. The City's property tax revenue for 2016-2017 is projected for a 2.5 percent increase and the one-time residual distribution is about \$900,000.

Sales Tax The sales tax is imposed on the retail sale of goods. The City's top 25 producers collectively generate near 50% of the City's total sales tax. Any changes in these businesses could have a major impact to the City's budget. The City will receive its full share of sales tax revenues since the eleven-year State Triple Flip program ended. The projected sales tax revenue for 2016-2017 assumes a 4 percent increase over the 2015-16 adopted amount as the strong sales from the automotive sector and restaurants continue.

Note: Graph data excludes one-time additional payments & extraordinary residual distributions.

Utility Tax The City's utility tax rates are 3% for residential and 5.5% for commercial users. The tax is applied to the consumption of electric, gas, and telephone services.

Edison started giving the electric climate credit to individuals and businesses each April and October. This results decreased utility tax revenue from electric services. The overall UUT revenue is projected to continue remaining flat for 2016-2017.

Other Taxes This category consists of property transfer tax, franchise tax, and transient occupancy tax. The property transfer tax is the real estate transfer tax at a rate of \$1.10 per \$1,000 of value transferred. Cities and county share the tax equally. Franchise tax is imposed by the City on gas, electric, refuse companies, and cable television for the privilege of using City streets. Transient occupancy tax is imposed on the rent of hotels and motels in the City. The current hotel tax rate is 12% and the TOT revenue is estimated to be a 6 percent increase due to a positive local tourism business. Revenues in Other Taxes are projected to be \$2.6 million for 2016-2017.

Licenses and Permits Business licenses are expected to receive \$1.1 million and construction permits are estimated at \$1.6 million, up by 29 percent, due to several development projects. The total revenue for this category is projected to be \$2.7 million for 2016-2017.

Charge for Services This category includes charges for fee-supported City services, including police and fire services, library services, plan checking, engineering services, zoning review, and recreational classes. The City expects higher plan check revenues from development projects. Total combined revenue for fees and charges is expected to be approximately \$5.6 million for fiscal year 2016-2017.

Other Revenues This category includes investment earnings, rents, fines, and miscellaneous revenue accounts. The City's overall investment return continues to improve due to higher earnings from both the Los Angeles County Pooled Investment Fund and the certificate of deposits. However, due to absorbance of customer credit card processing fees, the City's higher investment earnings are further offset by credit card processing fees. Total other revenues are projected to be approximately \$2.9 million.

General Fund Estimated Expenditures

Below is a summary of the General Fund expenditures and transfers. For FY 2016-2017, the accumulated Fund Balances will be used in a number of funds, not just from the General Fund. The General Fund Capital Improvement Reserve will be drawn for \$2.5 million in FY 2016-2017 to start the construction of Fire Station 62 Phase 1, with the remaining balance to be paid out of the 2017-2018 CIP Reserve.

<i>(Amounts in 000s)</i>	Amended 2015-16	Est. Actual 2015-16	Proposed 2016-17
<i>Police</i>	\$13,467	\$13,400	\$13,501
<i>Fire</i>	9,142	9,142	9,085
<i>Public Works</i>	2,556	2,500	2,881

<i>General Administration</i>	2,123	2,100	2,666
<i>Post Employment/General Liabilities</i>	3,262	3,262	3,393
<i>Capital Improvements</i>	525 ⁽¹⁾	525	3,354 ⁽²⁾
Total	\$36,405	\$36,244	\$40,560

- (1) Includes approved budget amendments of \$385,000 for Cascades, El Nino Preparedness, and Garvey Reservoir projects and labor costs for non-safety units. Amounts exclude transfers, \$1,833,520 from the economic development reserve and \$1,035,000 from the capital improvement reserve.
- (2) Includes \$2.5 million from GF CIP Reserve for the start of construction of Fire Station 62 Replacement.

General Fund Balances

The City has a policy to establish and maintain fund balance classifications. Fund Balances are often used to bridge economic cycles or weather emergency times so that community services can continue to be provided uninterrupted. For the past two years, the City used approximately 6 million of the General Fund Capital Improvement reserves for the parks' improvements, ADA compliance, various City facility renovations, and safety equipment. In the meantime, the City prudently used unanticipated revenue surpluses or the one-time revenues to replenish reserves, thus maintaining the reserve at the required level.

Total General Fund reserve for 2016-2017 is projected to be \$14.4 million, reflecting \$10.2 million as Assigned and Committed for specific purposes, \$742,000 for unspendable due to General Fund advances for the purchase of Fire Station Isabella property and various park improvements, and \$3.6 million as Unassigned. The unassigned portion can be used for any purpose.

Restricted Funds Proposed Budget

Other City funds are classified as restricted funds. The restricted funds include Special Revenue Funds, Internal Service Funds, Enterprise Funds, and Successor Agency Funds. The funds are kept separately for specific expenditures authorized by laws or City policies. The 2016-2017 budget expenditures for the restricted funds are \$51.3 million and total projected revenues and transfers are \$54.6 million.

In May 2016, the City Council adopted Ordinance No. 2134, which established a revised set of development impact fees to help offset the impacts created by new development on City facilities and infrastructure. The primary objective of a development impact fee program is to ensure that new development pays a fair share portion of capital facility and equipment costs associated with growth. The revised development impact fees will take effect in August 2016 and staff will adjust the projected revenue at midyear. Below is a discussion of adopted budget for the major restricted funds.

Retirement Fund Funding of the City's pension programs comes from a special property tax approved by the voters in 1946 and 1952. The City's retirement tax rate has remained at \$0.091175 per \$100 of the assessed valuation since 1983. This is also the maximum tax rate under AB13. There is always a projected underfunding of pension costs, which demands a gap-funding transfer from the General Fund. For 2016-2017, the projected appropriations are \$8.9 million. The gap of \$2.2 million comes from the General Fund supplement and the remaining Retirement Fund reserves.

Asset Forfeiture Fund Federal and State laws allow law enforcement agencies to retain assets seized in the drug-related arrests. These funds can only be used to augment investigation and enforcement activities. Distributions through the justice system are irregular. For 2016-2017, the estimated revenue is \$281,500 and budgeted expenditures total \$359,866, with the balance coming from the Asset Forfeiture Fund reserves.

Maintenance District Fund The City formed a Maintenance District in 1993 to finance the maintenance and operation of streetlights, street trees, and medians in accordance with the Landscaping and Lighting Act of 1972. Each year, the City brings forth to Council the same assessments to be levied on properties for the following fiscal year required to cover the operation and maintenance costs of the District and rates have never been adjusted since 1996. The City continues using General Fund to supplement significant shortfalls due to increased operating costs. The projected revenue for 2016-2017 is \$983,000. This revenue combines with a General Fund assistance payment of \$640,000 to fund the total district expenditure of \$1.6 million.

Library Tax Measure C Fund In 1998 Monterey Park voters approved a special library tax to finance the costs for the library expansion, additional hours, and book acquisitions. Majority of the library tax revenue (80%) is earmarked for debt service payment for the library expansion construction financing. The 2016-2017 library tax fund budget is \$506,300 for revenue and \$540,000 for appropriations, with the balance coming from the Library Tax Fund reserves. It is important to note that the library tax levy will end in April 2018.

Grants Fund Revenue shared with local governments by the state or federal government has declined in years. The projected grants for 2016-2017 are \$2.3 million, which includes \$177,000 library grants for various library programs; \$771,000 Community Development Block and Home HUD grants; \$90,000 park grants for the maintenance of parks and recreation facilities, \$317,000 public safety grants for police and fire training and equipment; \$770,000 transportation/engineering grants; and \$189,000 various trust special grants.

Refuse Enterprise Fund The refuse service includes trash collection, waste management,

and recycling. The rates have been adjusted to cover a corresponding increase in the refuse collection contract service and other operation expenses. The projected budget for 2016-2017 is \$7.5 million for revenue and \$7.2 million for expenses.

Sewer Enterprise Fund The sewer rate is charged based on a customer and meter sized fixed rate. The projected budget for 2016-2017 is \$2.6 million for revenue and \$1.4 million for expenses. The Sewer Master Plan provided the City with a comprehensive assessment of \$12.8 million to address 35% of the City's sewer system.

Water Enterprise Funds The City's water system serves approximately 95% of Monterey Park residents with 12,300 active water meter accounts. The system has 12 wells, 13 reservoirs, 5 treatment plants, 11 pumping stations, and 134 miles of water mains. The projected water revenue for 2016-2017 is \$14.5 million, and proposed expenses are \$13.8 million. The water revenue is to cover the costs for the production, distribution, commercial, treatment, and capital improvements. Since the City's Water Utility produces all its water supply from an adjudicated basin, the Main San Gabriel Basin, and the City's annual production exceeds its production rights, the City must replace the amount of water it over-pumps. This assessment charge will be increased by 14% to \$208 per acre-foot in 2016-2017 and the projected assessment expense of \$1.13 million is included in the water budget.

The water crisis forces positive change for water conservation and residents are aware of the mandatory water-use restrictions. Despite the City's proactive efforts in dealing with its water issues, droughts inevitably reveal the weaknesses in a water system. Because of water conservation, the water revenue generated from rate increases are partially offset by lower consumptions. Each enterprise fund (*water, sewer, and refuse*) must ensure that its fee structure is maintained at a level sufficient to meet operating, debt service, and capital improvement costs. Should the drought persist, as we think it will, and conservation efforts cut much higher water use, staff will report the water funding status to the City Council at midyear.

During the past two years, the City made great strides in upgrading its water system to stem water loss and promote conservation, as well as installing citywide smart meters to spot any leaking issue and to track accurate water usage data. The City is currently replacing undersized and old water mains. This replacement project totals \$5 million and is anticipated to be done by fall of 2016.

Internal Service Funds The purpose of Internal Service (IS) funds is to centralize the services such as general liability claims, workers' compensation insurance, motor pool operations and replacement, technology development, employee separation benefits, and post-employment medical benefits. These funds are a cost allocation toll and financed through charges to departments. The 2016-2017 IS fund charges are: workers' compensation \$1.6 million, separation benefits \$1.3 million, technology \$176,000, general liability \$1.6 million, motor pool operating \$1.9 million, and other post-employment benefits \$950,000. There includes a one-time transfer from the separation benefits fund, \$500,000 to the general liability fund and \$800,000 to the workers' compensation fund to strengthen each fund's net position.

Compensation and Staffing Level

As with most public agencies, personnel costs are the City's single largest operating expenditure. Staff affects the budget more than we often assume. The City continues evaluating its organizational structure for the most efficient core staffing mix and implementing best practices in succession planning for a post-boomer workforce to ensure effective government into the future.

For 2016-2017, the City has contracts for miscellaneous, mid-management, and confidential units and is currently negotiating with five safety units, whose contracts expire on June 30, 2016. The adopted budget includes the mandate State minimum wage increases to ten and a half (\$10.50) dollars per hour in January 2017 for part-time personnel, as well as salary adjustments for non-safety units per MOUs. However, the budget doesn't reflect any MOU adjustment for five safety units pending final negotiations. Total staffing for 2016-2017 is 358.65 Full Time Equivalent (FTE) positions, up 6.65 FTEs from 2015-2016. The table below summaries positions and funding changes to meet the City's service levels.

Debt Service and Outstanding Loans

Ongoing update and replacement of City's infrastructure and capital assets is important to ensure quality service delivery. However, the cost for improvement is capital intensive. Often times it would not be feasible for the City to bank funds until sufficient amount can be accumulated. To fund improvement needs in a timely manner, the City has secured loans to finance various major improvements. Table below is a summary of the debt service payments and loan maturity years for 2016-2017.

Pension Funding

The City's retirement program is provided through the California Public Employees' Retirement System (CalPERS). Funding of the City's retirement costs comes from a special property tax levy that was approved by the voters in the 1950s. The current tax rate is 0.091175 per \$100 of property valuation which is also the maximum rate permitted by law. The City's retirement revenues can only increase as the property value increases.

The City has three retirement plans, which are CalPERS safety plan, CalPERS miscellaneous plan, and Massachusetts Mutual plan (MMRP). The Mass Mutual plan was established for all miscellaneous employees who were employed prior to April 1, 1976. The Public Employees' Pension Reform Act (PEPRA) required major changes for new system members, including lower-cost pension formulas, employee cost sharing provisions, and increased retirement age requirements. Because retirement benefits for current system members are not affected by the rollback, there is no significant short-term cost savings from these changes.

The costs for pension benefits will be continuing to increase. Specifically, the impact of all of the recent CalPERS adopted changes in assumptions, new methods, and demographic assumptions will cause the City's rates to rise over the next five years. In addition, potential lower CalPERS investment returns may have significant exposure to unfunded liabilities.

For 2016-2017, the City is projected to spend \$8.9 million from the Retirement Fund for pension costs. The passage of Senate Bill 107, which allows the City's voter-approved pension override tax revenues to be entirely allocated to the City, is beneficial to the City's pension funding. The table below shows projected City contribution rates for the next five fiscal years, assuming CalPERS earns 7.50 percent every fiscal year.

City Contribution Rates						
Plan	Required 2016-17	Projected 2017-18	Projected 2018-19	Projected 2019-20	Projected 2020-21	Projected 2021-22
Safety	34.545%	37.7%	40.8%	44.0%	44.8%	45.7%
Miscellaneous	26.764%	28.7%	30.6%	32.6%	33.0%	33.6%

The continued General Fund supplement to the Retirement Fund is required and \$2.1 million is for 2016-2017. All of the City's non-safety employees and safety employees

contribute their 100 percent of the employee contribution costs. Absent employee contributions, the retirement costs would be significantly much higher. The City's projected unfunded accrued liabilities are \$31.7 million and \$40.4 million for the Safety Plan and the Miscellaneous Plan, respectively.

Retirement Costs
(in Millions)

The CalPERS' contribution rate is established as a percentage of payrolls. The City implemented the Annual Lump Sum Prepayment option of pre-paying the expected annual employer contributions in a lump sum amount in the beginning of the fiscal year. The savings generated from the Lump Sum Prepayment is used to further pay down the City's unfunded liability. This one-time contribution to CalPERS saves the City the 7.5 percent interest that it is paying on that liability, thus reducing the City's unfunded liability. The City will continue this strategic option to reduce its unfunded liability and to further position the City to stay ahead of the liability curve.

Other Post-Employment Benefits (OPEB) Funding

Post-employment medical benefits are important because they are a form of promised deferred compensation and represent a significant and often growing element of employee-related costs. The City has a formal trust account with CalPERS CERBT Program to systematically accumulate resources to fund the unfunded accrued liabilities. Through this advance funding method, the City is to ensure its sustainable promises over time and to systematically reduce the unfunded accrued liabilities, thus achieving the City's goal in addressing the retiree medical liabilities.

An actuarial valuation report dated June 30, 2015, determined that the unfunded liability was approximately \$32.1 million based on a 25-year amortization. By 2018, the City will be required to comply with GASB requirements in reporting the OPEB unfunded liability on its financial statements. To date, the City is one of the 462 California government agencies took steps to proactively handle this unfunded liability issue. A \$950,000 contribution is included in the adopted budget to fund the OPEB unfunded liability for 2016-2017.

Infrastructure and Capital Improvements

The City spends millions of dollars per year for scheduled and preventive maintenance of facilities, landscapes, and care of infrastructure. Continued investment in the City's infrastructure and capital improvements is the key to a long-term economic success and better quality of life for our community. In 2015-2016, the City has completed CNG fueling compressor system, slurry seal and street resurfacing, sidewalk and handicapped access ramps, water meter replacements, city hall facility lighting retrofits, and IT contingency plan. Other major projects including sewer relining, traffic signal at North Atlantic, storm

drain repairs, bike lane construction, Langley/ELAC/Cesar Chavez sidewalks, and water main improvements are at the construction in progress phase.

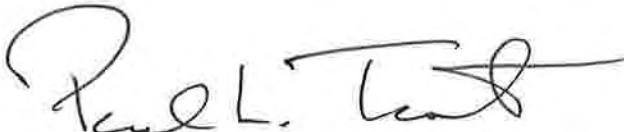

For 2016-2017, the centerpiece of the City's CIP improvements includes Fire Station 62 replacement, Police locker rooms remodeling, and street rehabilitations. A total of \$5.8 million is included in the adopted budget for our infrastructure and capital investments. Projects in FY 2016-2017 are reflective of the programs identified in the City's Pavement Management, Water, Sewer, and Parks master plans. All project information is in the Capital Improvement Program of the document. The City's technology infrastructure modernization continues, including Police CAD/RMS software server upgrades, Police record management solution, water pilot mobile workforce system, network/server upgrades, and a new finance system. In addition, the City's Delta Plant Centralized Groundwater Treatment System will receive \$4.13 million from the Proposition 84 grant funding. Total project is for \$8.3 million, of which 50% will be funded by the City's Treatment funds. This project will be added to the budget as soon as the City receives the final award document.

In Closing

As citizens and staff celebrate Monterey Park's centennial anniversary, our goals are clear: to ensure fiscal viability into the future while striving to maintain a clean and well maintained environment; the continuance of a safe community; the promotion of economic prosperity and a livable community; and advancement of effective government.

Looking towards Fiscal Year 2016-2017, the City of Monterey Park will continue to achieve efficiencies in the provision of services while maintaining high standards of service delivery. We thank the City Council for your leadership and the citizens for their support in directing the financial affairs of our City in a most responsible and progressive manner. We also extend our appreciation to all City departments and specifically to Finance staff for their hard work in completing this 2016-2017 adopted budget.

RESOLUTION NO. 11843

A RESOLUTION ADOPTING THE FISCAL YEAR 2016-2017 FINAL OPERATING BUDGET FOR THE CITY OF MONTEREY PARK AND THE SUCCESSOR AGENCY TO THE MONTEREY PARK REDEVELOPMENT AGENCY; AND ADOPTING THE 2016-2017 CAPITAL IMPROVEMENT BUDGET.

The City Council for the City of Monterey Park and the City Council acting on behalf of the Successor Agency (collectively referred to, for convenience, as the "City") does resolve as follows:

SECTION 1: FINDINGS. The City Council finds and declares as follows:

- A. The City Council reviewed the proposed final Operating Budget ("Budget") for the City and Capital Improvement Plan ("CIP") for fiscal years 2016-2017;
- B. The Budget and CIP are based upon appropriate estimates and financial planning for the City's operations, services, and capital improvements;
- C. The City Council conducted public study sessions on May 26, May 31, and June 6, 2016;
- D. The City Council is fully informed regarding the City's current finances, projected revenue, and financial obligations; and
- E. It is in the public interest for the City Council to adopt the Budget and CIP as proposed by the City Manager.

SECTION 2: ADOPTION. The Budget and the Capital Improvement Projects as incorporated by reference to this Resolution are approved and adopted subject only to the authorizations set forth below. Such approval and adoption includes, without limitation, the Position Control Listing of Authorized Positions, Classification and Compensation Plans set forth in the Budget which recognizes new classifications and removes unused classifications.

SECTION 3: APPROPRIATIONS LIMIT.

- A. Article XIII B of the California Constitution requires the City to set its Appropriations Limit on an annual basis;
- B. The City's Appropriations Limit may be adjusted annually based upon inflation and population growth.
- C. The City Council may choose the method of calculating adjustments to the City's Appropriations Limit on an annual basis. For inflation, pursuant to Article XIII B, § 8(e)(2), adjustments to the Appropriations Limit may be calculated using either the percentage change in per capita personal income from the preceding year or the percentage change in the local assessment roll from the preceding year

because of local nonresidential new construction. For population growth, pursuant to Government Code § 7901(b), the City may either use the percentage growth either in its jurisdiction or from the surrounding county.

- D. Pursuant to Article XIII B of the California Constitution, and those Government Code sections adopted pursuant to Article XIII B, § 8(f), the City Council chooses to adjust the City's Appropriations Limit by calculating inflation using the California per capita personal income growth and calculating population growth by using the percentage change in population in Los Angeles County.
- E. As a result of the adjustments made to the City's Appropriations Limit, the City Council sets the Appropriations Limit for fiscal year 2016-2017 at \$80,803,118.

SECTION 4: BUDGET APPROPRIATIONS. Based upon the Budget, the total General Fund operating budget, including transfers, is \$40.6 million. The Overall City Budget is \$91.6 million including Capital Improvement Projects. The City Manager, or designee, is authorized to implement the following appropriations for City Departments:

Department	All Funds	General Fund	Other

Grand Total	\$91,858,482	\$40,560,334	\$51,298,148

SECTION 6: REAPPROPRIATION. The City Manager, or designee, is authorized to reappropriate any unused appropriations for capital projects, special projects, and grant programs at the close of Fiscal Year 2016-2017 for the Budget and CIP.

SECTION 7: FUND OPERATING RESERVES. The City Manager, or designee, may appropriate any remaining revenues at the close of Fiscal Year 2016-2017 into the applicable Fund operating reserve per Governmental Accounting Standards Board (GASB) Statement No. 54.

SECTION 8: BUDGET ADJUSTMENTS. The Budget may be subsequently adjusted as follows:

- A. By majority vote of the City Council;
- B. By the City Manager, or designee, for all appropriation transfers between programs and sections within a City department and between appropriation units (e.g., salaries and benefits, services and supplies, and capital outlay) within programs;
- C. Objects code expenditures within appropriation units in a program are not restricted so long as funding is available in the appropriation unit as a whole.

SECTION 9: CONTRACTING AUTHORITY.

- A. Pursuant to Monterey Park Municipal Code (“MPMC”) Chapter 3.20, the City Manager, or designee, is authorized to bid and award contracts for the equipment, supplies, and services approved in the Budget.

- B. Pursuant to MPMC § 3.90.050(c), the City Manager or designee, is authorized to execute all contracts awarded for equipment, supplies, and services approved in the Budget.
- C. For all other services, equipment, and supplies, the City Manager or designee, is authorized to execute contracts in accordance with the MPMC.

SECTION 10: The City Clerk is directed to certify the adoption of this Resolution; record this Resolution in the book of the City's original resolutions; and make a minute of the adoption of the Resolution in the City Council's records and the minutes of this meeting.

SECTION 11: This Resolution will become effective immediately upon adoption and will remain effective unless repealed or superseded.

PASSED, APPROVED and ADOPTED this 15th day of June, 2016.

ABOUT THE CITY OF MONTEREY PARK

Monterey Park Government

Monterey Park was incorporated in 1916 as a general law city. The City operates under the council/manager form of government. The City Council, which consists of five members, is elected at large and each serves a term of four years. The City Council appoints the City Manager, who has the responsibilities of overseeing all City services and operations. The Citizens also elect the City Clerk and the City Treasurer.

City History

The City of Monterey Park is located at the western gateway to the San Gabriel Valley, in Los Angeles County, California, just a few miles east of downtown Los Angeles. It is a vibrant and culturally mixed community of medium size population. Its municipal boundaries encompass 7.73 square miles.

The area in which the City is now located was originally inhabited by the Shoshone Indians, later renamed Gabrielino Indians by the Spaniards. Following Spanish settlement of the region during the early 1800's, the area was part of the Mission San Gabriel de Arcangel.

Some years later, Richard Garvey, a mail rider for the U.S. Army, settled in Kings Hills and began developing the nearby land. To pay for the development (and personal debts), Garvey sold off portions of his property. In 1906, the first subdivision in the area, Ramona Acres, was formed.

In 1916, residents of the area initiated action to incorporate as a California city when the neighboring communities of Pasadena, South Pasadena, and Alhambra proposed the construction of a large square treatment facility in the area.

Monterey Park voted itself into cityhood on May 29, 1916, by a 455 to 33 margin. The City's first Board of Directors immediately outlawed sewage plants within City boundaries. Then they gave their new city a name taken from old government maps that described the oak-covered inclines that made up the area as Monterey Hills.

Today, the City of Monterey Park is a General Law city operating under the Council-Manager form of municipal government. The City of Monterey Park is a full-service municipal government, offering its residents police and fire and emergency medical protection, water, sewer and refuse collections, public infrastructure improvements and culture and leisure programming.

City's Economic Condition and Priority Development

Monterey Park covers an area of 7.73 square miles with a population of approximately 61,346. The City is located six miles east of Los Angeles and is primarily a residential community, with 78% of its land zoned for single and multiple family housing uses. Major businesses include food and drug, auto sales and service, banking, restaurants, hospitals and medical offices, printing and light manufacturing.

Housing development in the City includes mixed-use projects, residential critical maintenance, rental rehabilitation, and first time homebuyer programs. City's own Housing Fund, Community Development Block Grant, and Home Fund monies primarily finance these activities. In most cases, public/private partnerships are formed.

The City's commercial development includes redevelopment of commercial properties and business support. Major commercial development projects in planning are: Market Place, Towne Centre, and three hotel sites.

Local and Regional Transportation

- Transportation Services and Information

Public transportation services that are available to the community of Monterey Park include a local fixed-route circulator - the Spirit Bus - and regional bus service that is provided by two operators - Los Angeles County Metro Bus and Montebello Bus Lines. Also available to the community are Metrolink commuter trains, local Dial-A-Ride service for seniors and disabled persons, and regional paratransit service for disabled persons that is provided by Access Services, Inc.

- Spirit Bus

The Spirit Bus Service links residential neighborhoods to schools and the commercial and retail areas. The service includes 5 routes that run every 30 to 40 minutes and operates 6 days a week, Monday through Saturday.

- Regional Transportation Services

The Metro Bus operates 6 lines in the City: 30/31 (Pico/First Street), 68 (West LA, Montebello Town Center), 70 (LA/El Monte), 170 (Cal State LA, South El Monte Station), 258 (Arizona Ave., Fremont Ave., Alhambra), and 260 (Pasadena, Artesia Blue Line Station).

- Commuter Train Service

Commuter Train Service is provided by Metrolink. The nearest station is located less than half a mile from the city boundary, off of Campus Drive at the California State University, Los Angeles (CSULA), adjacent to the Busway Station.

- Paratransit Service - Dial A Ride and Access Services

Paratransit service, door-to-door service, is available to senior citizens and disabled persons. Through the Langley Senior Citizen Center, the City operates a local paratransit service (within the City jurisdiction) for residents who are 55 years or older and/or disabled.

Annual Community Events

Each year Monterey Park delivers a variety of recreational and leisure time activities to promote the well-being and enjoyment of life for its residents, as well as to light the way for more understanding among residents of its community's multitude of rich cultures.

Centennial 100th Anniversary Celebration – May 29, 2016 marks Monterey Park's 100th birthday and we are pulling out all the stops for a year-long celebration filled with fun historic events and activities

Play Days – The event is to celebrate the annual birthday of the City of Monterey Park. The event is on the 3rd weekend of May, featuring a home town parade and four days of carnival rides, game booths, food, and entertainment.

Cherry Blossom Festival – It is a celebration of the sights, sounds, and tastes of Japanese culture. The two-day event in April features Taiko drumming, martial arts, contemporary Japanese music, crafts, games, and displays.

Cinco de Mayo – This Fiesta offers an unforgettable afternoon of Mexican Culture, featuring Mariachi music, Mexican folkloric, and authentic Mexican food.

4th of July – A wide variety of food, spectacular entertainment, fireworks, games food, and music are all on tap for Monterey Park's celebration of Independence Day.

Monterey Park Beautification Days – Being held throughout the year, these events rely on community volunteers to come out to city parks and districts to improve the facility by planting flowers, cleaning up trash, and painting water fountains, trash cans, benches, tables, etc.

Geranium Festival – This ‘country faire’ style event takes place in the fall and includes entertainment, interactive booths, games and contests, a Miss Monterey Park contest and a Lil’ Miss Monterey Park contest and fun for the entire family.

Farmers’ Market – Every Friday night the Monterey Park Farmers Market features the freshest fruits and vegetables, delicious bread, and a number of hot food items, plus entertainment and surprises - a great way to start the weekend.

Holiday Snow Village – Held in early December, this event features a snow play area, a snow sled ride, music, food, and activities to kickoff the holiday season.

Lunar New Year Festival – Each year the Business Advisory Committee hosts a Chinese New Year celebration by holding street festival along Garvey Avenue. Entertainment, vendors and community organizations are brought together for this two-day event that has attracted over 200,000 people to Monterey Park.

Notes:

Explanation of Changes in Fund Balance Greater Than 10%

- (1) A \$2.5 million GF CIP reserve is drawn for the Fire Station #62 construction.
- (2) Gas Tax revenues dropped due to lesser fuel consumptions.
- (3) More Park Facilities revenues are projected from hotels and other developments.
- (4) More projected budget for 2016-17.
- (5) Funding is for more marketing and maintenance for the BID area.
- (6) Lesser budget for 2016-17.
- (7) Funds are used for CIP projects for 2016-17.
- (8) Using funds for PT staff wages to cover library Saturday and Sunday operations.
- (9) Higher contributions into General Liability Internal Service Fund are budgeted for 2016-17.
- (10) All grant funds will be spent according to regulations.
- (11) Lower infrastructure improvements and operation costs are budgeted.
- (12) \$1.3 millions is authorized to be transferred from Separation Benefits to Worker's Compensation and General Liability.
- (13) More vehicles & CIP improvements are for 2016-17.
- (14) Increase is due to SB107 which the City receives the entirety of the pension override.

- ❖ Focus on Redevelopment*
- ❖ Improve and develop the City's infrastructure*
- ❖ Improve services through the effective use of technology*
- ❖ Practice sound fiscal management*
- ❖ Live within our means while investing in the future*
- ❖ Invest in the City's employees through development and recognition*

**CITY OF MONTEREY PARK
MANAGEMENT AND BUDGET POLICIES
FISCAL YEAR 2016-2017**

Management and Budget Policies are developed and maintained to set forth the framework for not only the development of the budget for the upcoming year, but the ongoing operations and future needs of the citizens of Monterey Park. The following policies are the foundation that supports the services that our citizens expect and deserve.

1. *Legal Requirements Regarding Annual Budget*
2. *Budgetary/Accounting Basis*
3. *Description of Reporting Entities*
4. *Budgetary Fund Structure*
5. *General Management and Budget Policies*
6. *Revenue Policy*
7. *Fund Balance Policy for Governmental Funds*
8. *Other Postemployment Benefits (OPEB) Sustainability Policy*
9. *Capital Improvement Program Policy*
10. *Investment Policy*
11. *Debt Administration and Policies*
12. *Grant Administration Policy*
13. *Cost Accounting Application*
14. *Article XIII B Appropriations Limit*
15. *Source of Funds By Departments*

**CITY OF MONTEREY PARK
MANAGEMENT AND BUDGET POLICIES
FISCAL YEAR 2016-2017**

1. LEGAL REQUIREMENTS REGARDING ANNUAL BUDGET

Monterey Park Municipal Code Section 2.08.070, Subsection 8, establishes the City Manager's responsibility to prepare and submit to the City Council the annual budget for the operations of the City of Monterey Park during each fiscal year.

The annual budget adopted by the City Council serves as a guideline for operations of the City. From the effective date of the budget, the date of formal adoption by the City Council, expenditure amounts as proposed are appropriated to departments and offices for the respective expenditure objects and purposes named or described.

Budgeted expenditures are controlled at the fund and department level. The City Manager is authorized to transfer appropriations between the accounts of any department within individual funds. Council approval is required only for transfers between funds, or for an increase in total appropriations.

2. BUDGETARY/ACCOUNTING BASIS

The annual budget adopted by the City Council serves as a guideline for operations of the City. It includes proposed expenditures and estimated revenues and is legally adopted for all General, Special Revenue, and Proprietary Fund Types.

Budgets for the General, and Special Revenue Fund Types are adopted on a basis consistent with generally accepted accounting principles. The modified-accrual basis of accounting is employed in the preparation of the budget for these fund types.

Budgets for proprietary funds are adopted on the "funds available" basis. Major differences for the GAAP basis of accounting include: Capital outlay is budgeted as expenditure in the year purchased; Accrued compensated absences are not considered expenditures until paid; Purchases of inventories are considered expenditures when purchased; Depreciation is not budgeted.

The budget is formally integrated into the accounting system and employed as a management control device during the year for all funds. At fiscal year-end, unexpended and unencumbered budget appropriations lapse. Encumbrances outstanding at year-end are carried into the following year for continuing appropriation.

3. DESCRIPTION OF REPORTING ENTITIES

Monterey Park's Municipal Services Program includes presentation of the annual budgets and operational activities of three distinct reporting entities: the City of Monterey Park, the Monterey Park Public Financing Authority, and the Monterey Park Housing Authority.

**CITY OF MONTEREY PARK
MANAGEMENT AND BUDGET POLICIES
FISCAL YEAR 2016-2017**

The City of Monterey Park

The City of Monterey Park was incorporated on May 29, 1916, under the general laws of the State of California and enjoys all rights and privileges pertaining to general law cities.

The Monterey Park Public Financing Authority

The Monterey Park Public Financing Authority was established in May of 1989 under a joint exercise of power agreement to provide for the financing of public capital improvements for the City and Agency through the acquisition of obligations pursuant to debt purchase agreements.

The Monterey Park Housing Authority

The Monterey Park Housing Authority was established in September 1992 to provide affordable housing within the City. The members of the City Council act as the governing board of the Monterey Park Housing Authority.

4. BUDGETARY FUND STRUCTURE

□ **Governmental Fund Types**

- General Fund – the general operating fund of the City. (Major Fund)
- Special Revenue Funds – are utilized to account for revenues derived from specific sources, which are usually required, by law or administrative regulations to be accounted for in a separate fund. Special Revenue Funds include Retirement, Gas Taxes, Park Facilities, Proposition A, Proposition C, Measure R, Asset Forfeiture, Business Improvement District #1, Air Quality, Maintenance District 1972 Act, Public Safety Impact, Public Safety Augmentation, Library Tax, CERCLA Liability, Housing, and Grants Funds.
- Major Funds include General Fund, Grants Fund, Retirement Fund, and Housing Fund.

□ **Proprietary Fund Types**

- Water Operation Fund – is used to account for water operations that are financed and operated in a manner similar to private business enterprises.
- Water Treatment Fund – is used to account for water treatment activities that are financed and operated in a manner similar to private business enterprises.
- Refuse Fund – is used to account for receipts and expenditures relating to waste management activities including refuse collection, disposal, and recycling.

**CITY OF MONTEREY PARK
MANAGEMENT AND BUDGET POLICIES
FISCAL YEAR 2016-2017**

- Sewer Fund – is used to account for construction and improvement to deficient sanitary sewer mains identified in the Sewer Master Plan, as established pursuant to Monterey Park Municipal Code Section 14.06.060.
- Internal Service Funds – are used to account for the financing of services provided by one department to the other departments of the City on a cost-reimbursement basis. Internal Service Funds include Auto Shop, Separation Benefits, Workers' Compensation, Technology/Communications, General Liability, and Other Post-Employment Benefits (OPEB) Funds.

All funds indicated in the above are included in the audited financial statements.

5. GENERAL MANAGEMENT AND BUDGET POLICIES

- The City's long-term financial plan takes into account of its capital improvement plan (CIPs) and financial forecast as part of its expenditure projections, revenue estimates as well as future debt position.
- The City will avoid budgetary procedures that finance current expenditures at the expense of meeting future year's obligations, such as postponing expenditures, accruing future year revenues, or rolling over short-term debt.
- Budgetary and accounting procedures will conform to Generally Accepted Accounting Principles (GAAP) for government agencies.
- The City Council shall be presented a midyear fiscal (budget) review, which provides written analysis of the City's financial health. The Midyear Review document is an update for significant events and charges occurring since the last update in the previous year. All of the key assumptions are reviewed and revised as necessary.
- The City Manager will provide a financial impact analysis of all policy initiatives, service changes and new projects.
- The City's General Fund will be self-supporting, as will the various enterprise or special purpose funds. The objective is to maintain budgets, which do not borrow from one fund to support another. Where fund transfers are made, they are to be based on sound financial policy and will not be carried out for the sake of expedience.
- The City is required to adopt a balanced budget for its General Fund prior to the beginning of the fiscal year. A balanced budget means current revenues equal current expenditures. The City will make all current expenditures with current revenues, avoiding procedures that balance current budgets by postponing needed expenditures, accruing future revenues, or rolling over short-term debt.

**CITY OF MONTEREY PARK
MANAGEMENT AND BUDGET POLICIES
FISCAL YEAR 2016-2017**

6. REVENUE POLICY

- The City will endeavor to maintain a diversified and stable revenue base to minimize the effects of economic fluctuations on revenue accumulation.
- The City will estimate revenue using objective, analytical processes; in cases of assumption uncertainty, conservative projections will be utilized. The estimated growth rates used to project revenues are based on analysis, as adjusted for Monterey Park's experience and outlook, as well as state economic conditions.
- The City will fund all current expenditures from current revenues, avoiding procedures that balance current budgets by postponing needed expenditures, accruing future revenues, or rolling over short-term debt.
- The City will identify basic tax-provided services and will establish user fees and charges for services provided in excess of basic services and/or to non-taxpaying users.

7. FUND BALANCE POLICY

- The City's fund balance classification includes five components: Nonspendable, Restricted, Committed, Assigned, and Unassigned.
- Unrestricted General Fund fund balance, including Committed, Assigned, and Unassigned, will be maintained at a minimum level of two months, as recommended by the Government Finance Officers' Association (GFOA), of the General Fund regular revenues or operating expenditures. The City's maximum unrestricted fund balance shall not exceed 50% of General Fund operating expenditures.
- General Fund committed fund balance will include amounts for Unemployment Claims, Potential Catastrophic Events, and Economic Stabilization. The funding of this committed fund balance account will be reviewed each year during the midyear fiscal review.
- An Assigned Fund Balance for future Capital Projects account will be established to capture accumulated, nonrecurring or unanticipated revenues or expenditures savings, and will be carried forward from year to year to provide resources for the City Council to fund future infrastructure and other onetime expenditure needs of the City.
- The City will maintain adequate reserve to fund annual paid and committed claims in the General Liability Fund and Workers' Compensation Fund, scheduled vehicle maintenance and replacement in the Auto Shop Fund, accrued leave liability in the Separation Benefit Fund, technology and telephone replacement in the Technology/Data Processing Fund.
- Working Capital (current assets minus current liabilities) in the City's Enterprise

**CITY OF MONTEREY PARK
MANAGEMENT AND BUDGET POLICIES
FISCAL YEAR 2016-2017**

Funds, including Water, Refuse, and Sewer, must be maintained at a minimum of two months' annual operating expenses. In addition, an addition of one quarter (25%) of accumulated depreciation of the Capital Assets of the enterprise funds is necessary to ensure adequate resources for reconstructing or rehabilitating capital assets as they reach the end of their useful lives.

- It is the City's goal to reduce its total current and future pension and retiree medical liabilities. The City participates in the California Employers' Retiree Benefit Trust Program ("CERBT") to prefund its Other Post Employment Benefits (OPEB) and funding is set aside through the annual budget process. See OPEB Note in #8.

8. OTHER POSTEMPLOYMENT BENEFITS (OPEB) SUSTAINABILITY

- The City's post-employment medical benefits represent a significant employee-related compensation cost.
- The City adopted Resolution No. 11663 to prefund retiree health care benefits through the California Employers' Retiree Benefit Trust Program (CERBT).
- The CERBT program is an irrevocable trust and funds set aside in the Program cannot be used to meet any other City needs.
- The total annual contributions to the CERBT will be determined each year through the budget process and payments are shared by the City's General Fund, Water, Sewer, and Refuse Funds.
- The City will continue to search and implement healthcare cost containment measures to meet the OPEB funding challenge, including besting rules which are commensurate with years of service and a tiered system of benefits based on hiring dates.

9. CAPITAL IMPROVEMENT PROGRAM POLICY

- The City will utilize a Five-Year Capital Improvement Program to systematically plan, schedule, and finance capital projects as determined by the City Council. The Five-Year Program will include major ongoing maintenance and rehabilitation costs to existing infrastructure and facilities, as well as the cost of new facilities or capital improvements.
- The City's Capital Improvement Plan (CIP) identifies each proposed project, the year the project will start, and the proposed method of financing.
- The City will actively pursue grant and other outside funding sources for all capital improvements projects.

**CITY OF MONTEREY PARK
MANAGEMENT AND BUDGET POLICIES
FISCAL YEAR 2016-2017**

- The City will maintain all of its assets at a level adequate to protect the City's capital infrastructure and to minimize future maintenance and replacement costs.
- Whenever the City finances capital projects by issuing bonds, it will repay the bonds within a period not to exceed the expected useful life of the project.
- The City will confine long-term borrowing to capital improvements or projects that cannot be financed from current revenues.

10. INVESTMENT POLICY

- This Statement is intended to provide guidelines for the prudent investment of the City's temporary idle cash and outline the policies for maximizing the efficiency of the City's cash management system. The ultimate goal is to enhance the economic status of the City while protecting its pooled cash.
- The policy shall direct the investment of the City's temporarily idle monies for all funds, including the general fund, special revenue funds, debt service funds, trust and agency funds, and proprietary funds. Employee deferred compensation, pension, and bond reserves are not managed by the City and are not subject to the City's Investment Policy.
- Criteria for selecting investments and the order of priority are: Safety, Liquidity, and Yield.
- The Policy provides for the creation of a Treasury Committee ("The Committee"). The Committee is comprised of the City Treasurer, the City Manager, Director of Management Services, and the Controller.
- It should be noted that any newly developed derivative of an allowable investment that is not specifically mentioned in the policy must be recommended by the City Treasurer for inclusion in the policy and any amendments to the policy must be submitted to the City Council for approval.
- The Treasury Committee shall maintain an approved list of primary security dealers and brokers and government sponsored investment pools. The Committee will review and amend the approved list periodically to ensure that the institutions continue to meet the selection criteria.
- Purchases of investments shall, whenever practical, be made directly from the issuer, from a member of a Federal regulated securities exchange, from a national or state chartered bank, or from a brokerage firm.

**CITY OF MONTEREY PARK
MANAGEMENT AND BUDGET POLICIES
FISCAL YEAR 2016-2017**

- Only commercial banks and savings and loan associations that demonstrate financial strength and are insured by the federal government may be selected to provide investment services.
- Only primary dealers registered with the Federal Reserve Bank of New York shall be used for Broker/Dealer instrument transactions.
- Other financial institutions shall be selected using the following selection criteria: financial strength, reputation, area of expertise and ability to conform to the City and state mandated investment parameters.
- All transactions described above shall be executed on a delivery versus payment basis. The custodian shall hold assets until the investments mature or the bank receives a request from the City to dispose of the securities.
- Maturities of investment instruments in the portfolio shall be staggered as much as practical and shall be consistent with projected cash requirements.
- All forecasted operating requirements shall be satisfied by maintaining an adequate level of liquidity in the portfolio.
- Within the parameters established by Section III., Investment Selection Criteria, and Section VI., Allowable Investments, investments should be diversified by security type and institution.
- The Annual Investment Report shall provide a summary of the year's investment activities and shall include a proposed statement of Investment Policy to be approved by the City Council during the first sixty days of the fiscal year.
- The City of Monterey Park will follow the prudent investor standards of Government Code Section 53600.3. Investment officers acting in accordance with written procedures and exercising due diligence shall be relieved of personal responsibility for an individual security's credit risk or market price changes, provided that deviations from expectation are reported in a timely and accurate fashion and appropriate action is taken to control adverse developments.
- As part of the City's annual audit, the City's external auditor shall review the City's investment activities to ensure compliance with the Investment Policy.
- At the direction of the City Treasurer, the City's Investment Policy shall be reviewed and updated annually by the Committee to reflect changes in the California State Codes, general market conditions or to provide further clarification of the City's policies. The Investment Policy shall be adopted by the City Council annually.

(1) In accordance with California Government Code Section 43605, total general obligation bonds outstanding cannot exceed 15 percent of total assessed valuation. **As of June 30, 2016, the City had no general obligation bonds outstanding.**

(B) DEBT POLICY

The City’s key debt management goal is to protect and enhance the viability of the General Fund and other associated operating funds to enable the City to continue to deliver top services to Monterey Park residents.

- The City uses debt financing only for capital improvements or projects that cannot be financed from current revenues.
- The project’s useful life, or the estimated service life of the equipment (lease-purchase), will be equal to or exceed the term of the financing.
- Debt financing is not considered appropriate for any recurring purpose such as current operating and normal maintenance expenditures.
- The City will comply with a policy of full disclosure on every financial report and bond prospectus. The City will maintain good communications with bond rating agencies regarding the City’s financial condition and other relevant data related to the debt.

12. GRANT ADMINISTRATION POLICY

To aggressively seek and apply for federal, state and other agencies grant funding to support a variety of social, recreation, public safety, and public works programs. And, to effectively administer grants to ensure the grants can be best integrated into the City's service goals and financial planning.

Grant Application:

- Programs and projects proposed for grant funding should be those that are consistent with the City's service goals, objectives and priorities.
- When contemplating a grant application, the applying department shall consider the cost and benefit of the grant activity including the cost of administering the proposed grant, the matching requirement, and the potential impact on the operating budget.
- Regardless of grant dollar amount or application medium, the department shall, prior to application, submit a report to the City Manager.
- Applications for grants that require the City to provide matching funds of \$15,000 or more must first be submitted to the City Manager, and then, seek formal Council approval.

Expending the Grant Funds:

- Grant expenditures are appropriated and expended following the City's budget and accounting procedures. The department shall not expend or commit any grant funds until the grant is incorporated into the accounting system.
- If the grant expenditures are funded by multiple sources, the most restricted funding source should be used first. Grant funds should be planned so they will be fully expended at the grant expiration.

Grant Compliance:

- The department in charge is to administer the grant, to ensure compliance with grant requirements, to submit to the grantor any compliance or progress reports of a programmatic nature and to monitor grant expenditures. Management Services is responsible for preparing all financial reports to the granting agency as well as coordinating all financial audits relating to grant activities.

FISCAL YEAR 2016-2017**

13. COST ACCOUNTING APPLICATION

The City applies cost accounting in the two following areas: cost recovery from Federal, State and other agencies, and internal service operations.

Indirect Cost Allocation Plan

Indirect costs are costs that cannot be practically assigned to any particular department and/or division, but are necessary for the functioning of the City as a whole. Most of the City's indirect costs are either for general administrative support or facilities maintenance. Each year, the City updates its Indirect Cost Allocation Plan according to OMB Circular A-87 to establish the indirect costs.

Internal Services Charges

Internal Service Funds account for goods and services provided by one department to other departments on a cost reimbursement basis. Currently, the City maintains five Internal Services Funds; they are: Shop Fund, Technology/Data Processing Fund, General Liability Fund, Workers' Compensation Fund, and Separation Benefits Fund. Internal service charges are developed as follows: Shop Fund based on mileage and annual depreciation, Technology/Data Processing Fund based on the number of computer equipment and telephones, General Liability Fund and Workers' Compensation Fund based on claims history, Separation Benefits Fund based on the number of employees, and other Post-Employment Benefits Fund based on Council Budget directions.

The City routinely updates internal service charges to ensure adequate charges for the City's current costs and future liabilities.

14. ARTICLE XIII B APPROPRIATIONS LIMIT (GANN APPROPRIATIONS LIMIT)

I. Background and Calculations

Article XIII B of the California State Constitution, more commonly known as the Gann or "Prop 4" Appropriations Limit, was adopted by the California voters in 1980. The Gann Limit places limits on the amount of tax proceeds that government agencies can receive and appropriate each year.

The appropriations limit is based on actual appropriations during the 1978-79 Fiscal Year, and is adjusted each year using the growth in population and inflation. The City's limit is adopted each year via resolution of the City Council.

In 1990, Proposition 111 made changes to the manner in which the Appropriations Limit is calculated by allowing government agencies choice of annual growth factors. Proposition 111 also provides for the exclusion from the limit capital expenditures for fixed assets of \$100,000 or more in value that have an expected life of ten years or more.

**CITY OF MONTEREY PARK
MANAGEMENT AND BUDGET POLICIES
FISCAL YEAR 2016-2017**

Derivation of the 2016-2017 Gann Appropriations Limit follows:

FISCAL YEAR 2015-2016 ARTICLE XIII B APPROPRIATIONS LIMIT

A. Appropriations Limit:

2015-16 Adopted Limit		\$76,038,797
Annual Adjustment Factors:		
Change in CA Personal Income	1.0537	
Change in Population	1.0085	<u>1.062656</u>
2016-17 Appropriation Limit		\$80,803,118

B. Appropriations Subject to Limit and Amount Under Legal Limit:

2016-17 Preliminary Budget Total		\$80,636,469
Less Exclusions:		
Non-Proceeds of Taxes	43,926,058	
Appropriations from Reserves	<u>(444,014)</u>	<u>(43,482,044)</u>
 Budget Appropriations Subject to Limit		 <u>\$36,266,397</u>
 Amount Under Legal Limit		 <u>\$44,536,721</u>

II. Implications and Future Trends of GANN Limit

The margin between the City's appropriations limit and its appropriations subject to limit remains comfortable. As it has been the case in many years, the City's budget appropriations subject to limit are on average 54% below the legal limit.

Based on the past trend and projected future growth, the City believes its appropriations will continue remaining within the legal limit.

BUDGET PREPARATION PROCESS AND CALENDAR
FISCAL YEAR 2016-2017**

Monterey Park's budget preparations follow a three-phase approach that begins each year with our annual Midyear Review, proceeds through the publication of the City Manager's preliminary budget, and culminates with the publication of the adopted budget.

A listing of significant preparation milestones in the 2016-2017 budget follows.

- October
/January Work began on the 2015-2016 Midyear Budget Review Report. The Midyear Report, including a comprehensive Long Term Financial Plan, established preparatory guidelines for the 2016-17 Budget. It contains estimations of budgetary outcomes as well as discussion of important financial issues facing the City, many of which are reproduced in the Budget document. Also included are current and future year revenue estimations as developed in cooperation with City Departments, the updated Five-Year Financial Forecast, and the planned Five-Year Capital Improvement Program.
- January
/February The completed 2015-2016 Midyear Review Report with long-range planning forecasts was distributed to the City Council, Staff, and the general public for consideration. Jointly, the critical issues were identified; specific goals and objectives were developed to meet the overall goal of the community. Based on community priorities, the Finance Department developed and allocated resources for each activity. Budget targets, together with other materials requisite to the budgeting process, were distributed to departments for assembly of budget proposals to fund their activity Action Plans. Budget Kick-Off meeting was held on February 9, 2016.
- March It's the Budget preparation month and proposal submission deadline was scheduled on March 17, 2016. City Manager's proposal review meetings with department representatives.
- May Following department proposal revisions, the City Manager's proposed budget, reflected both external and internal expectations, was assembled and published for City Council consideration during the week of May 16, 2016. City Council public hearing meetings were conducted on May 26, 31, and June 6, 2016.
- June Staff revises the preliminary budget by incorporating all Council directions and policies into the final budget. City Council formally approved the Final Budget by Resolutions on June 15, 2016.

Program Description

The City Council is the legislative and policy-making body for the City of Monterey Park. The Council Members are elected at-large for four-year, overlapping terms of office. Per City Ordinance No. 2096, each public official can only serve no more than two consecutive terms or a full eight year term. The Mayor presides over all Council meetings and is the ceremonial head of the City for official functions. The City Council reorganizes every 9^{1/2} months allowing rotation of the Mayor.

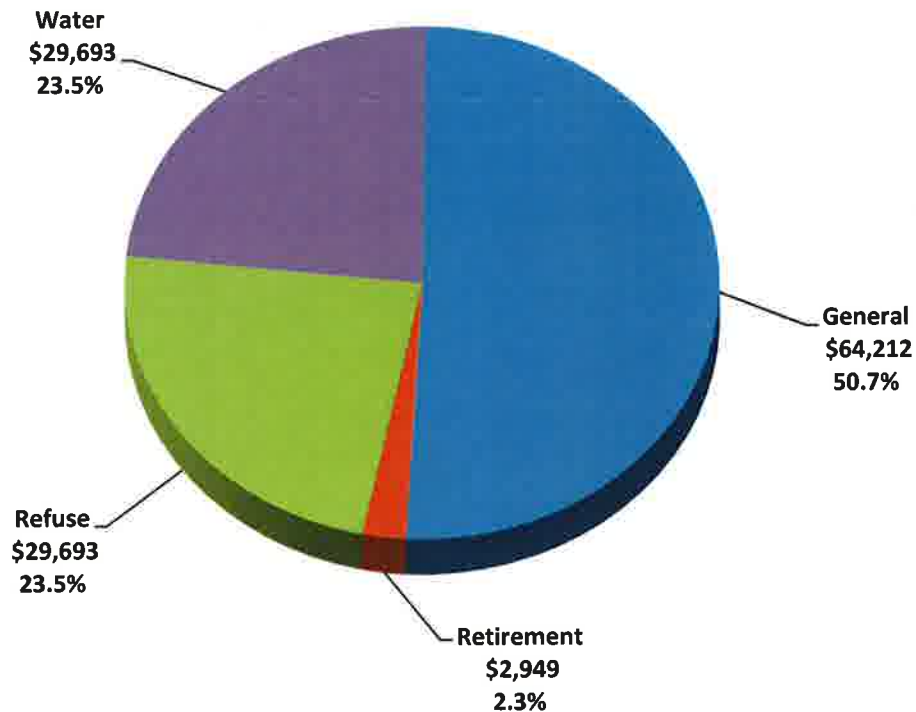

The City Council is responsible to the electorate for keeping pace with changing community needs; for establishing the quality of municipal services and the community environment; for promoting accountability and confidence in local government through open conduct of public affairs; and for encouraging constructive citizen participation. The Council determines service levels and revenue obligations through the adoption of an annual budget; authorizes City contracts and expenditures; establishes municipal service goals and operating policies; and adopts such regulatory measures as may be necessary to establish community protection.

Council Members represent the City on various intergovernmental organizations to achieve governmental cooperation, legislation, and programs that are consistent with the needs of Monterey Park's citizens.

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. Commendations/Awards category (#22000) reflects refreshments for meetings, special recognition and appreciation plaques, Council gifts, including City pins. .
2. Miscellaneous category (#39000) reflects costs associated with printing, \$8,000, and training and conferences, \$35,000 (up to \$7,000 per council member).

Program Description

As a result of an initiative measure adopted by the voters of Monterey Park in 1948, the City Manager serves as the Chief Executive Officer of the City under the direction of the City Council. The initiative imposes specific duties and powers, which are outlined in Municipal Code Section 2.08. Specific service objectives are:

- Provide overall direction and coordination of City operations to ensure that the City Council adopted service objectives are met or exceeded, and that costs do not exceed budget restrictions.
- Provide continual monitoring and evaluation of services to assure the City Council that City services, laws, and programs remain relevant to community needs and are administered in an equitable manner.
- Provide useful and timely data to the City Council so that alternatives are considered and decisive policy action is taken to accommodate changing needs and conditions without crisis and without interruption in services.

- Oversee an aggressive program of resource development that results in measurable increases in the productivity of City operations each year, procurement of available grant funds to achieve special projects, and new commercial and industrial development that expands the economic base of the City.

2016-2017 GOALS AND OBJECTIVES

1. Coordinate the internal logistics of processing all plan reviews, permitting and inspections for the future tenants of the Market Place project to facilitate the timely opening of the shopping center.
2. Continue to work to provide excellent customer service to improve the quality of life for residents and businesses alike.
3. Continue to execute the goals of the City Council to spotlight the needs of the City, including citywide infrastructure improvements, economic development projects, and community services.
4. Focus on the economic revitalization of the City, continue to improve relations with our existing businesses, and strive to make Monterey Park a "business-friendly" environment.

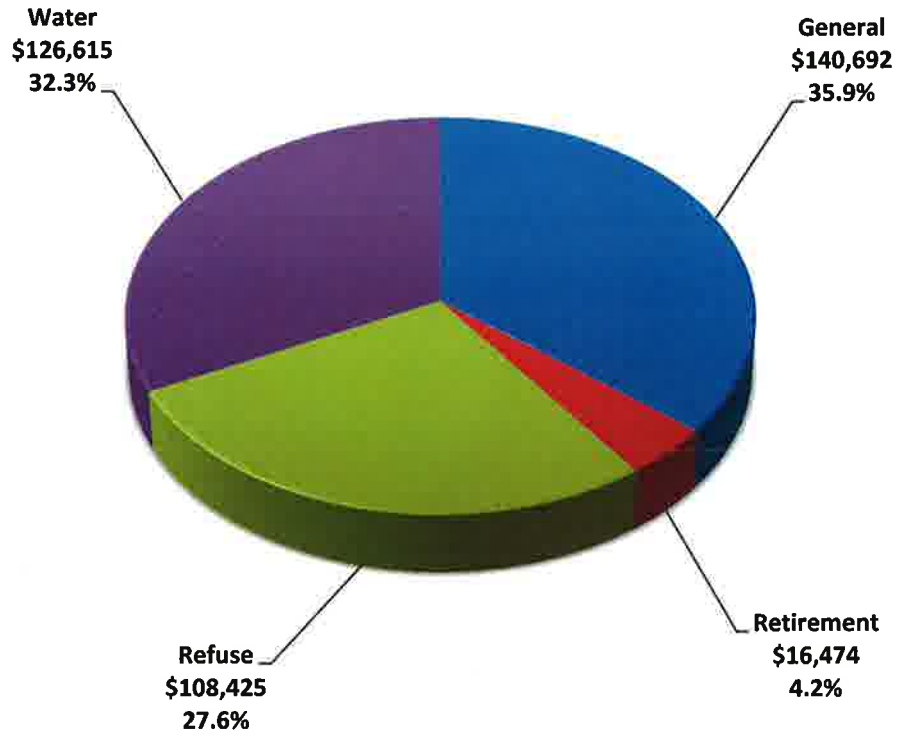

2015-2016 MAJOR ACCOMPLISHMENTS

1. Focused on improving organizational effectiveness and efficiency, examined and implemented realistic fee schedules, opened dialogue with City departments to work towards common goals and implemented energy savings retrofit projects citywide.
2. The demolition on existing buildings and site preparation for the Courtyard by Marriott project has been completed and the construction plans are under review. Facilitated the closing of escrow of the Market Place site by the project developer from the US EPA, thereby allowing the project to move forward.
3. Completed environmentally friendly exterior citywide rehabilitation projects, such as citywide Parks/ADA improvements, City Hall lighting, CNG fueling system, and various street and Cascades Waterfall rehabilitations.

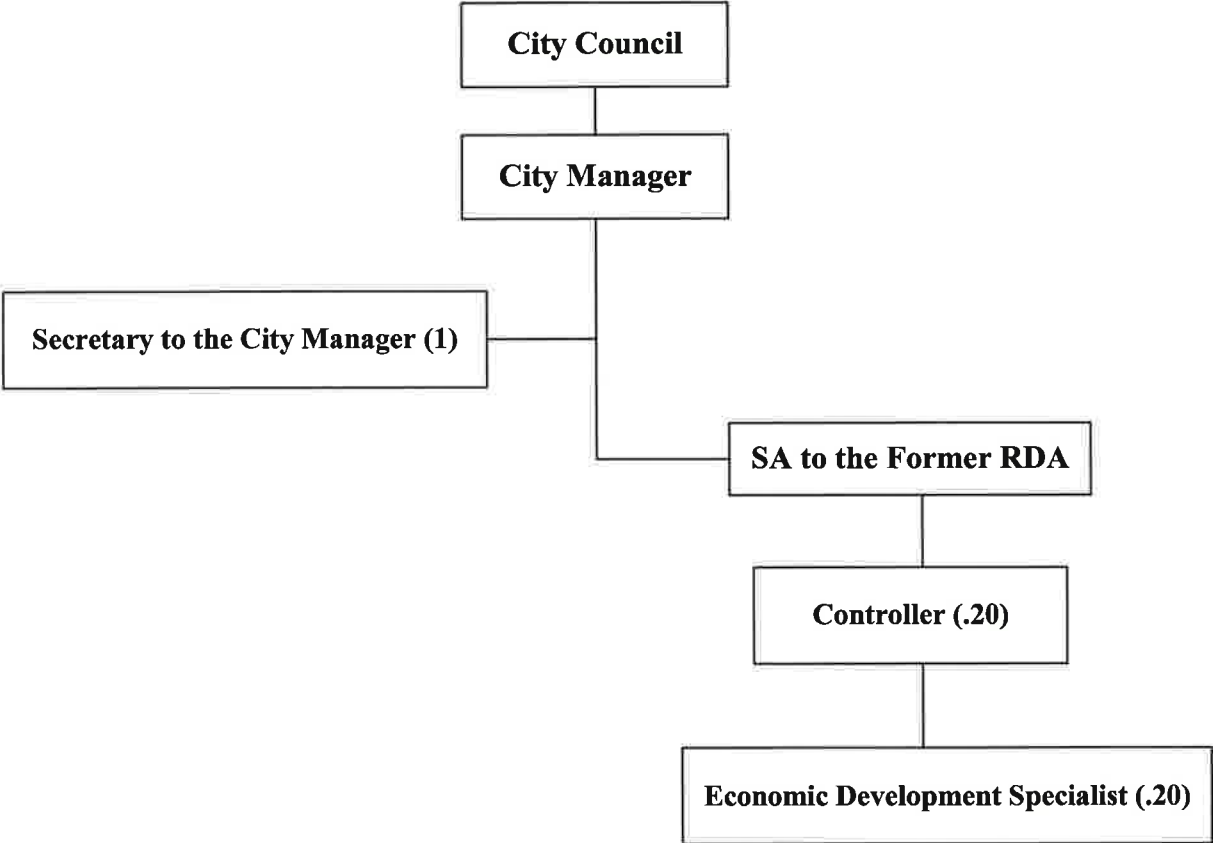

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. Contracted Services (#31000) \$25,000 is for professional services when warranted.
2. Miscellaneous (#39000) consists of \$1,600 dues/memberships to ICMA, \$200 printing, and \$15,000 conference/training/meetings.

Program Description

The City Attorney acts as the City’s legal counsel. In this capacity, the City Attorney advises the City Council and Staff on legal matters relating to the operation of the municipal government and is responsible for the review and preparation of resolutions, ordinances, and agreements. The services of the City Attorney are provided via contractual services with a private legal firm.

In addition, special legal services for personnel matters, labor relations, and municipal code prosecutions that are provided by other private legal firms are also included in this Activity. Specific service objectives are:

- Provide expert legal advice to the City Council and its committees and commissions, as well as the City Manager, the Library Board of Trustees and all City departments so that policies are established and programs administered according to the legal guidelines established by City, State and Federal laws.

- Ensure the City and its officers are properly represented in all actions arising from performance of City business.
- Ensure that all City ordinances, resolutions, agreements and contracts are correct as to form.

Program Description

The Management Services Department strives to provide proactive financial and analytical support to decision-makers, the public, employees and City departments. The Department works to preserve the City's strong financial condition by creating responsible financial strategies, effectively managing the City's resources, and providing analysis and recommendations that ensure optimal economic outcomes.

The Management Services Department provides centralized financial planning, budgeting, reporting and analysis, treasury and investment, debt management, grant accounting, purchasing, accounts payable, payroll, and audits. In addition, the Department establishes and maintains the City's administrative policies and procedures for internal controls. The Department follows Federal and State laws, rules, and regulations to prepare many mandated reports.

In addition, the Management Services Department oversees and maintains the City's information systems and communication systems. The Department maintains a customer service counter and serves as the central cashiering point for the City. It prepares water and

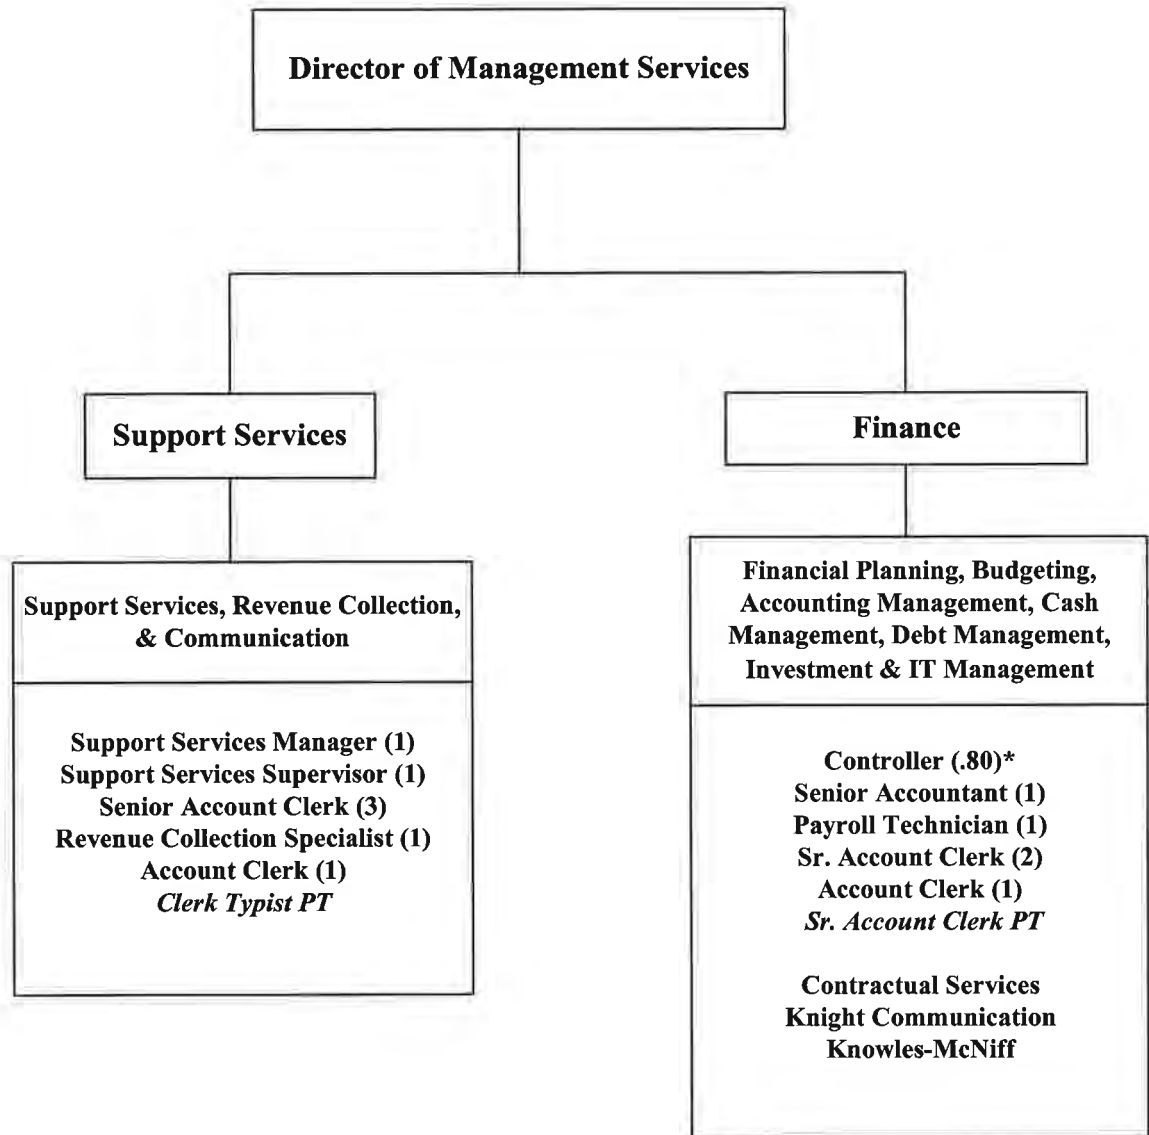

trash billing and administers laws related to business license, utility tax, transient occupancy tax, admissions tax, and franchise tax.

Personnel changes from last year: The Department is replacing one Accountant position with a Senior Account Clerk and shifting 0.1 FTE position of the Senior Accountant from the Successor Agency to Activity 1403.

Program Description

The Finance Division is responsible for the financial operations of the City, which includes budgeting, financial planning, cash management, debt administration, accounts payable, accounts receivable, payroll, grant accounting, auditing, and financial reporting.

Finance prepares various financial reports to City Council, City management and departments for fiscal monitoring. Each year Finance prepares a Midyear Budget Review report, which includes a five-year financial projection for all funds and a five-year capital improvement program. The Midyear Review Report serves as a base for the City's budget and future financial planning, which the report is formally presented to City Council each year at the first meeting in February. Finance also publishes the City's Comprehensive Annual Financial Report, Single Audit Report, Master Schedule of Fees and Charges, Cost Allocation Plan, Investment Report, and Budget Manual, and prepares the citywide lighting and landscaping assessment district and library tax submittals.

Finance maintains the City's financial records and prepares financial reports to various State and Federal agencies. Finance works with City Treasurer in monitoring the City's cash flow and investing idle funds in accordance with the City's investment policy

PROGRAM MEASUREMENTS

Program Description

This activity provides technical support for office equipment and communications to City departments. Specific service objectives are:

- Coordinate maintenance services to City departments for their satellite copiers
- Maintain the City's telephone and voicemail systems
- Maintain and coordinate the installation of new Data/Fax/Voice lines to all departments.
- Maintain the City's cellular phones to ensure good communications throughout all departments
- Maintain the City's postage equipment and coordinate mailroom pickup and sorting of departmental and US Mail

2016-2017 GOALS AND OBJECTIVES

1. *Improve Effectiveness and Efficiency:* Work with the phone company and the in-house phone system programmers to install new T1 lines for the City’s phone system to consolidate the trunk line system to improve efficiency and provide caller ID features to City staff.

2015-2016 MAJOR ACCOMPLISHMENTS

1. Evaluated the feasibility of utilizing T1 lines for the City’s phone system instead of the current trunk line system. This upgrade is recommended to be implemented in the 2016-2017 fiscal year.
2. Upgraded the computer network cabling at Langley Center, Delta Pumping Plant, City Yard, and Fire Stations 2 and 3 speed and efficiency. This also allowed Langley Center to have connectivity to the City’s network to utilize reports and programs necessary for operations.

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. Communications category (#32000) includes \$30,000 for City Hall telephone services, \$5,000 for postage and \$64,890 contributions to City’s Data Processing/Technology Internal Services Charges.

Program Description

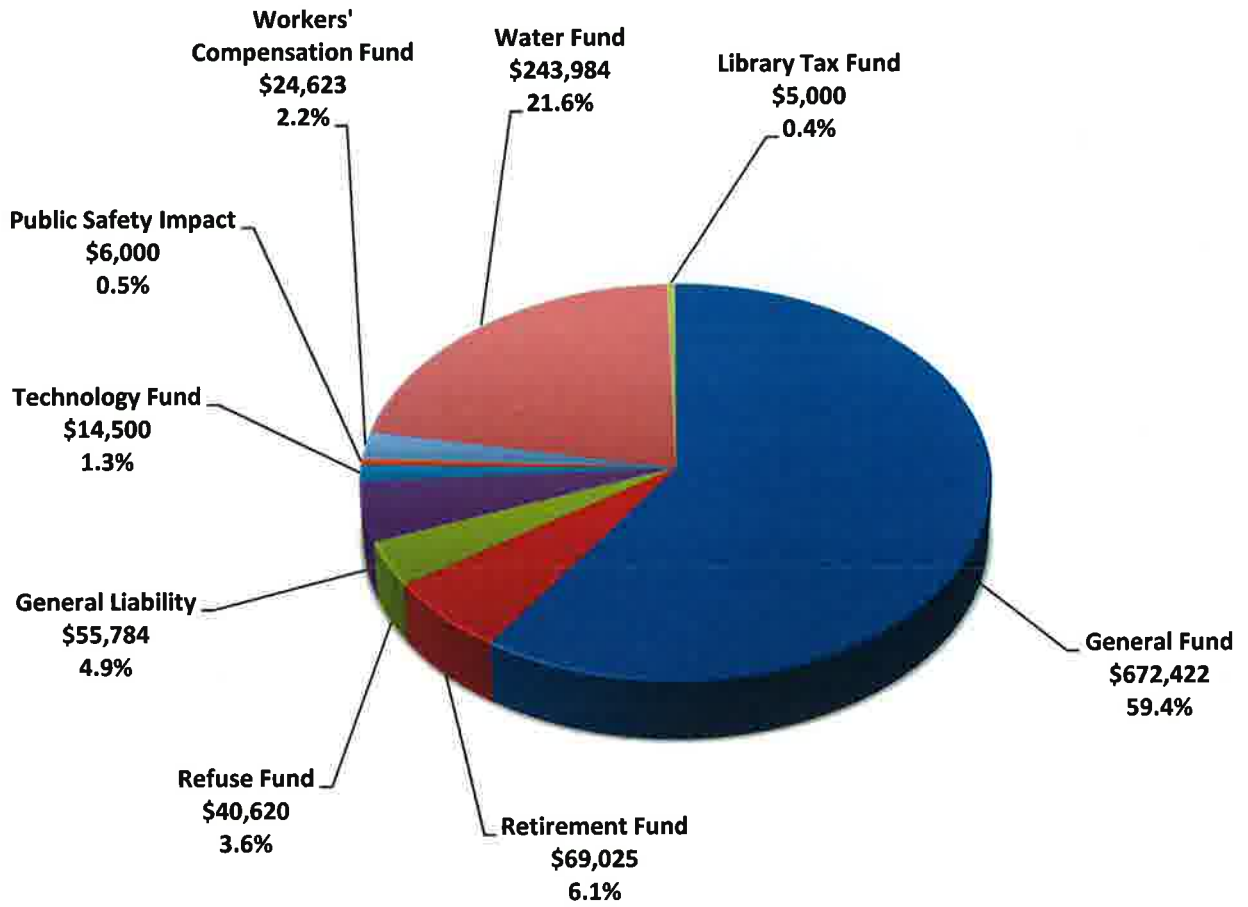

The Human Resources & Risk Management Department is responsible for the administration of a comprehensive personnel system based on merit principles and the City's risk management program. Its primary function is to provide recruitment, employment, employee relations and training services to other City departments and to minimize risk exposure through loss prevention and control.

The Human Resources Division is the core of the City's employment and training operations. HR centralizes recruitment and selection, job classifications, benefits, employment records management, employer/employee relation's administration, employee development programs and contract negotiations.

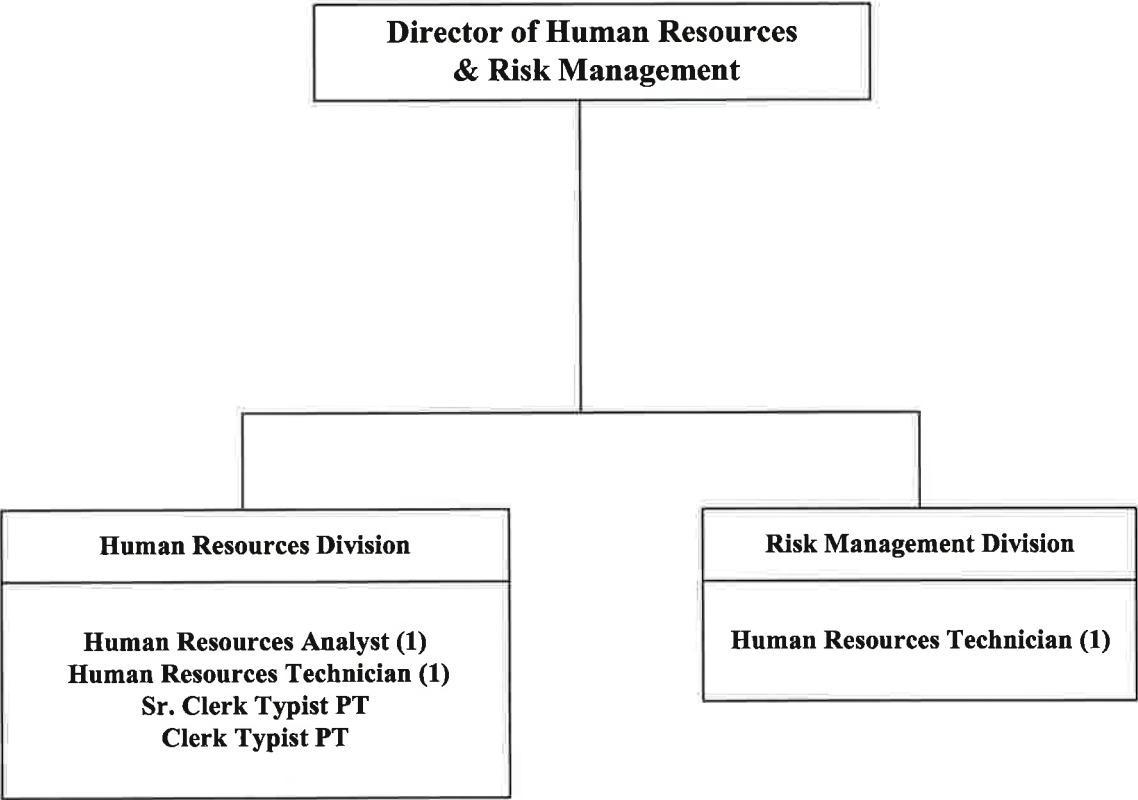

The Risk Management Division provides loss prevention control services, which includes insurance procurement, claims process management for property, workers compensation, general liability losses, and oversight of the City's safety management and training programs.

Personnel changes from last year: Added one part-time Clerk Typist position in Activity 1801.

Program Description

The Human Resources Division supports operating departments by providing a wide range of personnel services, which are divided among the following separate, but integrated program areas:

Employee Development: Training and development programs to enhance employees' job skills and abilities as well as assist them in achieving career development opportunities. Supervisory training, tuition reimbursement for approved formal education, and in-house workshops are coordinated by and funded through the Human Resources Division. During the upcoming 2016-17 fiscal year employee training will focus on developing employee skills and loss prevention programs. The department provides a comprehensive training program by utilizing the City's membership in professional organizations such as ICRMA, the San Gabriel Valley - Employment Relations Consortium, SCPMA-HR, and contract as well as training provided by in-house Human Resources staff.

Employee Relations: An effective program of employer/employee relations is through the negotiation and administration of labor contracts with eight represented employee groups. In

the 2016-2017 fiscal year negotiations will conclude with the five safety (5) labor associations. This also includes employee and supervisory counseling on personnel policies and practices, providing assistance in handling employee grievances and disciplinary actions, negotiation and implementation of new labor contract provisions, communication meetings with labor representatives, and promoting new programs to enhance the quality, efficiency and responsiveness of municipal services.

Recruitment and Selection: Recruitment and selection activities include job analyses, advertising, focused and outreach recruitment efforts, test development and administration, pre-employment medical examinations, background and psychological evaluations for safety positions, fingerprinting, compliance with adopted merit system requirements and related employment laws.

Employee Benefits: The group benefits program includes medical (CalPERS), dental, long-term disability, life insurance, vision, deferred compensation, employee assistance program (EAP) and retirement plans.

Personnel Management: Maintenance of the City’s position classification plan, administration of the employee performance evaluation process, and development of administrative policies and procedures relating to personnel issues. In 2016/17 Human Resources will continue to implement another component of the Neogov Human Resources Information System (HRIS) system and also continue to digitize and modernize Monterey Park HR with the GRM document management.

Occupational Health: Activities that ensure employment candidates and employees are medically and psychologically qualified for the job. Additionally, the Division coordinates Fire Department biennial physicals, medical examinations for respiratory fitness, DMV Class B license renewal, fitness-for-duty medical evaluations and statutory drug testing.

Program Description

The Risk Management Division serves to protect the personnel and physical assets of the City from injury and loss. To accomplish this, a variety of program services are established including: identification and measurement of potential losses, loss prevention, programs for elimination of unsafe working conditions, safety training, insurance purchase, and claims handling for liability, property damage, unemployment, and workers' compensation claims (W/C).

The City currently maintains General Liability and Auto Liability insurance coverage of \$30 million per occurrence, with a self-insured retention of \$300,000 through the City's participation in the Independent Cities Risk Management Authority (I.C.R.M.A.). A third party administrator provides liability claims administration services. The Risk Management Division seeks to minimize the City's financial exposure by ensuring that tort liability claims are processed and brought to closure as expeditiously as possible, fully investigating all claims, and by subrogating claims where third party liability exists, to recover losses.

The City maintains W/C insurance coverage of statutory limits per occurrence (policy will pay out per W/C statute with no coverage limit) with a self-insured retention of \$500,000 through the City's participation in the Independent Cities Risk Management Authority (I.C.R.M.A.). Workers' compensation claims administration services are provided by a third party administrator. The Risk Management Division seeks to minimize the City's W/C financial exposure by risk exposure analysis and loss control programs, and by thorough claim investigation, evaluation and processing.

The Risk Management Division also manages the City's insurance and self-insurance programs for property, public official bonds, automobile property damage as well as track and administer the City's Unemployment Insurance claims.

Program Description

The Community and Economic Development Department has the responsibility for maintaining the City's physical environment through the effective and efficient use of the City's legislative mandates (i.e., maintaining General Plan, zoning, building, health and safety and property maintenance codes) which provide a solid foundation for the quality of life standard that the residents of Monterey Park demand. This Department is also responsible for providing services that promote the community's short and long term development interests in maintaining Monterey Park's traditionally high standards of development in its residential, commercial and industrial areas, as well as providing staff assistance to the Planning Commission, Design Review Board, Economic Development Advisory Committee and City Council. This Department is responsible for the City's economic development activities such as business attraction, assistance and retention programs; and providing decent and affordable housing for very low, low and moderate income residents.

The Department consists of five (6) Divisions:

Planning Division

This Division enforces Title 20 and 21 of the Monterey Park Municipal Code, and other applicable State Regulations. Planning staff processes a variety of entitlement applications that are reviewed and approved by either the Planning Commission, or both the Planning Commission and City Council. Staff also processes Design Review applications and presents their findings to the Design Review Board (DRB) for consideration. It is the Division's responsibility to ensure that all development projects in the city are consistent with the City's Comprehensive General Plan and Zoning Code. The Division functions as the City's liaison for all environmental reviews ensuring compliance with the California Environmental Quality Act (CEQA).

Building & Safety Division

This Division enforces Title 16 of the Monterey Park Municipal Code. Building and Safety staff are required to enforce the City adopted California Codes (i.e., Building, Plumbing, Electrical, Mechanical etc.) through plan check and site inspections, as well as State and Federal regulations (ADA standards) relating to the construction of structures and their safety. This Division is responsible for being the liaison to the City's Modification Committee.

Code Enforcement Division

This Division enforces Section 9.54 of the Monterey Park Municipal Code (i.e., Property Maintenance Ordinance), but also enforce portions of Chapter 21 (Zoning Code) along with other related sections of the Monterey Park Municipal Code. The Division coordinates the "*Code Enforcement Volunteer Program*". The Division has been the responsible for the City's coordination of the annual L.A. County "Weed Abatement" program.

Economic Development Division

This Division is responsible for business attraction, assistance and retention. Economic development staff provides staffing for the Economic Development Advisory Committee, Successor Agency and the Oversight Board, and is the liaison to the Business Improvement District.

Housing Division

This Division administers the City's HUD CDBG/Home Programs and the City's Housing activities. The primary source of funding for housing programs in the City comes from the HUD CDBG and HOME funds, as well as the City's Housing Fund.

Business Improvement District

Monterey Park established a business improvement district in 1983. The district encompasses the commercial area on Garvey Avenue, from Ramona to Nicholson, and

Garfield Avenue from Emerson to south of Newmark Avenue. The main goal of the Business Improvement District is to promote businesses and maintain landscaping in the area.

The following is a summary of the City's physical statistics:

Land Area	7.72 square miles
Major topographic characteristic	Hills
Housing stock	21,075 dwelling units*
Population	61,346 residents*
*California Department of Finance	

Zoning:

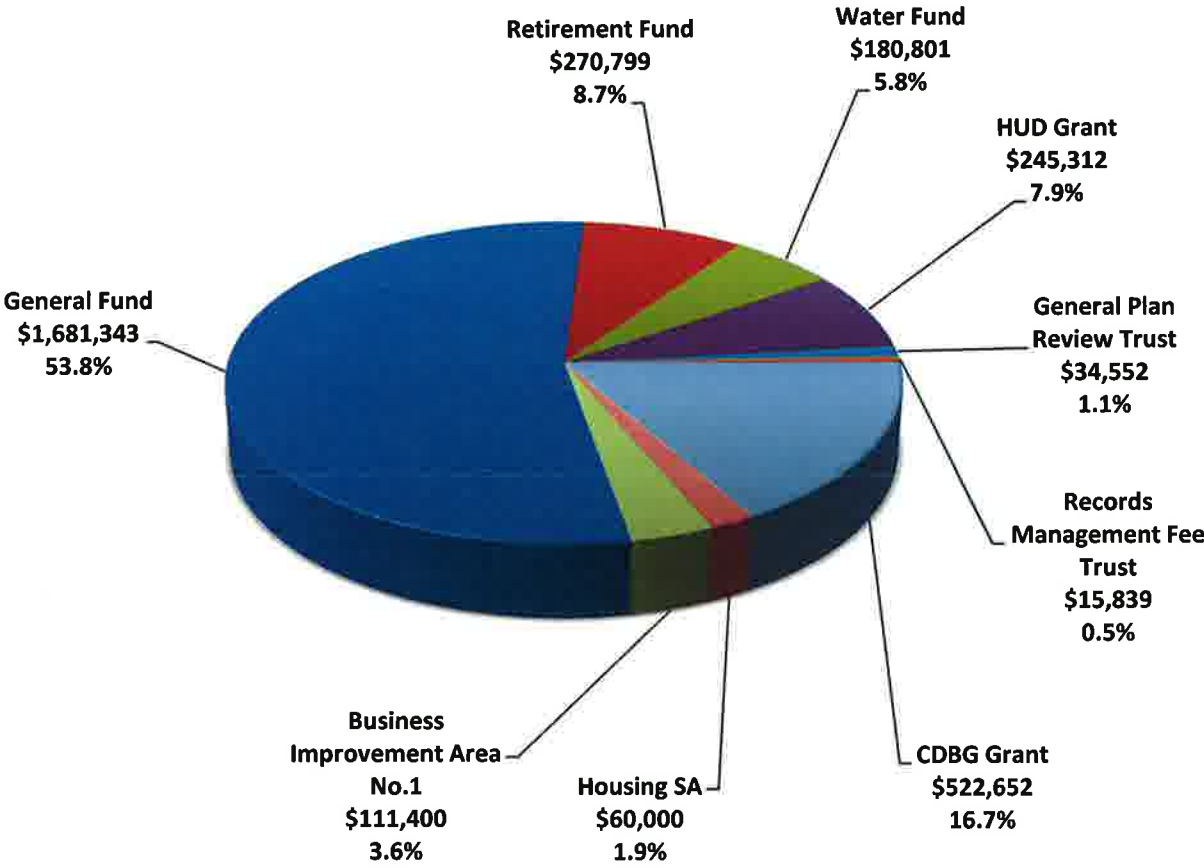

Residential (R-1, R-2, R-3)	78%
Commercial (N-S, S-C, C-B, R-S, C-S, C-P, O-P)	9%
Industrial (M)	11%
Open Space (O-S)	2%
Mixed-Use (Residential/Commercial) (MU-I, MU-II, MU-II with PD Overlay)	5%

The Department is charged with the responsibility of reviewing and periodically updating the City's General Plan, the Zoning Ordinance, along with the various development standards with the ultimate goal of providing a solid foundation for the overall development of the City.

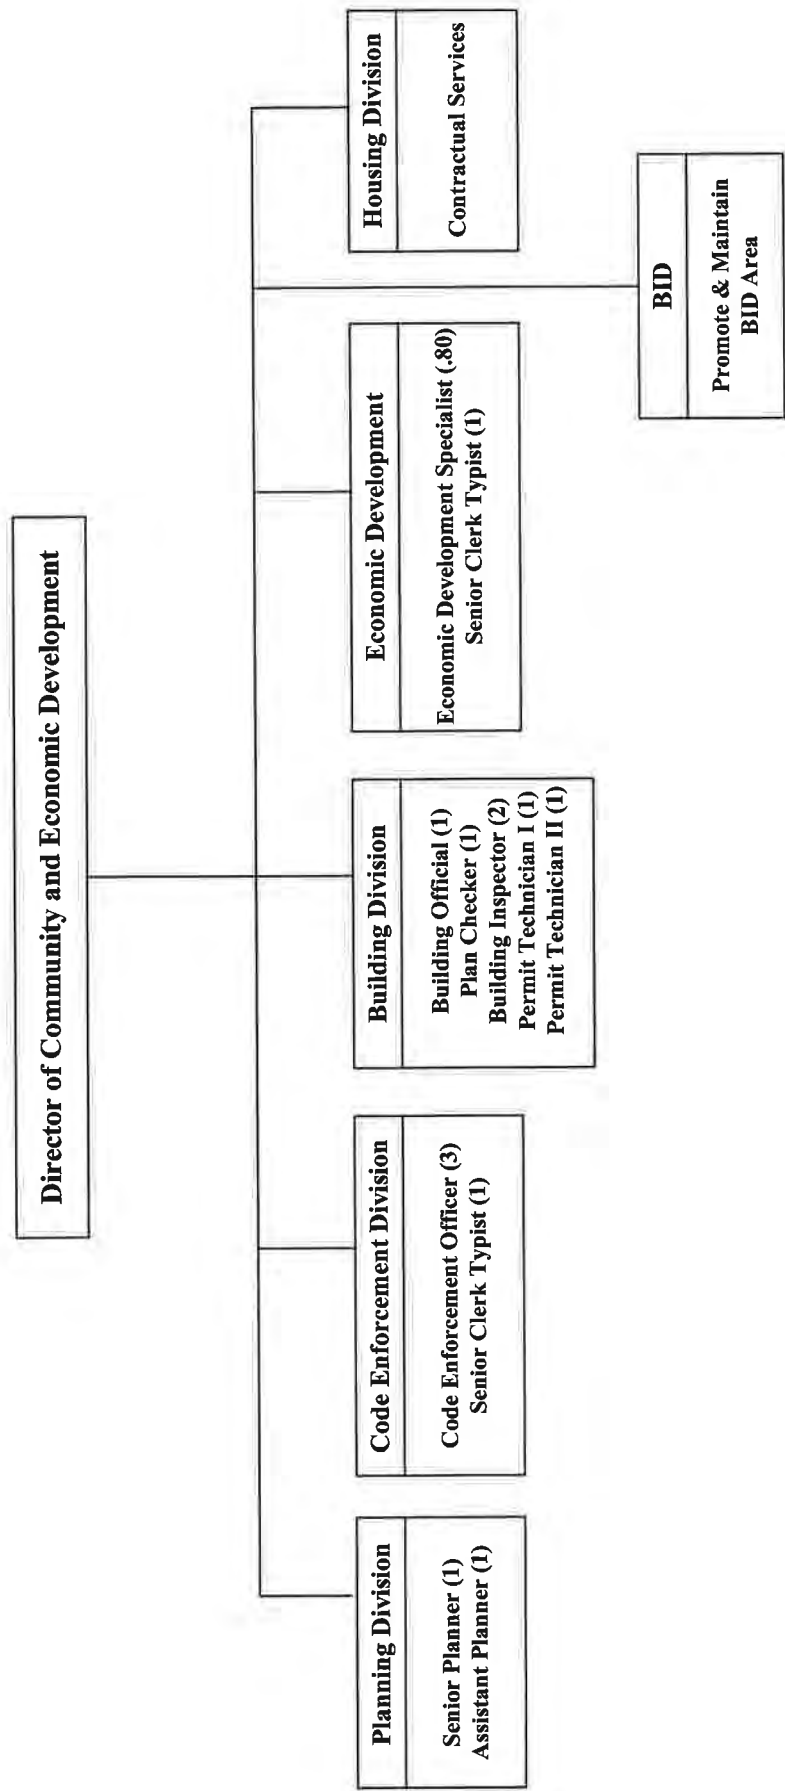

The Department's *MISSION* is "to provide the best possible development services to the public in a way which will promote **good development** and result in a mutually beneficial development which will not only contribute to the City's increased revenue potential but to the overall well-being of the community and its residents."

Personnel changes from last year include: Add one Building Inspector for 16-17 and shift 0.30 FTE previously allocated to the Monterey Park Successor Agency back to Economic Development Activity (1704).

Program Description

The Planning Division provides staff support to the City Manager, City Council, Planning Commission and Design Review Board through formulation and administration of plans, programs, design guidelines and legislation for guiding the City's physical development in a manner consistent with the community's social, economic and environmental goals. Specific service objectives include:

- In accordance with State Law, maintaining a comprehensive and defensible General Plan, which is adopted by City Council and accurately reflects long and short-range community goals and environmental issues relating to the physical development of the community. The General Plan will be reviewed for adequacy in FY 2016-2017 and staff will report back to the Planning Commission and City Council.
- Administers and coordinate City, State and regional land use policies, regulations and other legislation to ensure developments that are consistent with the City's standards, policies and plans that enhance the quality and character of the community.

- Provides technical assistance to developers and citizens in a manner, which facilitates their compliance with development standards and regulations with a minimum of inconvenience. Planning application records have been digitally scanned to be read with computer use. Record maintenance and permit processing will be expedited by the expanded use of this system. Staff continues to process 93% of all plan checks for construction projects of developers (normally within a 72-hour period), and assist the general public in a timely manner.
- Provides the City Manager, City Council, Planning Commission, and Design Review Board accurate, timely and complete information and recommendations relative to land use and zoning applications (i.e., variances and conditional use permits, specific plans, and subdivisions), legislation, environmental review and other matters affecting land development within and in proximity to the City. Development projects are reviewed for environmental compliance pursuant to the California Environmental Quality Act (CEQA) and the City's guidelines.

2016-2017 GOALS AND OBJECTIVES

1. Process a Zone Change and General Plan Amendment along Monterey Pass Road from Garvey Avenue to the north and Floral Drive to the south to create a more conducive light industrial and warehousing area that is beneficial to other commercial and service businesses in the community.
2. Work in coordination with the Public Works Department to complete the South Garfield Village Specific Plan street improvement project.
3. Continue to process various Zoning Code clean up items.
4. Review and report the adequacy of the Comprehensive General Plan to the Planning Commission and City Council.

2015-2016 MAJOR ACCOMPLISHMENTS

1. Processed Code Amendments relative to Electronic Cigarettes, Boarding Houses, Cannabis, Massage Establishment, and Code Clean-up Items.
2. Adopted the South Garfield Village Specific Plan by the Council in August 2015 and completed the Transit Oriented Development (TOD) Planning Grant offered by the Los Angeles County Metropolitan Transportation Authority (LACMTA). A \$37,293 reimbursement is in progress as part of the grant closeout.
3. Implemented the new fee schedule adopted by the City Council in September 2015.
4. Consistently updated the City's webpage relative to development projects.

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. Contracted Services category (#31000) \$35,000 reflects the consulting services for anticipated developments.

Program Description

The Code Enforcement Division enforces a variety of code provisions including Titles 5, 6, 9, 13, 14, 16, 20 and 21 of the Monterey Park Municipal Code. Division personnel are also involved in the enforcement of certain aspects of the Uniform codes which include: UAC, UBC, UHC, UPC, NEC and UMC as well as other Federal, State and County Codes.

The Code Enforcement Division is responsible for maintaining high neighborhood standards through code enforcement techniques which utilize zoning/land use, property maintenance, housing codes as well as sign and business license enforcement. The division coordinates with multi-departmental/agency inspections and promotes voluntary compliance.

The Division's specific objectives are as follows:

- Continue the Division's policy of investigating all Council, citizen or staff complaints concerning residential or commercial property maintenance violations within 48 hours and make contact with complainants after initial inspection with results of findings and suggested course of action within 72 hours.

- Proactively locate violations of the municipal code relating to zoning/land use, property maintenance, yard sales, banners, business license, signage, inoperable vehicles (private property), and substandard housing/buildings etc.
- Monitor residential businesses to comply with City Home Occupation requirements.
- Monitor and evaluate complaints concerning the National Pollution Discharge Elimination System (NPDES). Provide updated training to detect illegal discharges into the storm-drain system.
- Provide follow-up to discretionary permits, when requested by Planning Division (Conditional Use and Temporary Use Permits, etc.).
- Promote voluntary compliance through public education/awareness programs such as community access channel, attendance at City sponsored events, distribution of handouts/brochures, Code Enforcement Volunteer Program, Citizen Academy, etc.

2016-2017 GOALS AND OBJECTIVES

1. Modify its current operating practices from a reactive enforcement approach to a more proactive approach by building relationships with the Downtown Business Improvement District (BID), Monterey Park Chamber of Commerce and major property owners in the community.
2. Prepare a Manual of Responsibility and Standard of Operating Procedure (SOPs) to provide existing and future code enforcement officers a greater understanding of the Division's responsibilities and how the Division interacts with other City departments to accomplish its mission.
3. Continue to build the Code Enforcement Volunteer Program by recruiting and training at least four (4) additional Code Enforcement volunteers thereby increasing volunteers from 4 to 8 allowing an increase in inspections city-wide.

2015-2016 MAJOR ACCOMPLISHMENTS

1. Re-established weekend Code Enforcement duties with three officers on a monthly rotating basis either independently or with Code Enforcement Volunteers.
2. Re-established Code Enforcement Volunteer Program. Volunteers assist weekend Code Enforcement Officers in a variety of tasks, including re-inspections, pro-active inspections, filing, reporting issues to appropriate City Departments and Divisions regarding graffiti, bulky items, abandoned shopping carts and signs on right-of-way poles that could not be removed by volunteers.
3. Implemented the Government Outreach complaint system with GoMPK tracking system to effectively process enforcement activity from field sites. Ability to issue Notices from data base in the field and research property ownership and building permits. Presently working with support staff of Accela/Government Outreach to establish ability to issue Citations in the field through data base.
4. Published two articles in The Cascades Newspaper regarding property maintenance issues and trash collection procedures.

Program Description

The Building Division is established per the mandate of California Health and Safety Code to facilitate compliance with State and local building standards concerning structural integrity, fire and life safety, sanitation, security, accessibility, and energy efficiency of constructions within the local jurisdiction. The Division also administers the City's special programs in connection with the maintenance of building safety. It provides staff support to the City Council, Modification Committee and other city departments in analyzing issues relating to safety of buildings. The Division's specific service objectives are:

- Review building plans and inspect construction work for compliance with building safety technical codes. The State and Municipal codes that are enforced by the Division include the building code, electrical code, mechanical code, plumbing code, building conservation code, spa and swimming pool code, energy conservation standards and accessibility standards.

- Provide code interpretation, reference resources and other technical assistance to the public in a manner that facilitates compliance of design and construction with applicable building standards.
- Coordinate various departments and agencies in the plan review process, and serve as the contact point for permit applications.
- Monitor property maintenance and abate life safety hazards through Certificate of Occupancy inspections and special abatement programs such as the un-reinforced masonry (URM) buildings retrofit program.
- Maintains building plans and permit records, and make the information readily available to the public.

Program Description

Responsibilities within this activity include general administration of the City's Community Development Block Grant (CDBG) program and Home/Housing programs. CDBG monies, received annually from the U.S. Department of Housing and Urban Development (HUD), are the primary source of funding for the Division's activities. CDBG funds are utilized to provide assistance with fair housing, repayment of a Section 108 loan and to cover administrative costs. Due to the continued reduction in CDBG funds from the federal level and the repayment of the Section 108 Loan, the availability of CDBG funding for other activities is limited.

Program Description

Under AB 1x26 redevelopment agencies are dissolved and replaced with Successor Agencies responsible for winding down the affairs of the former redevelopment agency including disposing of their assets. Under Resolution No. 11455, City of Monterey Park elected to become the Successor Agency for its former redevelopment agency and to retain housing assets and functions. The City may begin receiving repayment of SERAF and Housing Deferral funds from the State Department of Finance once the State approves the repayment schedule. Once these funds become available, the City will evaluate various affordable housing projects and programs the funds can be allocated to.

Program Description

Pursuant to California Streets and Highway Code Section 36500 et seq, the Business Improvement District (BID) is allowed to impose an assessment on businesses within self-designated downtown areas, beyond the general business license tax. The revenue can be used for the following purposes:

- Public amenities such as benches, trash receptacles, fountains, kiosks and street lighting;
- Landscaping;
- Promotion of public events to promote businesses within the business district including decorations and music; and
- Creation of activities to promote businesses within the area.

Monterey Park established a business improvement district in 1983. The District encompasses the commercial area on Garvey Avenue, from Ramona to Nicholson, and Garfield Avenue from Emerson to south of Newmark Avenue.

2016-17 GOALS AND OBJECTIVES

The goals for 2016-17 reflect the City Council's approval of the BID's Annual Report and programs and goals set forth in that document.

1. Establish a design theme for the core for the Business Improvement District along Garvey Avenue and work with City staff to create a schedule for carrying out the design improvements.
2. Initiate a banner program for the Garvey/Garfield area.
3. Develop opportunities for BID members to become more involved in the Lunar New Year festival thereby promoting their business.
4. Assist the BID consultant in their efforts to educate Bid members on various topics such as marketing, cleanliness, window displays, and customer service.

2015-16 MAJOR ACCOMPLISHMENTS

1. Worked with the World Journal to provide four (4) advertising opportunities to BID merchants preceding Christmas and the Lunar New Year festival. Approximately 80 businesses participated in placing ads for both occasions.
2. Solicited the services of a consultant to assist BID members with marketing, cleanliness, window displays, and customer service.
3. Published the first quarterly newsletter for the BID titled "The Pulse". The contents of the newsletter addresses a variety of important issues facing the City and the BID and includes educational articles, highlights one new business, and other topics relevant to local businesses.

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. Contracted Service category (#31000) \$111,400 reflects costs for the maintenance contract for Chrysalis, the purchases of banners, the quarterly newsletter, postage, translations services, and flowers for the planter.

Program Description

Members of the Monterey Park Police Department recognize that in order to deliver the highest level of police services, contemporary issues in our community and challenges facing the Police Department must be studied on a continuous basis. Identifying the best solutions to address community safety and quality of life issues is a core responsibility of the Police Department. To strengthen our community partnership, we maintain a high level of attention to significant issues that make an impact on the community's safety and quality of life.

We strive to promote the Police Department as a source of pride for our many employees and volunteers, many of whom live in Monterey Park. Police Reserves, Monterey Park Emergency Communications, Citizen's Patrol, Police Explorers, Chaplains and interns volunteered over 16,500 hours in 2015. The Police Department continues to maintain a strong partnership with the community to address crime and quality of life issues. The Monterey Park Police Department will meet the challenges of the future through proper planning, strategic implementation, and commitment in delivering the highest level of police services to our community.

An analysis of the crime statistics in Monterey Park reflects that for the year 2015, there was a 26% increase in Part I crimes as compared to the previous year. In 2015, the categories of robbery, larceny, burglary, assaults and grand theft auto increased. Monterey Park's Part I crime per 100,000 was 2,638. This was 20% less than Montebello's crime rate of 3,296 per 100,000 population, 4% less than Alhambra's crime rate of 2,757 per 100,000 population, and 23% more than San Gabriel's crime rate of 2,140 per 100,000 population.

An annual account of Monterey Park's Part I crime trends and traffic fatalities are listed below:

<u>Calendar Year</u>	<u>2004</u>	<u>2005</u>	<u>2006</u>	<u>2007</u>	<u>2008</u>	<u>2009</u>	<u>2010</u>	<u>2011</u>	<u>2012</u>	<u>2013</u>	<u>2014</u>	<u>2015</u>

<u># Traffic Fatalities</u>	1	0	4	2	2	1	2	2	2	3	5	4

Monterey Park, Alhambra, and Montebello are "C" category agencies as determined by the Office of Traffic Safety. Population density, miles of roadway and demographics determine an

agency's category. A comparison of local police agencies regarding traffic accidents for the 2015 calendar year is listed below:

Traffic Accident Comparison			
<u>Agency</u>	<u>Fatal</u>	<u>Injury</u>	<u>Non-Injury</u>
Monterey Park	4	213	368
Montebello	3	229	230
Alhambra	1	327	1,001

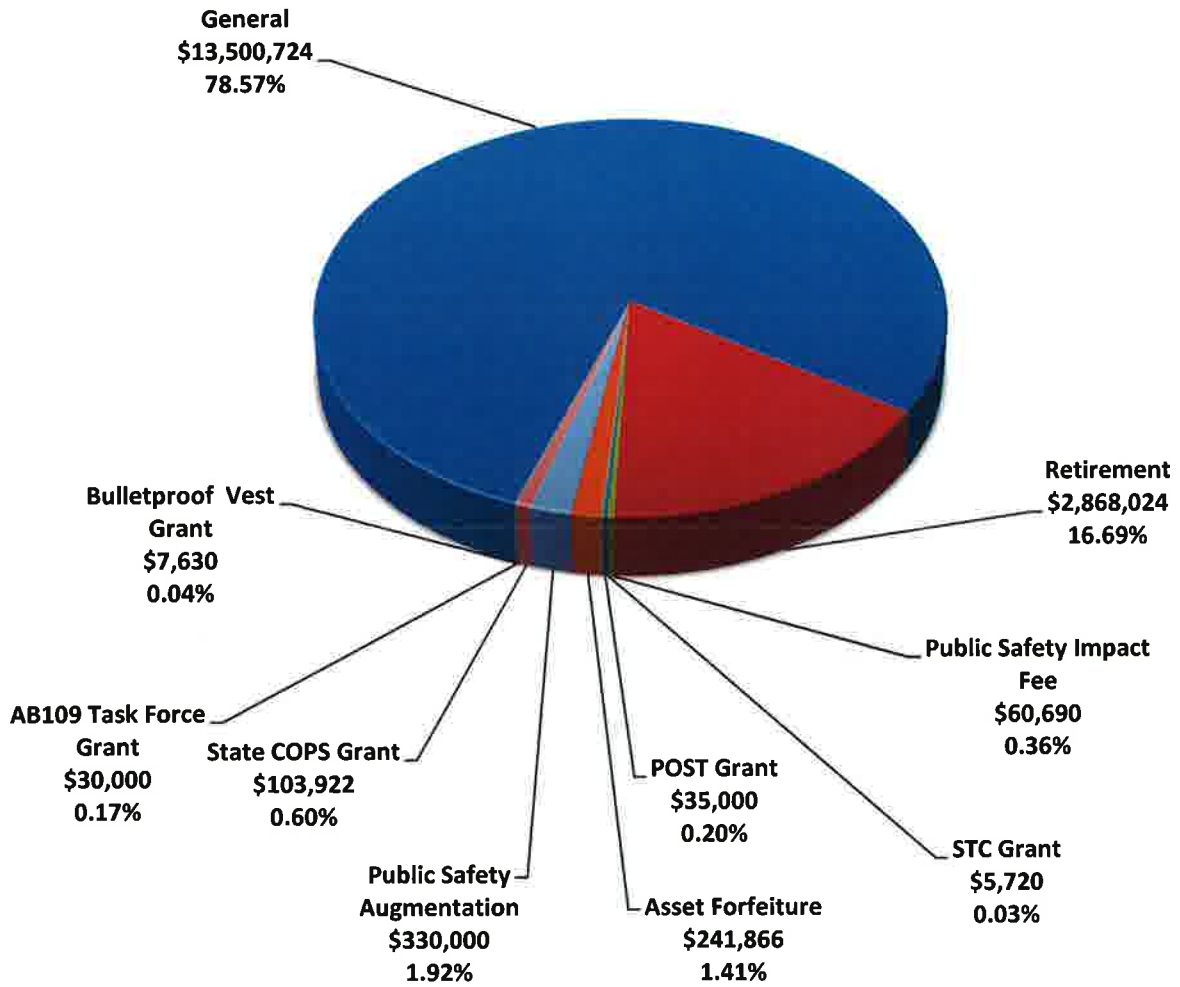

The California Office of Traffic Safety's Annual Fatal and Injury Collision Rankings are listed below for the 2013 calendar year. Rankings for the 2014 calendar year were not yet available.

*Monterey Park ranked 45 out of 103 agencies.
 Alhambra ranked 40 out of 103 agencies.
 Montebello ranked 23 out of 103 agencies.*

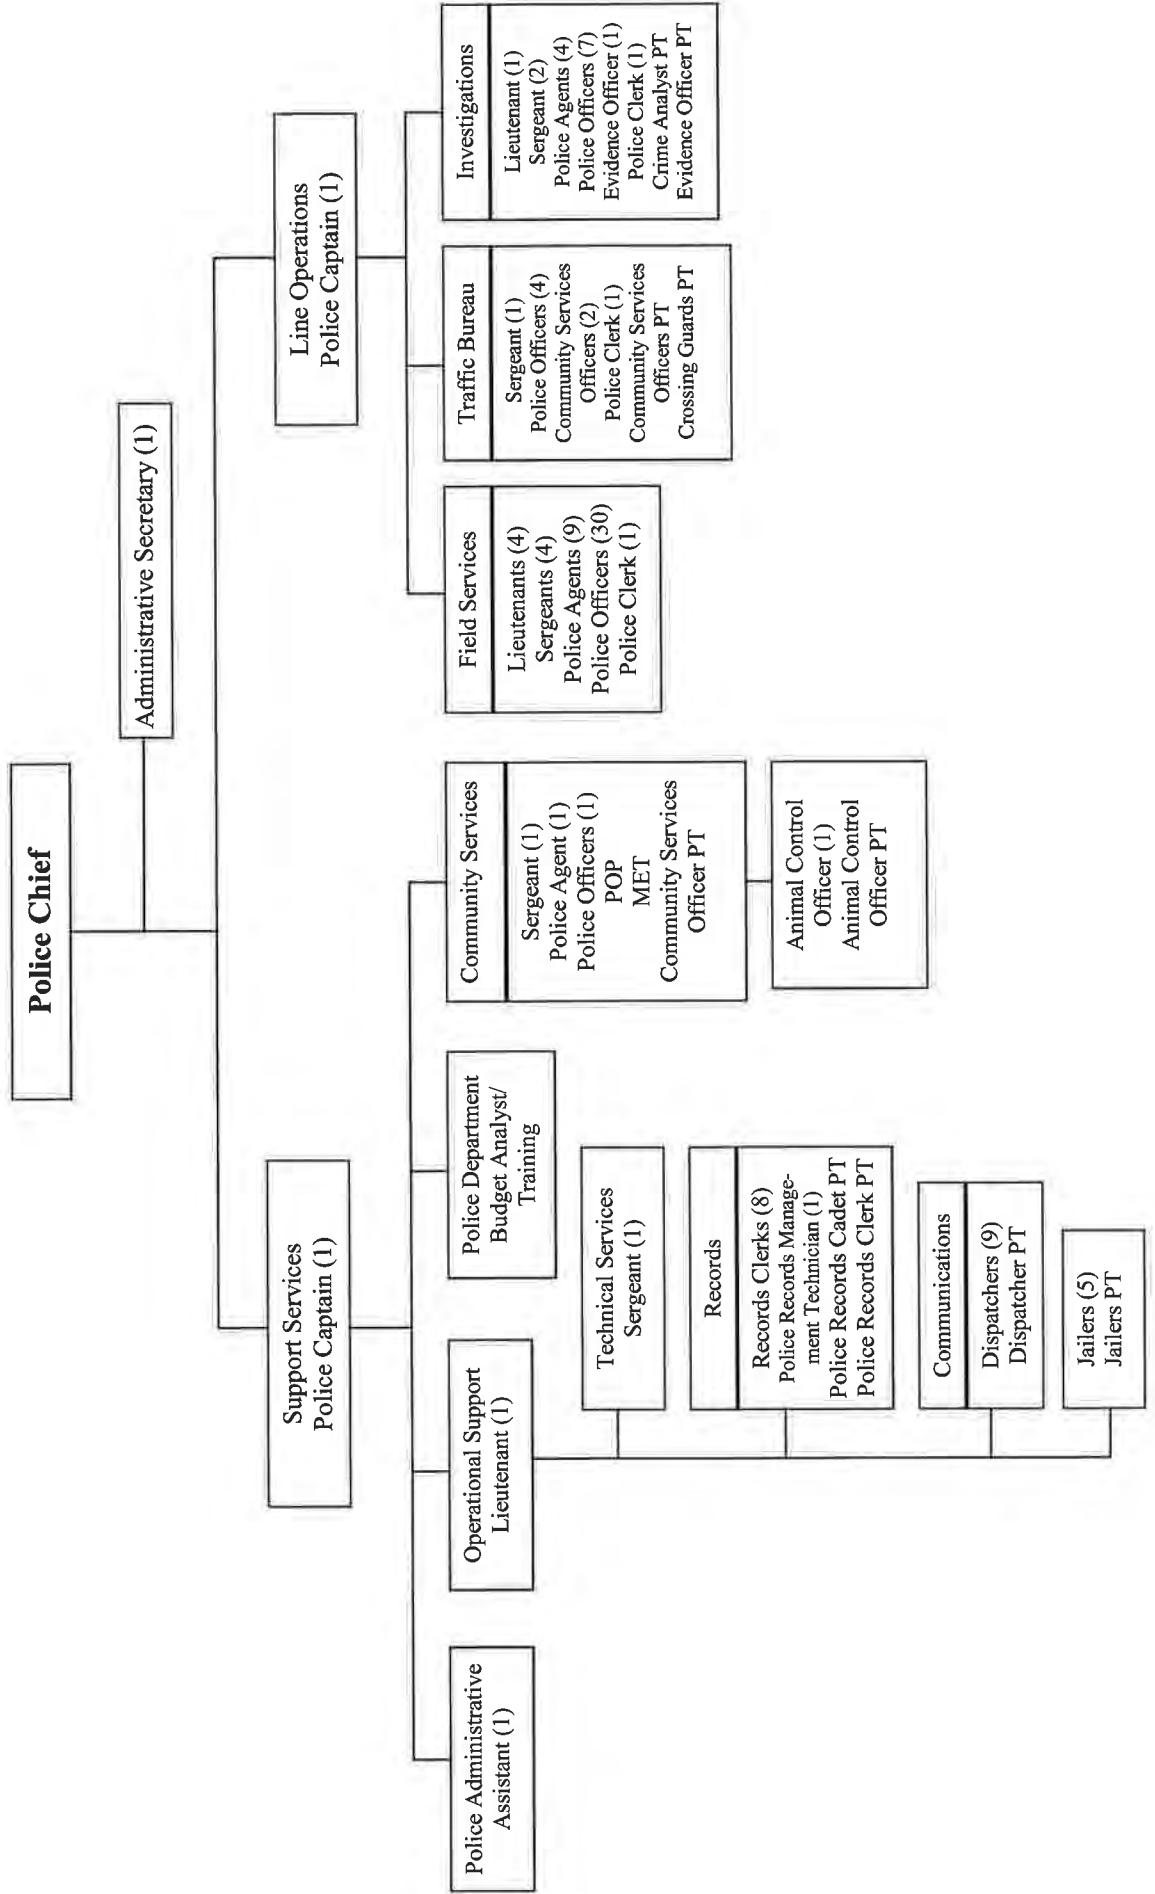

For victim and collision rankings, a Population Group Ranking of "1/103" would be assigned to the city with the highest number of victims/collisions per 1,000 residents in population group C, while a ranking of "103/103" would be assigned to the city with the lowest number of victims/collisions per 1,000 residents in population group C.

Program Description

The Administration Bureau is responsible for ensuring that the administrative needs of the Police Department are met and that the Police Department's mission is carried out in the most efficient manner. Preparing and maintaining the Department's budget, grants, policies, and various staff projects are primary areas of responsibility assigned to the Administration Bureau.

The Operational Support Unit, a section of Administration, is responsible for investigating citizen generated and internal complaints on department personnel. Also, the Operational Support Unit ensures the Police Department's compliance with Peace Officer Standards and Training (POST) and Standards and Training for Corrections (STC) training mandates and guidelines, and procurement and maintenance of technology related equipment within the Police Department.

The specific service objectives are as follows:

- Achieve a 100% compliance rate of all POST and STC mandated training.
- Achieve the projected volunteer hours from all police volunteer programs.
- Process all requests for permits and variances within five business days.
- Identify possible external funding sources to augment current budget allowances.

Program Description

The Traffic Bureau addresses traffic safety issues within the City of Monterey Park. The Bureau places particular emphasis on reducing and preventing traffic collisions, enforcing parking laws, and educating the community on traffic safety and pertinent laws.

Traffic Bureau personnel provides the City with seven-day-a-week services from Motorcycle and Parking Enforcement Officers. The Traffic Bureau also includes a Traffic Investigator who is assigned to handle all post-collision investigations and related arrests. In providing a full range of services, the Traffic Investigator's skill and expertise in accident reconstruction assists them in the identification of accident patterns and trends so that specific education and enforcement efforts can be implemented in problem areas.

Parking Enforcement Officers provide enforcement for all parking related issues such as permit parking, street sweeping, parking for the disabled, fire lane violations as well as respond to citizens' requests for services. The Parking Enforcement personnel help ensure safe and orderly parking around schools, in commercial districts, and on all City streets. Removal of abandoned vehicles is also a primary responsibility of these officers.

The specific operational objectives are as follows:

- Follow-up on traffic investigations within five business days of receipt of the report.
- On a monthly basis, identify the five highest traffic collision intersections and non-intersections to provide selective enforcement, targeting primary collision factor violations.
- Ensure response to all parking citation complaints and appeals within five business days.
- Deploy the radar trailer each weekday, concentrating on speed related problem areas.
- Conduct weekly radar enforcement in areas where speed has been identified as the primary collision factor.
- Conduct 11 Mature Driver classes at Langley Center.

2016-2017 GOALS AND OBJECTIVES

1. Assess the commercial district and truck route signage throughout the city and make service requests for the replacement of missing, damaged and faded signs. This will increase the effectiveness and efficiency of enforcement as well as enhance the appearance of the city.
2. Provide ongoing training to officers on the procedures to issue 72 hr markings, administrative citations for tour buses, and recreational vehicle restrictions and permits.

2015-2016 MAJOR ACCOMPLISHMENTS

1. Received a \$186,000 grant from the California Office of Traffic Safety to educate the public on pedestrian and bicycle safety. The grant also provides for public education and enforcement operations to reduce traffic collisions.
2. Conducted an educational campaign in selected areas addressing parking concerns such as alley parking, sidewalk parking and RV parking. This included a color flyer illustrating the “Do’s and Don’ts” for residents to follow.
3. Conducted pedestrian safety presentations at area schools to educate children on the dangers associated with playing in or near a roadway.
4. Conducted weekly special enforcement details around schools educating drivers about proper safety when driving in school zones. This was to reduce congestion and increase safety for students and parents.
5. Conducted two safety presentations, open to the public, addressing the dangers of distracted driving as well as pedestrian and bicycle safety.

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. Overtime Salaries category (#11400) will decrease in funding of \$186,000 in FY 16/17 due to the completion of the Office of Traffic Safety Grant.
2. Operating Supplies category (#22000) \$9,190 consists of annual uniform allowance, safety equipment and operating supplies.
3. Contracted Services category (#31000) \$1,800 consists of cost of administrative hearings for citizens contesting parking citations.
4. Motor Pool Charges category (#33000) \$91,793 includes the city allocated motor pool charges.
5. Miscellaneous category (#39000) \$5,750 consists of printing, dues/memberships, and towing charges.

Program Description

Field Services Bureau personnel are the first responders to calls for service. The majority of the departments' officer-citizen contacts occur within this Bureau. As first responders, these officers handle all emergencies, alarms, crime report requests, disputes, hazards, traffic enforcement/traffic accident investigations and various other calls for service. As time permits these officers also address problem oriented policing concerns in an effort to enhance the quality of life in the community. Services are provided twenty-four hours a day, seven-days a week, ranging from low priority (parking complaints, keep the peace, etc.) to high priority (preliminary investigations of serious crimes like homicides and felony assaults) calls for service.

Part of the Field Services Bureau is the Canine Unit. The canine teams are a valuable part of daily law enforcement operations. Police dogs are trained in handler protection, searching techniques, article searches, and narcotics detection. The canine teams have effectively apprehended dangerous suspects, located evidence, and recovered narcotics which were hidden by drug dealers. Canine officers provide demonstrations and education programs to community groups and students.

The Field Services Bureau is committed to delivering the highest level of police services. The specific operational objectives are as follows:

- All Field Services personnel will attend a minimum of three Neighborhood or Business Watch meetings.
- Officers will be audited quarterly on their handling of incidents by their supervisor to monitor and maintain the highest quality of service delivered.
- Field Services Bureau will maintain an average response time of four minutes or less for Priority I calls.

Priority IV Response Time:	6:28	7:24	6:55

- Priority I: Where danger to life and/or property is imminent, or a crime of a serious nature is in progress.
Examples: (1) An armed robbery (2) A person shot
- Priority II: Where a threat to a person or property is possible, or a breach of the peace is occurring.
Examples: (1) A trespass in progress (2) Disturbances caused by juveniles
- Priority III: Where there is no threat to life or property, and a delay would not cause undue harm to a citizen or property.
Examples: (1) A bicycle theft, where no one was seen taking the bicycle
(2) A lost property report
- Priority IV: Other routine calls for service.
Examples: (1) Station details (2) Prisoner transport

2016-2017 GOALS AND OBJECTIVES

1. Officers will receive training in First Aid/CPR/AED. The training will strengthen the officer's skills in life saving techniques. It will also keep officers compliant with State mandated requirements.
2. To improve patrol response and interaction with individuals suffering from a mental health crisis, patrol officers will be scheduled one shift with the Mental Evaluation Team.

2015- 2016 MAJOR ACCOMPLISHMENTS

1. Patrol personnel participated in formalized training in ergonomics. This training was designed to reduce work related injuries.
2. Each patrol team designed and conducted two crime prevention presentations directed towards senior citizens. The topics included prevention of residential burglaries, thefts and tips for seniors to avoid financial fraud.
3. Patrol team safety officers met quarterly to share, discuss and provide recommendations regarding ergonomics and other safety related topics in an effort to reduce work related injuries.

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. Salaries category (#11200) reflects two new Police Officer's positions being included for 2016-2017.
2. Overtime Salaries category (#11400) over expended due to vacancies, backfill for officers on long-term injured on duty status, and various investigations.
3. Operating Supplies category (#22000) \$99,730 consists of other operating & equipment supplies, uniform allowance, and training.
4. Contracted Services category (#31000) consists of \$5,000 for Los Angeles County Sheriff's Aero Bureau helicopter services.
4. Motor Pool category (#33000) \$286,569 primarily consists of the city allocated motor pool charges.
5. R/M Contractual category (#38000) \$15,000 includes the costs of maintenance for office and patrol equipment.
6. Miscellaneous category (#39000) \$30,500 reflects the City Law Enforcement grant funding for training, printing, and dues/memberships.

Program Description

The Investigations Bureau conducts follow-up investigations on all crimes occurring within the City. The Bureau is responsible for the resolution and disposition of all criminal and non-criminal cases ranging from homicides to identity theft, as well as non-criminal matters, such as missing persons and lost property. This Bureau is also responsible for tracking registered sex offenders, parolees and probationers, and conducting compliance checks on those persons. The Investigations Bureau is comprised of two investigative sections.

The first section is the primary investigative unit, which conducts investigations on the majority of the crimes reported. Arrest and prosecution of criminals, and the successful closure of investigations, is the specific responsibility of the Investigations Bureau.

The second investigative section is the Crime Impact Team, a unit specializing in the gathering of criminal intelligence, vice and narcotic related investigations, gangs, and Asian organized crime.

The specific operational objectives are as follows:

- Maintain a Part I crime clearance rate of 20%.
- Audit all criminal cases that are rejected by the District Attorney’s Office to ensure that all prosecutable cases are filed.
- Initiate a follow up investigation on all reported Suspected Child Abuse Reports (SCAR) within one business day.

PROGRAM MEASUREMENTS

	<u>Actual 2014-15</u>	<u>Estimated 2015-16</u>	<u>Projected 2016-17</u>
Part I Crimes Investigated	1,392	1,630	1,500
Part I Clearance Rate	20%	16%	19%
Suspected Child Abuse Reports Followed Up Within One Business Day	100%	100%	100%

2016-2017 GOALS AND OBJECTIVES

1. Conduct briefing training for patrol personnel on new technology used by the investigations bureau. This will give patrol personnel a better understanding of what new technology is available and being used by the Bureau.
2. Provide community presentations on how to identify and report to police possible residential motels as well as prostitution houses in their neighborhood.

2015-2016 MAJOR ACCOMPLISHMENTS

1. Utilized the department’s various social media outlets (NIXLE, Twitter, Weibo) to send out bi-weekly crime prevention tips to the public.
2. Provided training to patrol personnel in the proper use of DNA collection kits. This has increased the collection of DNA evidence which has resulted in the positive identification of suspects in several of our cases with limited leads or evidence.
3. Conducted briefing training for patrol on emerging crime issues and trends and their effects on patrol operations particularly in the area of manufacturing of “Honey Oil”.

PRIMARY PROGRAM EXPENDITURE EXPLANATION

1. Contracted Services category (#31000) \$40,000 consists of investigative professional services.
2. Motor Pool Charges category (#33000) \$183,874 includes the City's motor pool charges, mileage & parking, travel expenses and extradition expenses.
3. Miscellaneous category (#39000) \$9,940 primarily consists of investigative costs.

Program Description

The Communications Bureau serves the community by maintaining twenty-four hours-a-day, seven-days-a-week communication services for the Police Department and Animal Control in the City of Monterey Park. The Communications Bureau is the central answering point for all traditional and wireless 9-1-1 calls within the City limits. Communications Dispatchers are tasked with quickly identifying problems and sending the appropriate assistance to the caller.

In critical incidents, when danger is imminent, it is imperative to have highly trained personnel quickly identify and problem solve by effectively utilizing the available resources in a timely manner. Deployment of public safety services and other resources depend on the ability of this bureau to make timely decisions based on the information obtained from the callers. Immediate access to translation services through on-duty translators and telephone translation service for the non-English speaking and the hearing impaired community enhances our service.

To better serve the community, and enhance the safety of our first responders, Communications Bureau personnel input and maintain critical premise history information received from all City departments and other governmental agencies.

The specific operational objectives are as follows:

- Maintain an emergency dispatch time of less than 90 seconds.
- Conduct monthly performance audits of each dispatcher to ensure quality service delivery and to identify training needs.
- Continued participation in programs focused on educating the public and raising the awareness of policing issues for both the staff and the community.

2016-2017 GOALS AND OBJECTIVES

1. Receive continued training to enhance skills in recognition and response to calls for service from citizens experiencing a high level of stress due to medical emergencies, violence, or traumatic events. Training will include recognition of the human stress response, empathetic and professional response, mental preparation, and post-incident stress management. Continued training in this area will increase knowledge and efficiency in order to serve citizens experiencing a crisis or emergency situation.
2. Present the "9-1-1 for Kids" program to elementary schools in the city. The program provides educational tools to teach proper use of the 9-1-1 system.

2015-2016 MAJOR ACCOMPLISHMENTS

1. Communications Personnel participated in patrol ride-a-longs to enhance their knowledge and understanding of the patrol function, officer safety concerns, and changes in the development of the commercial areas in the city.
2. Communications Personnel conducted community outreach and education throughout the year. Dispatchers attended Neighborhood Watch programs, "Coffee with a Cop", Citizen's Academy, and published articles in the Cascades Newspaper.

PRIMARY PROGRAM EXPEDITURE EXPLANATIONS

1. Part Time Salaries (#11300) and Overtime Salaries (#11400) categories were over spent due to Dispatch personnel who were in training, on long term leave and vacancies.
2. Communications category (#32000) \$97,000 consists of telephone services.
3. R/M Contractual category (#38000) \$164,000 consists of communications system hardware, fire alarm monitoring, police communication devices, and equipment maintenance.

Program Description

The Monterey Park Jail receives and processes persons booked for violations of the law. Bookings involving juveniles and warrant arrests are short-term detentions. Arrests for serious crimes may require processing and prisoner maintenance over several days. The Jail Bureau is responsible for operating and maintaining a safe and secure jail environment. The Jail Bureau also operates a fee paying prisoner program that generates revenue for the City. Persons who are accepted into this program are low risk misdemeanor offenders and federal prisoners.

The specific operational objectives are as follows:

- Maintain compliance with all jail inspections conducted by the Board of Corrections, the Grand Jury, and other outside agencies with above average ratings.
- Maintain a positive rating above 75% as measured by the outgoing prisoner surveys.
- Maintain compliance with State and County guidelines by conducting intake screenings on all prisoners (i.e. health, mental health, etc.).

PROGRAM MEASUREMENTS

Prisoner Satisfaction Rating:	97%	97%	98%

2016-2017 GOALS AND OBJECTIVES

1. Jail personnel will design a new Medical Screening and Housing Classification form. This form will better assess arrestees that are brought into the jail facility for potentially medical and mental health issues.
2. The Mental Evaluation Team and Lead Jailer will design and present a training class on how to identify arrestees with mental health issues at the time of intake. This will allow Jail personnel to be able to quickly evaluate a person's mental condition and find suitable housing for them if needed.

2015-2016 MAJOR ACCOMPLISHMENTS

1. To ensure that Jail personnel were kept current on policy and procedures, the Jail Bureau held quarterly meetings. During these meetings, training, as well as current policies and procedures were discussed to ensure optimum functionality of the Jail.
2. Jail personnel provided training to Reserve staff and officers. Training on proper booking procedures, current case laws related to jail facilities, jail safety, and an overview of jail operations was provided.

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. Operating Supplies category (#22000) \$34,425 consists of cleaning supplies, uniforms and prisoner supplies.
2. R/M Contractual category (#38000) \$34,600 consists of Jail janitorial services, pest control services and office maintenance.
3. Other Agency Service category (#41000) \$7,000 is for booking charges for prisoners.
4. Miscellaneous category (#39000) \$650 consists of printing, and books.

Program Description

The Records Bureau systematically processes, maintains, and distributes records and reports of all documented police incidents occurring within the City's boundaries. Significant Bureau tasks include: compiling crime statistics and information; inputting data into the Records Management System, accessing information in State and National law enforcement data bases; maintaining and preparing purchasing requests of police department supplies; preparing complaints for court; providing assistance at the Police public counter; responding to requests for information and assistance of citizens; receiving fees for services provided at the public counter; and assisting officers by writing routine reports at the Police counter.

The specific operational objectives are as follows:

- Process and transmit complaints for court eight days in advance of the appearance date.
- Submit the monthly statistical reports to the Department of Justice by the tenth day of each month.

- Complete data entry of reports into the Records Management System within seven days of receipt.
- Respond to the front counter within one minute for delivery of service.

PROGRAM MEASUREMENTS

2016-2017 GOALS AND OBJECTIVES

1. Receive training in processing the monthly UCR report. Each Clerk will be responsible for submitting a UCR report to The Department of Justice.
2. Begin an accelerated effort to purge past records that can be discarded according to the City retention criteria. The process will eliminate unnecessary records and keeping only what is required by law.

2015-2016 MAJOR ACCOMPLISHMENTS

1. Participated in patrol ride-a-longs in order to acquire a better understanding of the work that officers perform, particularly in the area of report writing. This assisted them in providing better service to the officers and improved the quality of reports.
2. Hired three FT Records Clerks and completed basic records training during this period.
3. Began the process of creating and updating written procedures for the various tasks performed most frequently at the front counter by Records Clerks. The guidelines will provide a way of maintaining consistency in handling the areas of responsibility regardless of whether the situation is being handled by a Clerk, Cadet or Volunteer.

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. Office Supplies category (#21000) \$18,900 consists of printing and office supplies.
2. Lease & Rental category (#37000) is for the Canon copier rental, \$10,050.
3. R/M Contractual category (#38000) \$7,600 is for office equipment maintenance. A decrease of \$18,000, janitorial services, is transferred to Management Services for better cost management.

Program Description

The Computer Services Bureau provides data processing and basic maintenance and configuration of police department computers and networks. Computer Services is also tasked with identifying emerging technologies that can be implemented to increase the effectiveness and efficiency of the Police Department.

Contract personnel provide training to employees on a variety of applications and use of external systems operated by Federal, State and local criminal justice organizations. Contract personnel also provide consulting services in developing strategies to bring the Department to optimal operating levels.

2016-2017 GOALS AND OBJECTIVES

1. Assist in the installation of the upgrade to the Computer Aided Dispatch/Records Management System and upgrade the necessary infrastructure to support the system.
2. Computer Services personnel along with the Technical Services Bureau, will train authorized personnel in the use of the i4-POD portable surveillance system. This is a portable video camera system that will allow department personnel to remotely monitor a problem area in the city.

2015-2016 MAJOR ACCOMPLISHMENTS

1. Assisted in the implementation and installation of the new Mobile Data Computer (MDC) system.
2. Updated all police department computers with the Windows 7 operating system to replace those that were still operating on an older operating system. This enhanced the efficiency in the running of programs used by the police department.

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. Contracted Services category (#31000) \$153,050 is for Police data processing.
2. Communications category (#32000) \$31,364 consists of City's Technology charges.
3. R/M Contractual category (#38000) \$335,000 consists of CAD/RMS system maintenance, mobile data computer and connection support, and other system maintenance & support services.
4. Debt Service category (#42000) \$165,870 is the for the loan payment for the Computer Aided Dispatch/Records Management System.

Program Description

The primary goal of the Community Services Bureau is to raise the community's level of awareness on crime and crime prevention methods. The desired outcome is to decrease community member's potential of being victimized. This goal is accomplished through Community Based Policing, where a partnership between the community and the police is formed to proactively solve crime problems and address quality of life issues.

Services offered to the public by the Community Services Bureau are the Neighborhood and Business Watch programs, residential and business inspections, and various presentations designed to meet the specific needs of the community. The Community Services Bureau offers to the public the Monterey Park Citizens' Patrol (M.P.C.P.) and Police Explorers programs which enable citizens to become an integral part of the police department.

Attached to the Community Services Bureau is the Problem Oriented Policing (P.O.P.) Team. The P.O.P. Team is tasked with the primary function of identifying and formulating long-term solutions to resolve community issues, rather than a reactive response to calls for service. As a Community Based Policing program, the P.O.P. Team uses creative strategies to solve

problems through collaboration with various community stakeholders (i.e. residents, business owners, apartment owners/managers, private and public organizations, and all departments within the municipality) to provide a permanent solution to an identified problem.

The specific operational objectives are as follows:

- Solicit and encourage active involvement in the Neighborhood Watch Seven Step Program, conduct quarterly Block Captain Meetings, and continue to submit monthly crime prevention articles to the Cascade Newspaper.
- Conduct monthly Business Watch meetings in the business community sectors.
- Maintain the Monterey Park Citizen’s Patrol membership to provide services to address the needs of the community and the Police Department.
- Maintain the Police Explorer Scouts membership to meet the needs of the Explorer Scouts, Community, and the Police Department.
- Provide members of the community and local schools with tours of the Police Department and City Hall Facility.
- Offer the Citizens’ Academy to the Community on an annual basis.

PROGRAM MEASUREMENTS

	<u>Actual 2014-15</u>	<u>Estimated 2015-16</u>	<u>Projected 2016-17</u>
Tour of City Facilities: (Number of persons)	618	770	800

Police Chaplin Hours Volunteered:	254	380	395

2016-2017 GOALS AND OBJECTIVES

1. Personnel will present quarterly “Active Shooter” training to local businesses in the City. The program will provide business owners and their employee’s information on what to do should they ever be faced with such an incident.
2. Coordinate with the Public Works Department in identifying and replacing any Neighborhood Watch signs which are worn out or in disrepair. This will enhance crime prevention efforts, draw attention to the Neighborhood Watch program, as well as help to beautify the City.

2015-2016 MAJOR ACCOMPLISHMENTS

1. Held its 16th Annual Youth Activities Golf Tournament. With the sponsorship from numerous local businesses and community members, and the participation of over 100 golfers, the tournament raised over \$16,000.
2. Developed a training manual for new Police Explorers. The training manual will be a guide for the new Police Explorer brought into the program to help ensure their success.
3. Hosted two “Coffee with a Cop” programs during the year. Coffee with a Cop is a Department of Justice sponsored program aimed at building Community Partnerships with city residents. The program provides a relaxed, non-structured time for the public and police officers to gather and create positive relationships.
4. Researched the feasibility of having the false alarm billing done by a third-party vendor. By having the billing done by an outside vendor will allow Bureau personnel more time to focus on the community based programs that are managed out of the bureau. An RFP was completed and final vendor selection is being done to implement this program.

PRIMARY PROGRAM EXPEDITURE EXPLANATIONS

1. Operating Supplies category (#22000) \$6,040 consists of annual uniform allowance, office supplies and other operating supplies.
2. Motor Pool Charges category (#33000) \$45,899 primarily consists of city allocated motor pool charges but also includes travel expenses.
3. Miscellaneous category (#39000) \$8,000 consists of printing, dues/memberships, books, and crime prevention program.

Program Description

The Fire Department is entrusted with the responsibility of providing this community, its citizens and guests, with the highest level of standard care and emergency response in support of our organizational mission, the preservation of life, property, and the environment. Typical of most other Southern California cities, Monterey Park is subjected to naturally occurring events, such as earthquakes, brush fires, flooding, and mud slides. The City is charged with the task of managing numerous human-caused hazards as well, including building fires, environmental hazardous conditions, multi-casualty medical events and numerous other catastrophic occurrences. Three of the most heavily traveled interstates and state highways border this city. This proximity results in numerous transportation accidents, which require specialized mitigation equipment, the treatment and transportation of injured patients to the community hospitals, and the probability of a transportation vehicle incident with a resulting release of hazardous materials. These and other complex incidents remain a major concern to the Fire Department and the community.

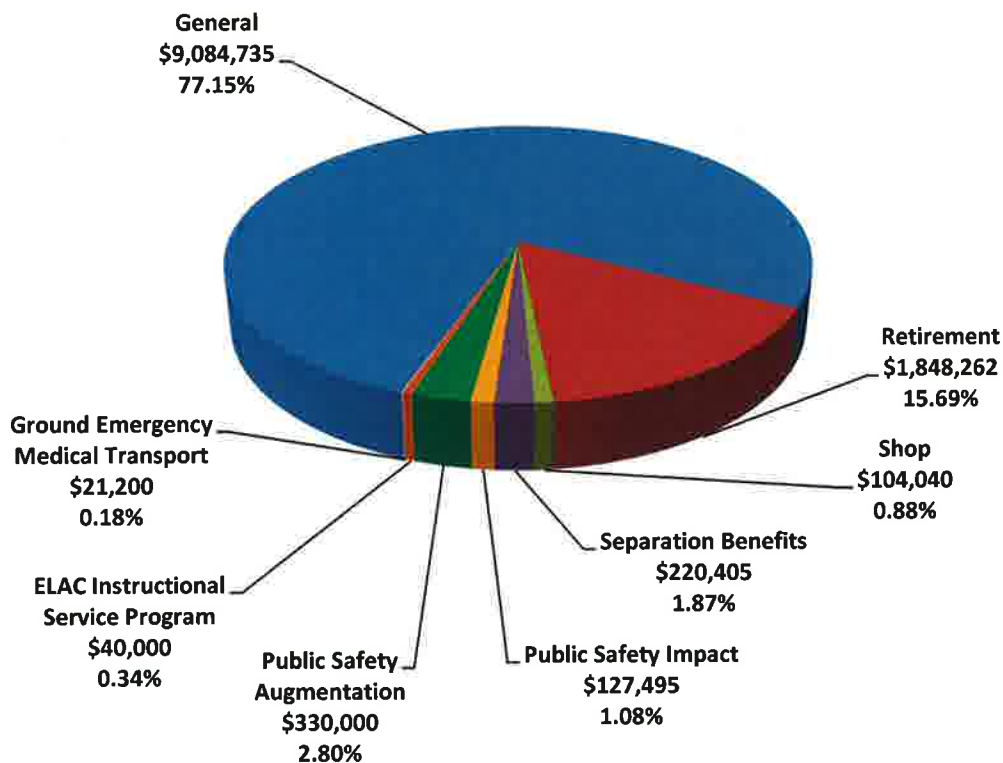

The Department is organized into four divisions: Administration, Emergency Operations, Emergency Medical Services, and Community Risk Reduction and Fire Prevention. The Fire

Chief is the administrative manager of the Department with the Emergency Operation Division being divided into three platoons, and each managed by a Battalion Chief.

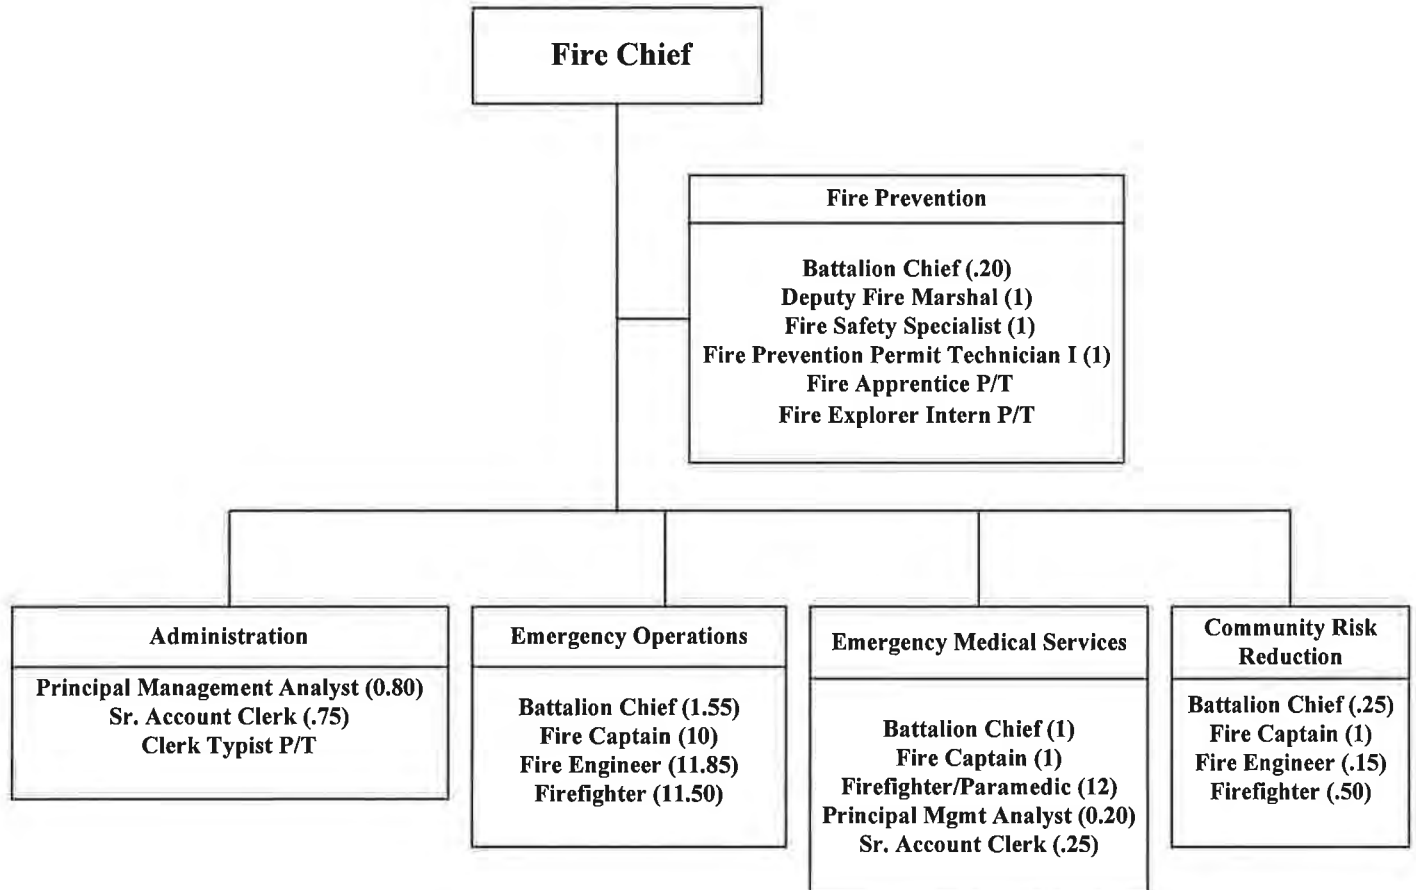

The Operation Division is primarily responsible for emergency response, training, fleet and facilities maintenance. The Emergency Medical Services is managed by a Battalion Chief and is responsible for operating life support ambulances and overseeing our paramedic program. The Community Risk Reduction and Fire Prevention Divisions are responsible for the development and operation of the Monterey Park Emergency Operations Center, disaster preparedness; identifying community risks, arson investigations, life safety code enforcement, and community education. The men and women of the Fire Department take great pride in providing service to the community with character, commitment, and competency.

Personnel changes from last year: The Department adds two Part-Time Clerk Typist positions in Fire Administration and one Part-Time Fire Explorer in Fire Prevention to help out with additional tasks.

Program Description

The Administration consists of the Fire Chief and his/her Administrative Staff. The Fire Chief, under the direction of the City Manager and the City Council, is responsible for long-range planning, budgeting and personnel development. The Fire Chief is also tasked with setting and meeting specific goals and objectives relative to maintaining and improving levels of services to the community. The Fire Chief maintains consistent levels of performance and productivity by continuous evaluation and review of the progress made towards the stated objectives.

The Fire Chief achieves these standards by employing a variety of modern management techniques and leadership. The Fire Chief recruits, selects, and provides continuous development to ensure a high level of competence and integrity in his/her staff. The service objectives of the Fire Department are currently achieved by maintaining three strategically located fire stations and one Emergency Operations Center within the community. Residents benefit from prompt response of emergency service units.

The Fire Chief and his/her administrative staff seek to develop and implement new programs and innovations to maintain the highest level of service to the community at the most reasonable cost. This occurs through active participation in area automatic and mutual aid agreements that augment emergency resources available for single and multiple alarms in response to emergencies within the City. This is also accomplished through programs that add service through the use of volunteers and through improved life-safety programs that include the citizens we serve.

Fire Department Accreditation Objectives

A primary objective taking place in the next several years is the pursuit of Fire Department Accreditation by the Commission on Fire Accreditation International (“CFAI”). Fire Department Accreditation is fairly new and it is a process by which fire departments can identify and make improvements to performance and operations. It will help justify annual expenditures using statistical data, helps implement long-term strategic planning, apply new technologies to reduce response times or processes, and fully aligns all aspects of the organization with national standards and best practices.

2016-2017 objectives relating to the commencement of Accreditation:

- a. Send a minimum of two employees to the introductory Accreditation course, “Quality Improvement through Accreditation” sponsored by the Center for Public Safety Excellence. This course is to help agencies prepare for accreditation, obtain the latest self assessment manuals, community risk/standards of cover manual, and gain assistance from peer team leaders.

2016-2017 GOALS AND OBJECTIVES

1. Improve Organizational Effectiveness and Efficiency: Develop and implement the use of analytical performance reports and validation mechanisms for Emergency Operations and Emergency Medical Service Divisions.
2. Attract and Retain Quality Employees: Determine the feasibility of implementing the Fire Explorer Intern Program on a permanent basis to provide work and life skills mentorship in Fire Prevention, Emergency Operations, and Fire Administration.

3. Improve Organizational Effectiveness and Efficiency: Restructure and centralize administrative functions of Fire Prevention and Fire Administration while implementing cross-training of tasks to ensure continuity of service, enhanced service efficiency, and preparation for succession planning.
4. Improve Organizational Effectiveness and Efficiency: In concert with the Management Services Department, develop an Information Technology (“IT”) working group to oversee Fire Department software and technological programs to leverage and promote the most effective and cost efficient uses of programs.

2015-2016 MAJOR ACCOMPLISHMENTS

1. Improve Organizational Effectiveness and Efficiency Implemented a new performance reporting mechanism called “Objectives and Key Results,” otherwise known as “OKRs.” OKRs, as stretch goals, are developed by the Chief and command staff for use with personnel to provide guidance on expected outcomes or operational objectives and performance.
2. Attract and Retain Quality Employees: Launched a pilot program for Fire Explorers to gain a more in-depth view of a career as a firefighter and basic work experience. Five Explorers were hired and given Taskbooks to complete for consideration of sponsorship to Fire Academy.
3. Attract and Retain Quality Employees: In continuance of the Department’s Strategic goal for succession planning, provided training opportunities such as the Fire Engineer Academy and Engineer recruitment, development of the monthly training curricula, Firefighter Reserve, Explorer, and Explorer Intern Taskbooks, and program coordinator assignments.
4. Improve Organizational Effectiveness and Efficiency: Objectives relating to the commencement of the Accreditation process, sent four employees for training in customer service and performance measurement training. In addition, began self-assessments and evaluations in Emergency Operations, EMS, and Administration.

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. Operating Supplies category (#22000) \$22,550 is a reduction in the Federal Ground Emergency Medical Transport Program Reimbursement Program.
2. Miscellaneous category (#39000) \$41,600 is primarily education and training programs.

Program Description

The Fire Prevention Division promotes life-saving and property protection through inspections, investigations, engineering efforts, inspection of construction projects, and community relations. The Division conducts inspections mandated by the California Health and Safety Code to facilitate compliance of State and local standards for new and existing buildings and facilities. The efforts of this Division are divided into two major programs, Fire Safety and Environmental Safety. The Fire Safety Programs mitigate hazards associated with life or property loss and include reviewing architectural and fire protection plans for fire safety and related technical issues, issuing fire permits, and conducting inspections and investigations. Environmental Safety Programs mitigate hazards that may endanger or damage the environment and includes responsibilities related to hazardous materials and industrial waste.

This Division is also responsible for recovering costs for inspection services, plan reviews, and fire permits required by the California Fire Code or other regulations and investigations.

Performance Measurements:

Fiscal Year 2016-2017:

1. Reduce Re-inspections from 55% to 45% of total inspection numbers.
2. Permit and Plan Check Processing Turn-around time to be completed in less than seven (7) working days with 90% efficiency.

Fiscal Year 2015-2016:

1. Staff achieved 90% efficiency in the processing of Permit and Plan Checks, accomplishing a turn-around time of less than 10 working days.
2. Staff achieved 100% efficiency to follow up repeat false alarms within five (5) working days of the alarm incident.

2016-2017 GOALS AND OBJECTIVES

1. *Improve Organizational Effectiveness and Efficiency:* As required by State mandate, adopt the 2016 California Codes of Regulations, Title 24, to include the California Fire Code with local amendments. In addition, research the feasibility of amending the Monterey Park Municipal Code to include complete sprinkler installation for new commercial establishments.
2. *Improve Organizational Effectiveness and Efficiency:* To increase the knowledge, uses, and efficiency of the ACCELA permit system, coordinate on-site training for all Fire Prevention and Administrative personnel.
3. *Improve Organizational Effectiveness and Efficiency:* Research the feasibility of expanding the apartment inspection program to include townhomes and condominiums to ensure life safety of the residents and property owners.

2015-2016 MAJOR ACCOMPLISHMENTS

1. *Improve Organizational Effectiveness and Efficiency:* Two different customer service documents were developed and translated to increase awareness and facilitate expediency and efficiency: A) Information on State and local requirements, permits, and fees for development projects; and B) The City's Residential Apartment Inspection program.
2. *Improve Organizational Effectiveness and Efficiency:* Transitioned staff to the new citywide permit system, ACCELA software, to streamline the permitting process, record-keeping, and improve efficiency.

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. Salaries and benefits categories (#11300 and #12370) reflect an increase of \$13,849 due to the addition of a part-time Fire Explorer Intern.
2. Small Tools category (#24000) \$6,000 decrease due to the completion of the ACCELA update.

Program Description

The Emergency Operations Division is charged with the responsibility of providing fast and efficient emergency response to fires, hazardous conditions, rescues, illnesses, or any other conditions where the health, safety and welfare of the public is in jeopardy. One measurement of the capabilities of the operations division, typically, has been the grade assigned to the City by the Insurance Service Organization (I.S.O.). The grading schedule also considers the water system, communications, staffing, training, and facilities. This grading is used by the insurance industry to determine fire insurance rates for homeowners and businesses within the community. On a one to ten scale, with one being the most desirable, the City of Monterey Park enjoys a rating of three.

Command and control of Emergency Operations is provided on a daily basis by three shift Battalion Chiefs on a platoon schedule. In addition to daily emergency operations, each Battalion Chief performs several different staff assignments. These duties include: Emergency Medical Coordinator, Personnel Administration, Training, Disaster Preparedness Coordinator, Safety Officer and Fleet Maintenance.

The Emergency Operations Division strives to achieve the highest quality of dependable, economical services possible. This is accomplished through the use of clearly established standard operational guidelines and by employing and developing the most highly motivated and skilled personnel.

Specific Service Objectives are:

- Mitigate and, wherever possible, eliminate the loss of life and/or property. To protect the environment from fires and other human-caused or natural disasters.
- Effectively manage disaster situations resulting from natural, human-caused, and civil actions; and minimize loss of life, property, and environmental damage through Emergency Disaster Preparedness and training.
- Develop and implement long-range fire planning objectives for future fire suppression needs.
- Provide for the initial determination of causation and origin of all fires occurring within the jurisdiction.
- Make effective use of all methods and means available to educate and advertise the services and programs offered to the community.
- Provide training and career development opportunities using accepted models with an emphasis on long-range organizational goals.

Performance Measurements:

1. Apply a minimum of 20% of the annual training schedule to regional, coordinated multi-agency drills to ensure a coordinated approach, methodologies, and use of equipment for regional emergency response.

2016-2017 GOALS AND OBJECTIVES

1. **Improve Organizational Effectiveness and Efficiency:** To improve and maintain optimal inter-agency efficiency, the training division will integrate the Los Angeles Area Training Group (RTG) curriculum into the department’s training program.
2. **Improve Organizational Effectiveness and Efficiency:** Evaluate, adapt, and implement the “Transitional Fire Attack” model. This is a science-based approach to attacking modern fire situations to implement a more efficient and coordinated method of firefighting to enhance life safety and property conservation without increasing the hazards associated to fire personnel.

2015-2016 MAJOR ACCOMPLISHMENTS

1. *Improve Organizational Effectiveness and Efficiency:* Staff completed purchase of a performance indicator matrix to measure, track, and trend effectiveness in emergency service to ensure operational readiness. A total of seven employees have been trained on the system.
2. *Achieve Financial Stability:* The Fire Department purchased and implemented an automated inventory and management system that includes inventory bar-coding, scanning, asset management, and maintenance schedules.
3. *Improve Organizational Effectiveness and Efficiency:* In January, shift personnel were realigned in accordance with operational needs, succession planning, and improved program development. A key area addressed was the merger of operations and training so that staff could determine policy, equipment type and training curriculum together and more collaboratively.

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. Operating Supplies category (#22000) \$29,990 increase due to anticipated new hires and turn-out gear cost increase.
2. Communications category (#32000) 75% of the Verdugo Fire dispatching service costs is re-allocated to Activity 3220 - Emergency Medical Services to be in line with the usage pattern. This Activity retains 25% of the Verdugo costs.
3. R/M Contractual category (#38000) \$158,702 primarily for apparatus repairs and emergency response equipment (i.e. ladders, portable and mobile radios, breathing apparatus), and station exhaust system.

Program Description

The Emergency Medical Services Division is charged with the responsibility of providing fast and efficient emergency medical care for our community. This division provides a fee-for-service and/or subscription Paramedic ambulance transport service using cross-trained, dual-role, Firefighter/Paramedics. The program operates two fully equipped advanced life support Paramedic ambulances and two Paramedic Assessment Engine Companies.

Specific Service Objectives are:

- Maintain advance life support (ALS) service in a timely manner to all areas of the community using state-of-the-art equipment and personnel trained in the most modern emergency medical techniques.
- Maintain the highest level of emergency medical services to the community using training, education, and re-evaluation of these skills through our UCLA contracted Quality Improvement Program.

PROGRAM MEASUREMENTS

Fiscal Year 2014 - 2015 - Actual

Number of Transports:	2,295
Number of Patient Assessments (aid on-scene, non-transport):	682
Number Paramedic Subscription Members using service:	81

Data Source: Wittman Enterprises

Performance Measurement:

The following areas have been identified as new performance measures to be implemented and monitored during the upcoming year. Emergency Medical Service personnel are to achieve 90% compliance or higher:

Fiscal Year 2016-2017:

1. Document cardiac arrest patient Citizen CPR prior to EMS arrival
2. Vital sign documentation after pain management
3. Documentation of numerical pain assessment with trauma complaint
4. Documentation of stroke patients and emergency room destination

Fiscal Year 2015-2016

- | | |
|-------------------------------------|-----|
| 1. Overall Documentation Compliance | 97% |
| 2. Vital Sign Compliance | 99% |
| 3. Patient Assessment Compliance | 96% |
| 4. 12-Lead EKG Compliance | 92% |

Required EMS Training Hours (per person per year):

- | | |
|---------------------------------|----|
| a. Paramedic | 24 |
| b. Emergency Medical Technician | 16 |

2016-2017 GOALS AND OBJECTIVES

1. Improve Organizational Effectiveness and Efficiency: Enhance the Community CPR Hands Only CPR and AED Training Program for residents and employers in Monterey Park. In addition, begin tracking and reporting citizen applied CPR prior to Fire Department Paramedic arrival on cardiac arrests patients.
2. Improve Organizational Effectiveness and Efficiency: As the demand for emergency medical services increases in the City, combined with the uncontrolled CPI adjustments on the cost of medical supplies and pharmaceuticals, staff is to research the development of an inventory and supply management system to improve efficiencies in cost management, inventory supplies, and emergency response.

2015-2016 MAJOR ACCOMPLISHMENTS

1. *Improve Organizational Effectiveness and Efficiency:* Implemented a Quality Improvement (QI) Program to evaluate, track, and trend employee performance during EMS delivery. Data generated is being used to develop training curriculum and improve service delivery.
2. *Improve Organizational Effectiveness and Efficiency:* An analysis was conducted using the Department's new reporting system. It showed that the analysis was difficult to process and demonstrated a flaw in the reporting software at the County level. The top five trending calls were ambiguous based on the general allowances associated with Los Angeles County reporting protocol. These calls were: Other, General Weakness, Behavioral, Chest Pain, and Trauma.

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. Small Tools category (#24000) \$46,250 is primarily non-restockable medical tools and supplies used on emergency medical calls.
2. Contracted Services category (#31000) \$96,922 is primarily billing and collection services.
3. Communications category (#32000) is primarily for Verdugo Fire dispatching service costs. 75% of the Verdugo budget is in this Activity and 25% is in Emergency Operations.
4. Miscellaneous category (#39000) \$48,034 is primarily paramedic and EMT continuing education and training.

Program Description

The Community Risk Reduction Division of the Fire Department has several key responsibilities that fall under two categories. The first is the development and operation of the Monterey Park Emergency Operations Center. This includes maintaining the readiness of the EOC as well as training City personnel to assume their roles during planned and unplanned events and disasters. The second category of this Division is Emergency Preparedness Services, which is the public interface for disaster planning and response. It also includes the CERT Program and community education events and services.

Through this Division, the City is provided a comprehensive Emergency Preparedness program that includes an Emergency Operations Plan and Local Hazards Mitigation Plan, both of which are reviewed and approved by Cal EMA and FEMA.

The following are the specific service objectives:

EOC Development and Operations:

- Develop hardware and program elements using “best practices” whenever practical to ensure that the City of Monterey Park is ready and able to respond to all hazards natural and man-made.
- Coordinate with all City departments to produce a cohesive emergency response framework.
- Follow the National Response Framework and comply with the requirements of the National Incident Management System.
- Prepare for, and participate, in planned events that require a unified command for efficiency and success.
- Highest level of readiness, exploit all resources made available to the City to further City readiness, training of City personnel to function before, during, and after a disaster.

Emergency Preparedness Services:

- Maintain the CERT Program, lines of communication with CERT members, exchange of information, etc.
- Conduct classes for new CERT members to increase community preparedness and the City’s volunteer corps.
- Work with community groups interested in emergency preparedness, trailer presentations, Neighborhood Watch, business watch, and local organizations.

Community Risk Reduction:

- Develop partnerships with the community to implement programs, initiatives, and services that prevent and/or mitigate the risk of human caused or natural disasters

Fire Prevention & Arson

- Combine resources with Community Risk Reduction and Fire Prevention to identify existing and potential hazards in the community for the implementation of an efficient prevention, risk reduction and mitigation of those hazards.

PROGRAM MEASUREMENTS:

DISASTER PREPAREDNESS:

	<u>Actual</u> <u>2014-2015</u>	<u>Estimated</u> <u>2015-2016</u>	<u>Projected</u> <u>2016-2017</u>
Community Emergency Response Team "CERT"	40	40	40
Disaster Service Worker Training	40	45	45
Community Risk Locations identified and pre-planned	0	12	12

2016-2017 GOALS AND OBJECTIVES

1. *Improve Organizational Effectiveness and Efficiency* - Develop a new Emergency Operations Center user guide. This guide will utilize a multimedia approach to making the EOC a more user friendly facility.
2. *Improve Organizational Effectiveness and Efficiency* - Conduct additional Disaster Service Worker training for city employees. A target of 10% of the permanent staff is the goal for the coming year.
3. *Improve Organizational Effectiveness and Efficiency* - Develop a bilingual CERT program. This goal appeared in the 15-16 budget but required considerable investment by the City to produce educational materials. Reaching the Chinese and Spanish-speaking community for disaster preparedness remains an important goal.

2015-2016 MAJOR ACCOMPLISHMENTS

1. *Improve Organizational Effectiveness and Efficiency* - Started the update to the Local Hazard Mitigation Plan. Reviewed the plan with all concerned departments and met with departments individually to review department specific responsibilities. This project is ongoing.
2. *Improve Organizational Effectiveness and Efficiency* - CERT program - An additional two CERT classes have been conducted adding another 40 members to the program.
3. *Improve Organizational Effectiveness and Efficiency* - Training was held for 45 additional city employees to initiate them as Disaster Service Workers. This number represents approximately 15% of the full time staff exceeding the goal of 10%.

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. Communications category (#32000) Fiscal Year 2015-2016 year-end estimate incurred a credit of more than \$20,000 resulting in no bills this fiscal year. Standard billing for services to resume by the end of this fiscal year
2. Miscellaneous category (#39000) primarily for training and education.

Program Description

The mission of the Monterey Park Bruggemeyer Library is to meet the cultural, educational and informational needs of the residents of the City of Monterey Park by providing free and open access to its resources and services. The library operates under the provisions of Chapter 2.80 of the Monterey Park Municipal Code.

The library serves the residents, city employees and business community of the City of Monterey Park by maintaining a diversified collection of books including electronic and non-print materials and public access computers; encouraging and promoting independent lifelong learning; providing reference assistance to answer personal, business and job-related inquiries; providing opportunities for knowledge, information and entertainment here and access to materials and services in other libraries; and preserving Monterey Park's heritage by collecting local information and materials of historical significance.

The library has a collection of approximately 159,685 volumes of books, 6,588 government publications, 4,767 audio items, 1,333 videocassettes, 5,459 DVDs, 4,426 maps, 422 pamphlets and 106 magazine and newspaper subscriptions.

Special activities and strengths of the library include an international collection of 33,070 non-English language items with an emphasis on Asian materials housed in the International Room, a Computer Lab with 16 public computers available for classroom instruction and training and a literacy program (LAMP) which offers English as a Second Language and several citizenship classes.

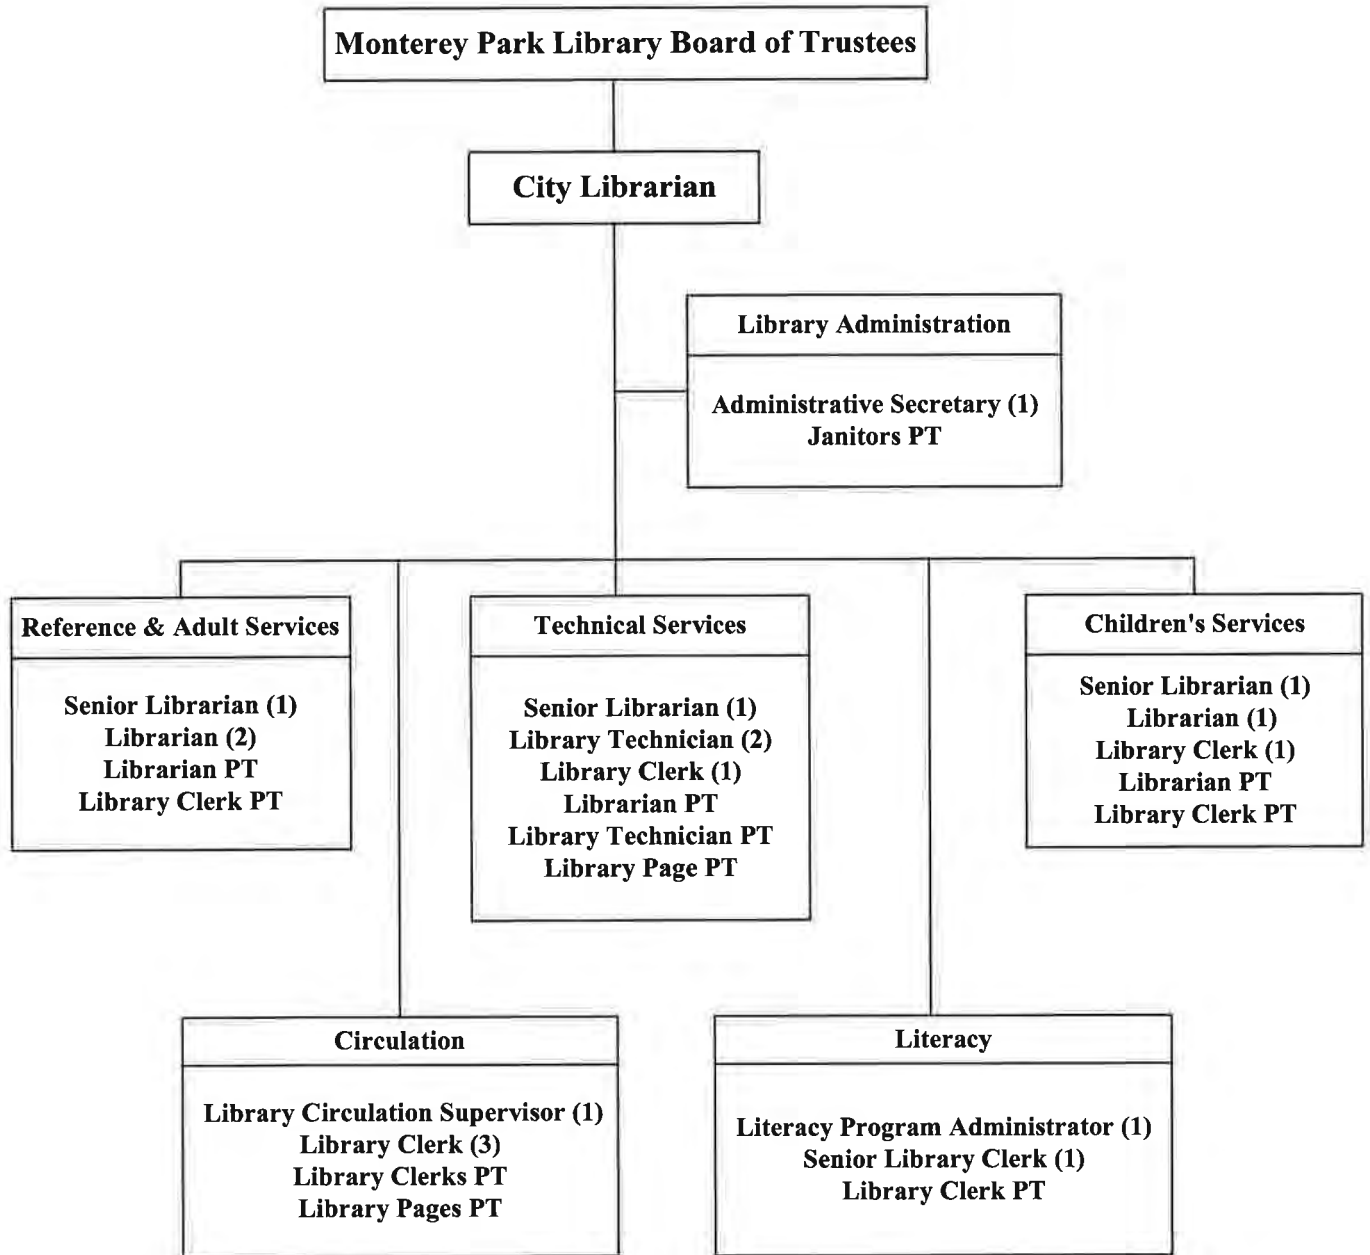

Measure C sunsets in April 2018. Current tax allocations from commercial and residential properties support daily library operations and enable the library to be open seven days a week, support salaries of part-time staff, enhance collection development and cover the Library expansion financing debt service.

Personnel changes from last year include: Shifting part-time hours among various activities to be in line with the service needs of the Library.

Program Description

The administrative staff is responsible for the overall leadership, management, coordination and marketing of the Monterey Park Bruggemeyer Library. Specific service objectives are:

- Assist the Library Board of Trustees to develop policies that reflect sound administrative management and provide free and open access to library services for all.
- Coordinate with outside non-profit organizations, such as the Friends of the Monterey Park Library and Monterey Park Library Foundation, as well as other community agencies and organizations, which support and enrich library programs through library fundraisings.
- Supplement library budget appropriations through entrepreneurial activities and the development of gifts and other alternative sources of funding to finance non-traditional services and programs.

- Analyze library collections and usage as well as changes in community needs for information services and develop and implement plans which best fulfill the identified needs.
- Network and share resources with other state and local libraries, actively participate as a member of the Southern California Library Cooperative (SCLC).

2016-2017 GOALS AND OBJECTIVES

1. Enhance the library interior by painting heavy traffic areas such as the entrance lobby and Circulation areas and refinishing the public counters in Reference, Children's and Circulation.
2. Increase technology convenience for patrons in classes and training sessions by adding mounted projectors to the Friends Room and the Computer Lab.
3. Initiate first phase of creating a virtual library with online programs, presentations and classes.

2015-2016 MAJOR ACCOMPLISHMENTS

1. Completed the installation of exterior lighting to illuminate the exterior façade of the building for evenings when the library is open to the public or after hours for safety and security needs. *The Outpost of Wonder* mural is also now lit to highlight its three-dimensional aspects. Lighting was also added to illuminate newly added U.S. and State flags now being flown outside the library.
2. Finalized a Strategic and Technology Plan that included fundraising aspects. The Library Foundation held several fundraising events generating revenue to supplement and support the library operational needs and received a \$20,000 donation from the Scudder Foundation. The revamped Friends of the Library Bookstore continued to perform successfully, increasing revenue in 2015 by almost 23% over 2014.

3. Installed ten additional public computers for use by residents and patrons for their educational and entertainment needs, bringing the total of public computers to 62.

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. Contracted Services category (#31000) includes cost to the library for its share of the City's data processing/payroll system (\$9,926) and contractual employees and consultants (\$1,718).
2. Motor Pool Charges category (#33000) includes an increase to Mileage and Parking (\$1,500) for more community outreach efforts and the addition of Training and Conferences (\$1,368) for professional presentations and conference fees.
3. R/M Contractual category (#38000) (\$16,517) includes building and maintenance costs for air conditioning and heating system, elevator, alarm and fire alarm systems.
4. Miscellaneous category (#39000) includes printing (\$500) and dues/memberships (\$3,500).
5. Debt Service category (#42000) includes \$383,197 for debt service payment for the library loan. This is the twelfth year payment on a 13-year library financing program. The final payoff year is 2018, which is the final year for the Library Measure C, if it's not renewed.

Program Description

This activity assists users (adults and teens) in finding information through the library collection, online and through other research resources. This activity is responsible for organizing, selecting and maintaining the adult and young adult (YA) book collections, media, International book collection, Reference collection and Special Collection materials in a system that is easy for the public to access. Plans and facilitates exhibits and educational and cultural programs for adults and teens on a monthly basis throughout the year. Specific service objectives are:

- Assist at Reference Desk by answering in-person, telephone, E-mail and Internet requests for information and provide Reader's Advisory to adults and teens seeking information about authors and books.
- Show and train community members on how to locate materials and information using the Online Public Access Catalog (OPAC), electronic databases and the Internet.

- Assist adults and teens with computer help at the library with resumes, job searches, school reports, printing and other computer/online needs.
- Conduct computer classes in four languages (English, Spanish, Mandarin and Cantonese) for adults to learn modern skills and gain confidence using computers at the library, in their homes and in the workplace.
- Schedule cultural and educational programs that include Artists of the Month programs, history programs, author talks and cultural programs for diverse community audiences.
- Work in partnership with schools and community organizations to meet the educational, informational and recreational needs of the community.

Program Description

The Check-out Desk of Circulation Services serves as the point of contact in the library for the majority of patrons, and as such its staff represents the library to the public. This activity is responsible for the operation of the library's loan and rental for all circulating print and nonprint materials to eligible cardholders.

Specific activities include:

- Interpret library circulation policies established by the Library Board.
- Maintain an up-to-date online patron file and ensure privacy of records and information from unauthorized inquiries.
- Check-in and check-out all circulating library materials; maintain book and nonprint collections by shelving returned materials in a timely manner and conducting an ongoing shelf reading program to ensure materials are in proper order and available to the community.

- Prepare and send notices to cardholders for overdue, lost or damaged materials and holds; calculate and collect the resultant fines and fees; record and deposit money daily.

Program Description

The LAMP (Literacy for All of Monterey Park) Literacy Program is a library-based program that has served the residents of Monterey Park since 1984. LAMP recruits and trains volunteers to tutor adults in one-to-one or small group settings. Tutors help learners to reach their personal goals in one of LAMP's five program areas: Adult Literacy, English-as-a-Second Language Literacy, English Language Literacy Intensive (ELLI), U.S. Citizenship Preparation and Families for Literacy (FFL). Ongoing activities of the LAMP Program are:

- Recruit, train and match volunteer tutors with learners.
- Network with neighboring literacy programs, community agencies and local businesses to provide literacy activities in response to the community's needs.
- Select print and nonprint materials appropriate to the interest and needs of the program's participants.

PROGRAM MEASUREMENTS

	<u>Actual</u> <u>2014-15</u>	<u>Estimated</u> <u>2015-16</u>	<u>Projected</u> <u>2016-17</u>
Number of Students Participating	1,200	1,650	1,500
Number of Student Hours	28,588	29,000	29,000
Number of Tutors	77	120	100
Number of Tutor Volunteer Hours	4,141	4,300	4,300
Number of Tutors Trained	46	125	75

2016-2017 GOALS AND OBJECTIVES

1. Develop an effective 24/7 online course that offers Citizenship Preparation to the community's adult residents unable to attend onsite Citizenship classes.
2. Develop an alternative online tutor training course for interested parties to complete if they are unable to attend the scheduled trainings at the library.
3. Restructure the Reading Rockets program to focus on students with a determined need, working more closely with local elementary schools.

2015-2016 MAJOR ACCOMPLISHMENTS

1. Created and instituted a Distance Learning Program where students can learn at home on their own time through the use of an iPad loaned out by the Literacy Department.
2. Received designation as a Passport Acceptance Facility for the purpose of accepting applications for passports and administering oaths in connection with the U.S. Department of State.
3. Expanded the literacy collection to include job related curriculum that supports employment skills.

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. Office Supplies category (#21000) decrease is due to less reliance on grant funding sources for supplies needs but needs will be covered by a transfer from the literacy trust account.
2. Contracted Services category (#31000) includes contractual employees and consultants.
3. R.M Contractual category (#38000) (\$2,330) reflects a decrease for required purchases and repairs.

Program Description

This activity is responsible for the Children's Services of the library. This activity provides the full range of library services from infants through the sixth grade; assists children, teachers and parents in locating and using library materials in the Children's area; provides professional level expertise in the selection and management of the library's print, audiovisual and electronic collections in the Children's area; conducts storytimes, Summer Reading Program and other children's programs.

Specific service objectives are:

- Assist at the Children's Desk by answering in-person and telephone requests for information and advise the community in the use of materials and services through individual instruction.
- Instruct the community on locating materials and information via the Online Public Access Catalog (OPAC), electronic databases and the Internet.

- Conduct library tours and provide instruction in the use of library materials and services for school classes, community organizations and other interested groups.
- Select print and audiovisual materials for children in the languages used in the community in order to meet the identified educational, informational and recreational needs of the residents.
- Review on an annual basis the demographic characteristics of the City of Monterey Park in order to keep the children’s collections responsive to the community.
- Target the informational and educational needs of the community and work with community and governmental groups and respond with appropriate library services and materials.
- Encourage reading and promote the pleasure of reading by conducting storytimes for preschool through third grade students.
- Encourage reading and improve literacy by conducting a Summer Reading Program for preschool through sixth grade students.
- Schedule cultural and educational programs for children that reflect the needs and desires of Monterey Park residents.
- Provide homework assistance services via library volunteers on weekdays during the school year for students up to sixth grade.

Program Description

The Recreation and Community Services Department is responsible for the development, implementation, coordination, and delivery of a variety of recreational and leisure time activities and programs to promote the well-being and enjoyment of life of the City's residents through the fulfillment of their recreation, cultural, social and educational needs.

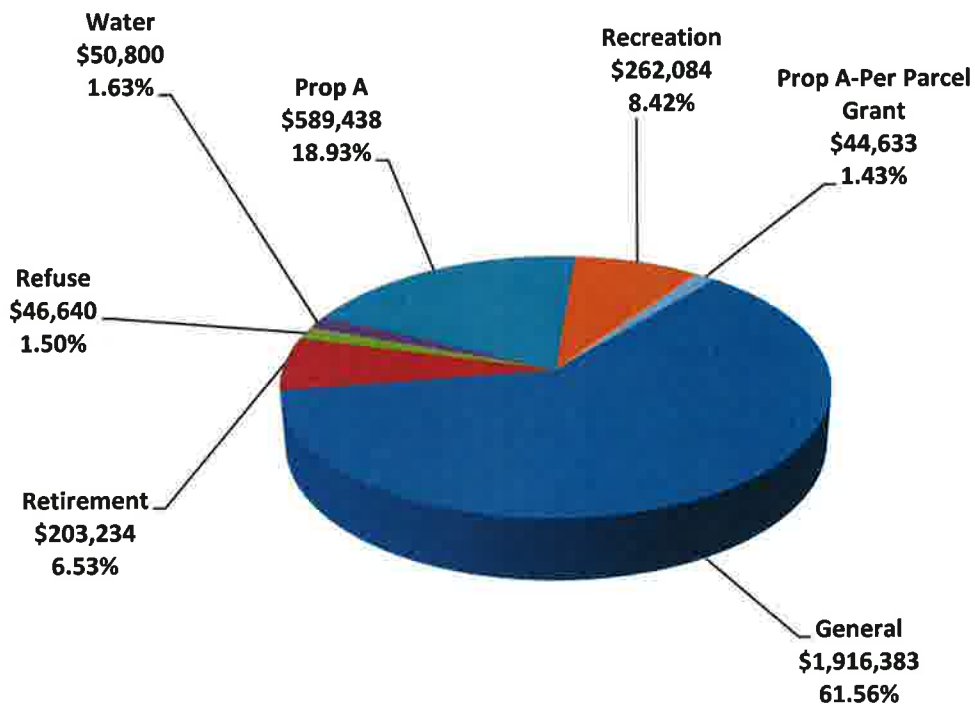

In addition to traditional programs, the Recreation and Community Services Department operates Community Dial-A-Ride, volunteer program, video/public access television and state licensed Child Care programs; oversees the publication of the CASCADES newspaper; and schedules facility and Picnic Reservations. The department is also liaison to four City Commissions: Recreation and Parks Commission, Commission on Aging, Sister Cities Commission, and Community Participation Commission.

In addition to expending general funds, the Recreation and Community Services Department operates many of their programs through alternative revenue sources. Specialized Recreation classes, Aquatics, and Adult Athletic Leagues are partially self-supported through the levy of fees and charges. The Dial-A-Ride Program is financed by Los Angeles County voter

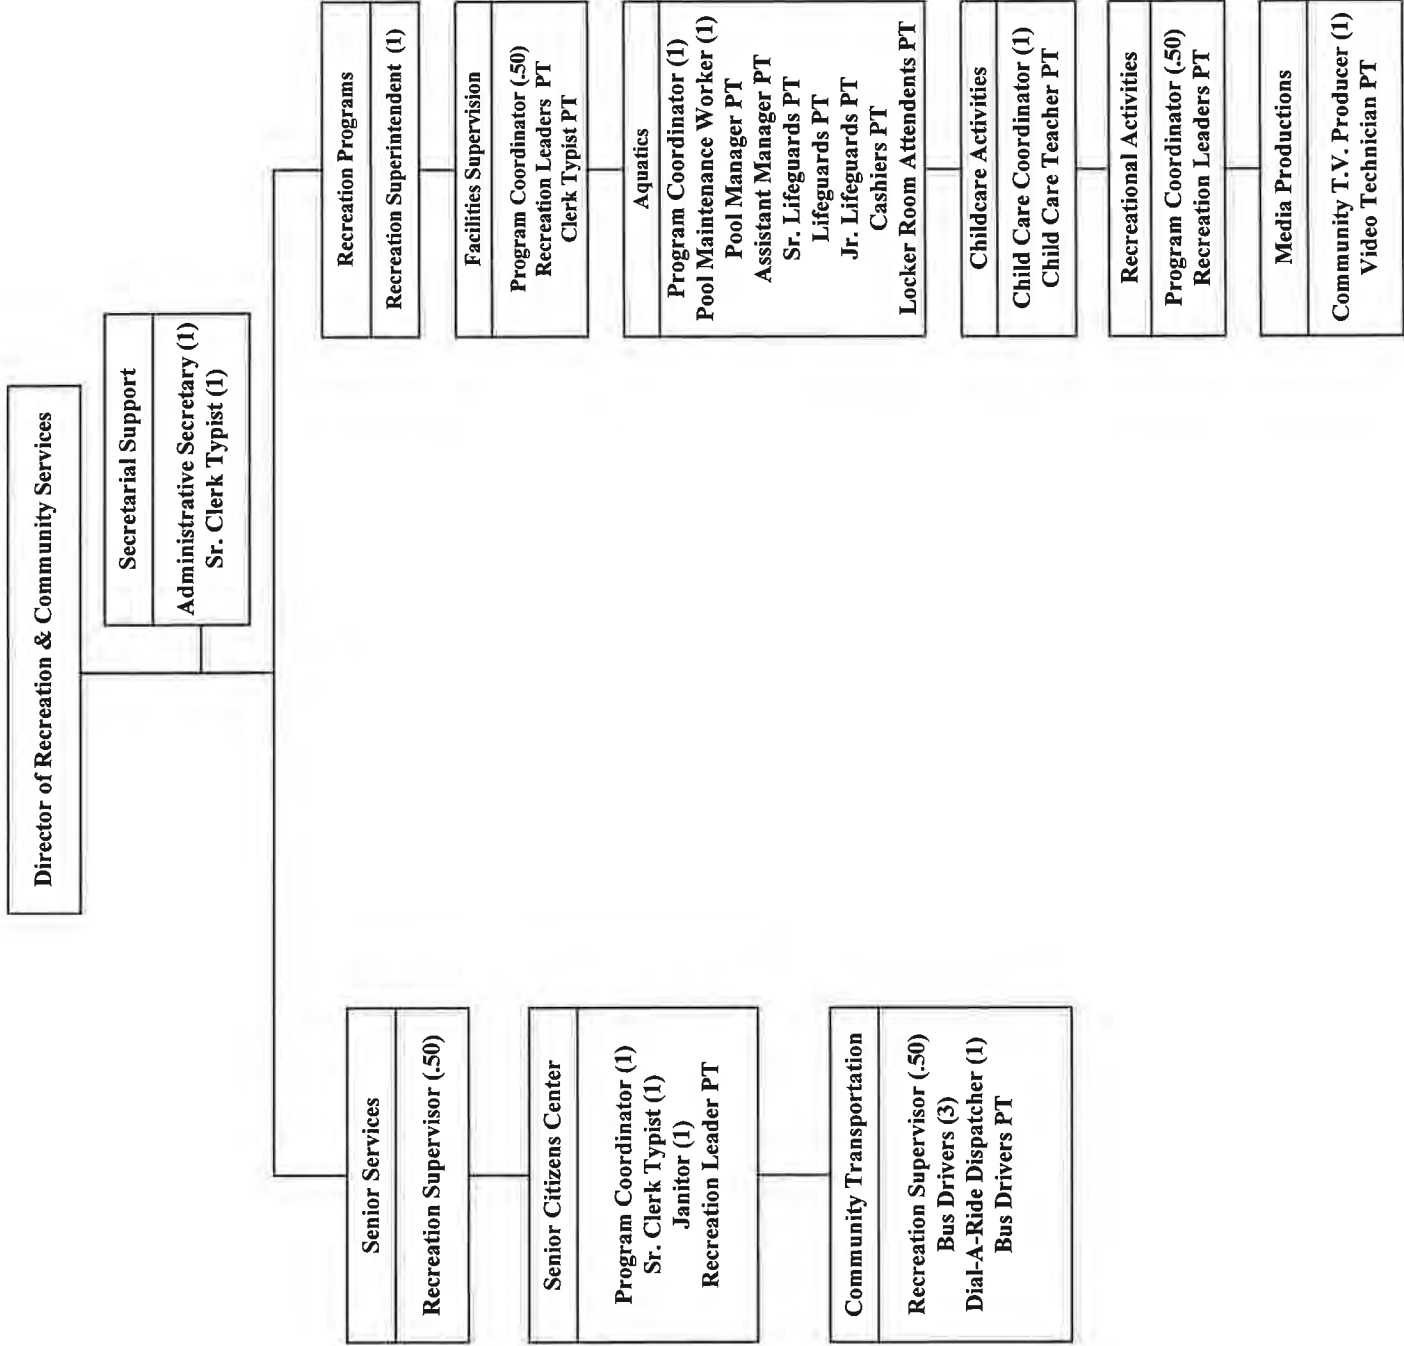

approved one-quarter percent sales tax revenue. Child Care receives funding from user fees. Programs and operations at Sierra Vista Park and the Barnes Park Memorial Bowl are partially funded by a Los Angeles County voter approved grant.

Personnel changes from last year: Increased Clerk Typist hours in Activity #6502 for Langley Services.

Program Description

This activity provides for the supervised operation, maintenance, programming and scheduling of the City's gymnasiums, meeting rooms, and buildings, ball fields and sports fields that are used by the public, civic organizations, youth and senior citizen groups, schools, and adult education classes. Specific service objectives are:

- Provide opportunities for community residents of all ages to learn, utilize, improve and enjoy new skills; and to experience social and cultural relationships through expanded programs, activities and events.
- Provide positive reinforcement and build self-esteem in the youth of our community through their participation in the programs and activities offered by the Recreation and Community Services Department.
- Provide for safe use of parks, facilities and playgrounds in the participation of activities, programs and events.

- Provide sufficient diversified facilities, conveniently accessible, so that residents of all ages may participate in various leisure, community and athletic activities, and so that the various local youth and/or adult serving groups can carry out their athletic, social and cultural programs.
- Provide facilities for non-profit groups, community based organizations and the public to utilize for parties, receptions, meetings, concerts, and athletic events.
- Continue to seek grants and other funds to upgrade City's parks and facilities.

Program Description

This activity supports the operation and maintenance of the 50-meter pool in Barnes Park and the 70' x 125' pool in Elder Park. The pools annually provide 770 hours of Swim Development and instruction and 500 hours of public swimming. Mark Keppel High School Water Polo and Swim Team, utilize the Barnes pool during the school year (1,600 hours), for their respective swim and competitive programs. The Barnes pool is open for year round lap swim (1,700 hours), and the Manta Ray Novice Youth swim team workouts, private party rentals and for use by elementary schools and local youth organizations for graduation parties, fun days and year-end awards programs.

Specific service targets are:

- Provide an Aquatics instructional program for all levels to ensure that all residents have an opportunity to learn to swim.
- Provide a variety of aquatic programs that include social, recreational, education, safety, fitness, and competitive activities for public enjoyment.

- Maintain water temperature of 78 to 80 degrees and provide optimum water and facility conditions to meet accepted health standards for the overall enjoyment of patrons.
- Provide highly trained and customer service friendly aquatics personnel to ensure safe and efficient operations, and for quality programming at the two swimming pools.

Program Description

This activity provides for the operation of Langley Center, the City's Senior Citizen Center. Langley Center provides activities for the local seniors, including specialized classes, trips and tours, health screening, tax services, and a range of other free services. Other activities include dances, lunch program, billiards, table tennis, computer classes, driver training, In Home Care Management, social clubs, flea market and special events.

Langley Center offers a comprehensive community-wide program that promotes good health, independence, recreation, education and social fulfillment for all older adults residing in Monterey Park.

Special service objectives are:

- Continue to provide needed services and programs for senior citizens at Langley Center.

- Provide free health screenings, including eye exams, diabetes and blood pressure checks and periodic stroke screenings and flu shots through the assistance of local volunteer doctors and nurses.
- Provide a variety of senior programs to include social, recreational, educational, and fitness activities for the seniors' enjoyment.
- Work with local senior citizen clubs and organizations to further cultural goodwill among the growing ethnic community.
- Provide hot lunches for seniors at Langley Center and home delivery for the disabled and infirm. The City currently works in conjunction with YWCA Intervale Senior Services of San Gabriel Valley to provide meals at Langley Center and home delivered meals for the home bound seniors.
- Provide a "heat emergency" relief center on days when the outside temperature is over 95 degrees, or when designated by Los Angeles County Area on Aging.

Program Description

There continues to be a shortage of quality affordable childcare in City of Monterey Park. According to 2010 Census, there are 8,851 children under the age of 14. This reflects 14.6% of the city's population. The Monterey Park Child Care Task Force was able to determine that there are only 1,600 licensed childcare spaces available in Monterey Park. This activity provides after-school recreational programs and care to 30 elementary age residents (K-8th grade) during the school year and up to 120 youth during the summer. This state licensed program provides accountability, safety and a high quality, low cost program to the participating families.

Specific service targets are:

- Provide an after-school childcare program for 30 children at Barnes Park Community Center. The program operates during the school year from 11:00 a.m. to 6:30 p.m., and 7:00 a.m. to 6:30 p.m. when schools are closed for vacation or staff development days.
- Provide a Tiny Tots program that gives children 3 to 5 years old an introduction to reading, social skills, math, science, and large & fine motor skills in a fun environment.

Program Description

This activity provides the public with special interest recreation and leisure time programs and activities. Programs include Specialized Recreation Activity Classes, Picnic Facility Rentals, U.S.D.A. Summer Youth Lunch Program, Sports Camps, Adult Athletic Leagues and Service Clubhouse operations. The programs represented in this activity category are self-sustaining (fees must equal costs) programs and requires either a registration or league fee, grant funds or sponsor donations to cover the cost.

Specific service objectives are:

- To offer a variety of specialized programs, adult athletic leagues, and special events to allow residents the opportunity to participate and identify with the community, to expand their skills and interests, and social, cultural and educational horizons.
- Provide recreational, educational, social and cultural classes and activities that are of interest to many of the City's residents.

- Continue to provide opportunities for individuals to initiate and/or maintain physical and mental fitness through a variety of sports, social and cultural activities.

Program Description

The Community Participation Division coordinates all Citywide Special Events. Traditional events conducted annually include, but are not limited to: Lunar New Year Celebration, Cherry Blossom Festival, Cinco de Mayo, Play Days, Geranium Festival, Holiday Snow Village and Fourth of July. Special functions include Council Reorganization Functions, Farmers' Market and Community Beautification Days. This Division functions as required by the nature of each particular event. The Recreation Superintendent acts as the administrator, liaison or aide to City Administration and Staff, Commissioners, Special Contractor and/or Community Organizations in the promotion, fund raising, planning, coordination and administration of community events and cultural activities; Program Coordinators assist with planning, logistics, and day of event implementation. In addition, this division organizes a special recognition program for the volunteers who supplement the City's work force.

Specific service objectives are:

- Assist with the recruitment and recognition of volunteers for special programs such as the park beautification days.
- Provide a meaningful experience and recognition for the volunteers who are active in our City's programs.

- Maintain overall success of the Special Event Programs through continuous coordination with the individuals and groups traditionally involved, as well as the ongoing recruitment of new members, businesses, clubs and organizations.
- Consult, communicate and coordinate with city departments, private contractors, vendors and businesses to enhance the activities, programs and support of the special events.

Program Description

The Public Works Department is responsible for providing and maintaining the City's infrastructure in a manner that ensures the health, safety and welfare of the City's residents and visitors. This includes the design, construction, repair and maintenance of public land, roadways, sidewalks, sewers, and storm drains; public buildings and structures; water production, storage and delivery facilities; the repair and maintenance of City vehicles and equipment; and transportation services. The Department is made up of five divisions: Public Works Maintenance Services, Engineering, Community Transportation, Water Utility, and Parks.

Public Works Maintenance Services Division:

The Public Works Maintenance Services Division is responsible for the maintenance and repair of Monterey Park's streets, alleys, sidewalks, curbs, and gutters. Maintenance activities include street striping, concrete patching, asphalt replacement, and traffic and street name sign replacement.

The Division also administers the City's contract for street sweeping, and maintains and repairs the City's storm drain and sanitary sewer system. The Division also oversees the City's storm water pollution prevention program to comply with Federal and State law

In order to facilitate the public and support other City operations, the Division repairs and maintains all City-owned buildings and structures, and repairs and performs scheduled preventive maintenance on City-owned vehicles and motorized equipment.

Engineering Division:

The Engineering Division is responsible for providing all engineering services to the City, including the design and construction of all public streets, sewers, storm drains, traffic signals, parks, recreational facilities, and public buildings that are authorized by the City Council. Additionally, the Division reviews and makes recommendations on development and zoning matters such as tracts, parcel maps, variances, conditional use permits, and building permits. The Division also issues grading permits, public works construction permits, encroachment permits, etc. Following the issuance of permits or contract awards, the Division is responsible for the inspection and satisfactory construction of all such authorized Public Works facilities.

Another function of the division is traffic engineering. All traffic issues, including signal timing, traffic related improvements, and citizen complaints are handled by the Division. The Division coordinates retrofits to City facilities necessary under the "Americans With Disabilities Act" and also administers the City's contract for refuse collection.

Community Transportation Division:

The Community Transportation Division is responsible for providing the local, fixed route bus system, coordinating regional transit service, recreation for youth, senior citizens and residents, and Employee Transportation Program for City employees. The transportation division supports programs to improve mobility for work, school, medical, shopping, recreation, culture, social interaction and other needs in order to enhance the quality of life for the community.

Water Utility Division:

The Water Utility Division is responsible for supplying water to 95% of Monterey Park's residents. Private water companies service the remaining portions of the City, which include the southwesterly corner, a small neighborhood in the southeasterly corner, and a few properties on North New Avenue.

The City's water system is composed of 12 deep wells in the vicinity of the Rio Hondo River outside the City limits, 134 miles of 2" to 24" mains, approximately 2,064 gate valves, approximately 1,059 fire hydrants, 13 storage reservoirs, and 11 pumping stations. There are approximately 13,261 water meters connected to the City's mains. In addition, the City has five treatment facilities to ensure the city's water meets and exceeds safe drinking water standards.

The quality of water in the City's system is regulated by federal, state and county agencies. In 1975, the federal government passed the "Safe Drinking Water Act" (SDWA), which is administered by the Environmental Protection Agency. The SDWA has been continually revised to require more stringent standards, with the most recent significant revisions in 1996. The Water Utility Division ensures that the City stays in full compliance with these standards and only supplies water to our consumers that meets these standards. State standards in some cases are more stringent than Federal standards and the City must comply with the more stringent of the two.

Since the Water Utility Division produces all its water supply from an adjudicated basin, the Main San Gabriel Basin, and the City's annual production exceeds its production rights, the City must replace the amount of water it over-pumps. The San Gabriel Valley Municipal Water District, of which the City is a member agency, satisfies this requirement by importing water from the State Water Project.

Parks Division:

The Park Division responsibilities include the development and maintenance of public parks and facilities, landscaped areas, and street medians and trees.

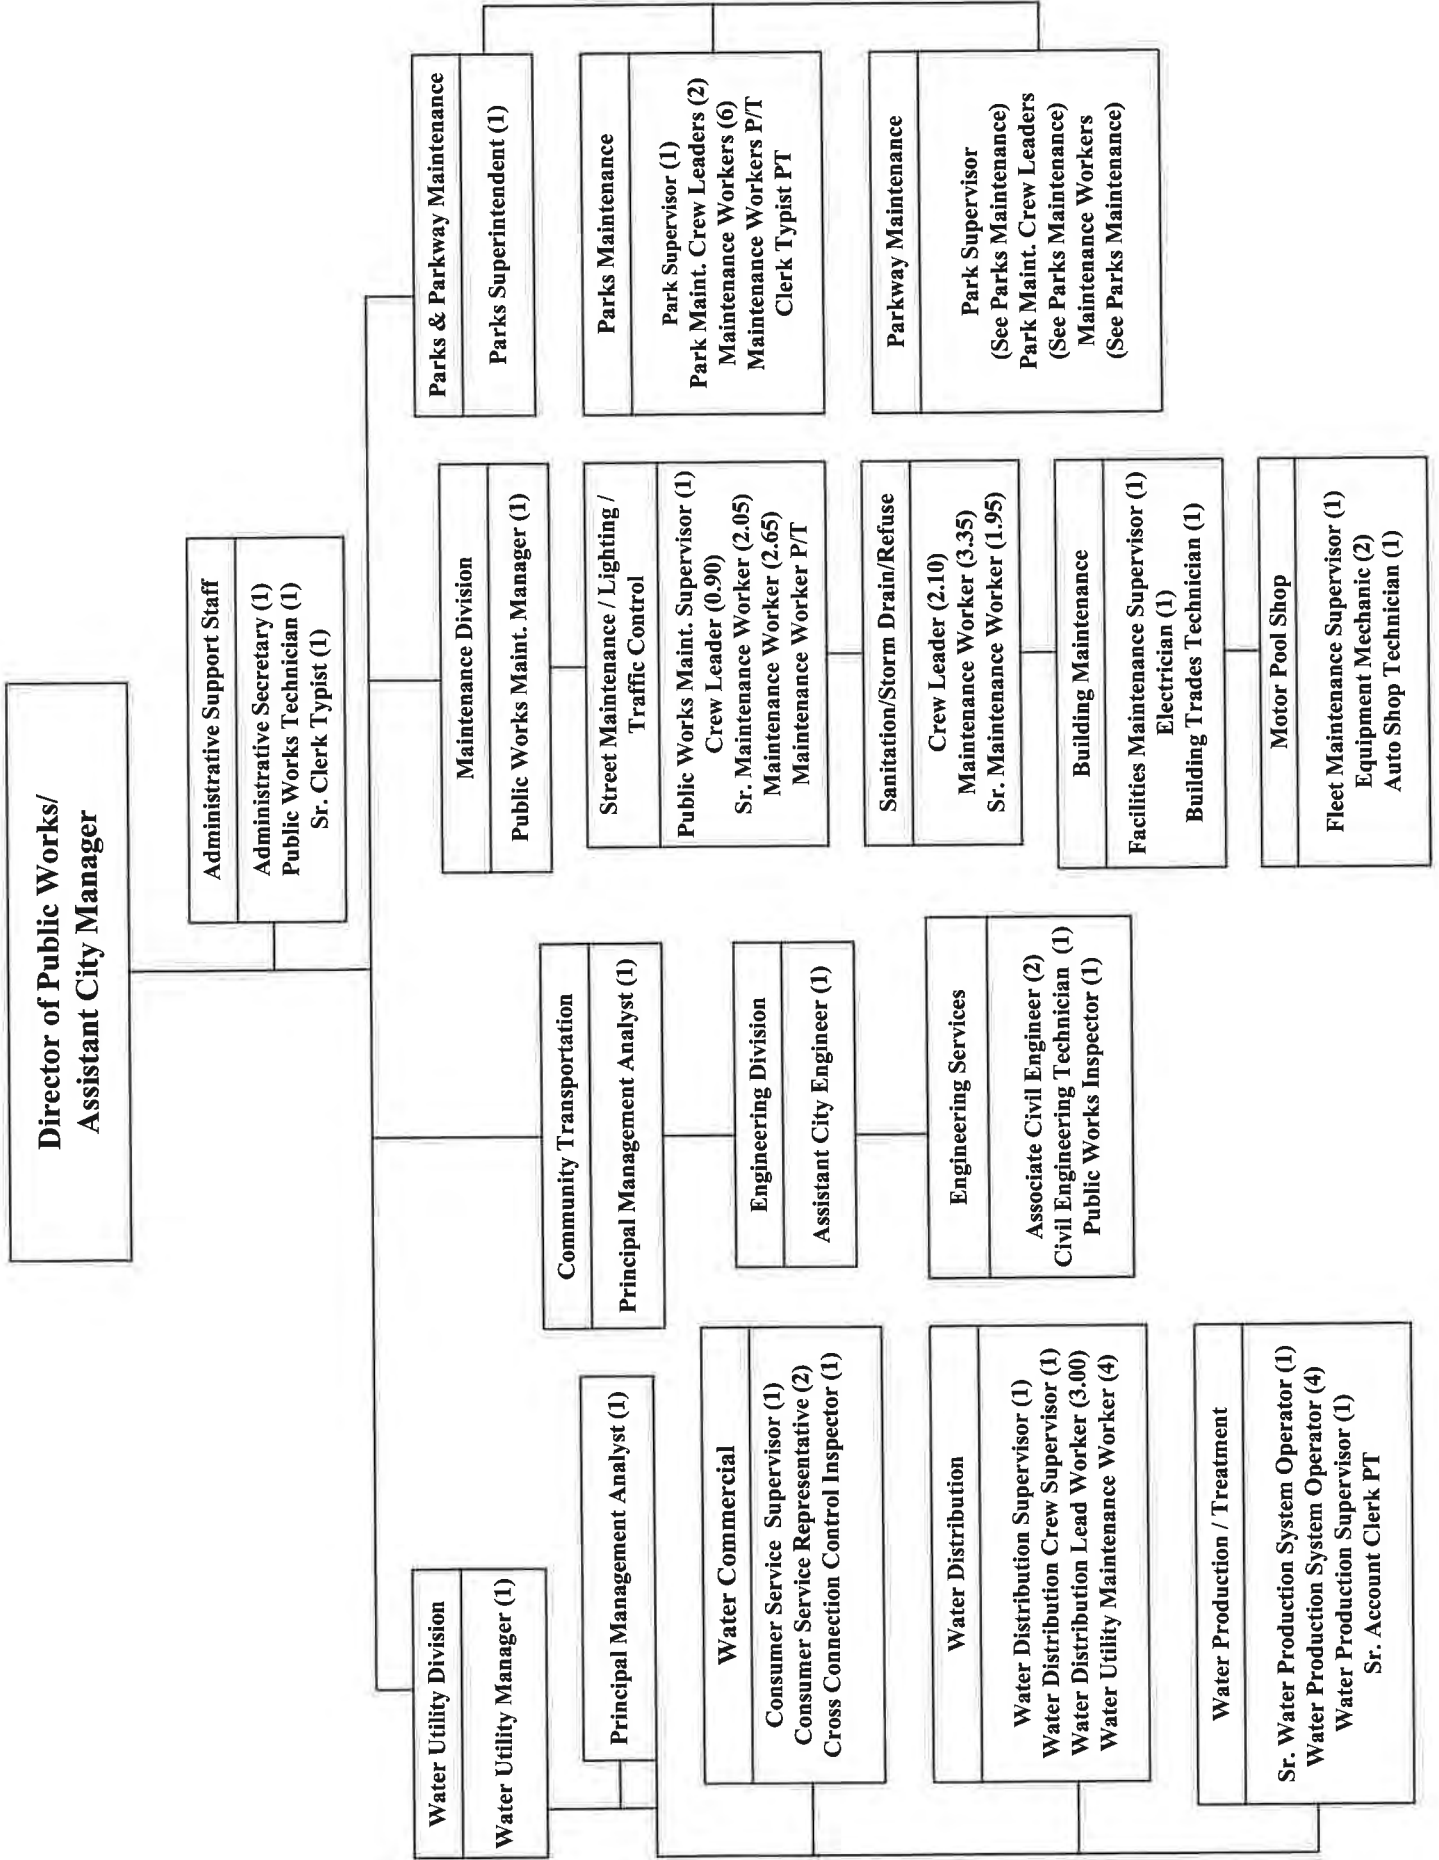

Personnel Changes

Personnel changes include the downgrade of the Cement Finisher to a Maintenance Worker in the Streets Division and the downgrade of the Electrician to a Water Utility Maintenance Worker in the Water Division. The Water Division re-allocates its labor costs among treatment plants to be in line with treatment needs.

Program Description

The objectives of the transportation division are to accomplish the following:

- Provide for a transit system that is safe, convenient and reliable through the operation of the local, fixed-route bus – Spirit – and the support of the Dial-A-Ride service.
- Work with outside agencies to improve regional transportation services.
- Establish and maintain a transportation infrastructure that encourages the use of public transit, affords mobility and supports the City's goals of economic vitality and community beautification.
- Implement a commute program for City employees to comply with air quality requirements and reduce mobile emissions.

2016-2017 GOALS AND OBJECTIVES

1. Explore online trip planners for Spirit Bus riders to access real-time information. Provide bus riders with the ability to estimate the arrival time of the next bus via their smartphone or computer.

2015-2016 MAJOR ACCOMPLISHMENTS

1. Completed the installation of a Compressed Natural Gas (CNG) fueling station at the City Yard. The City-owned facility will reduce the cost of operations by avoiding private fueling costs and reduced travel time and distance to outside fueling facilities. The CNG fueling station was made possible through grants from the California Energy Commission (CEC) grant and the Mobile Source Review Committee (MSRC).

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. Contracted Services category (#31000) includes \$1,029,600 to operate the Spirit Bus system and other transit related services.
2. Advertising category (#34000) includes \$7,500 for sponsorship of the 4th of July celebration and promotion of the Spirit Bus services.
3. Miscellaneous category (#39000) includes \$7,500 for printing bus schedules.
4. Other Agency Services category (#41000) includes the city's contribution to the California State University, Los Angeles (CSULA) Metrolink Joint Powers Authority (JPA), \$29,000.
5. Miscellaneous Financial Services category (#44000) \$216,000 is Prop A Local Returns contribution to the General Liability Fund.

Program Description

Monterey Park has 119.27 miles of improved streets, 10 miles of alleys and 225.22 miles of sidewalks, curbs and gutters. In addition, the City has within its 7.7 square miles two public parking districts, three Civic Center parking lots, one police and fire parking lot, 10 parking lots serving City parks, and 5 parking lots at various other City facilities. To ensure the City maintains the integrity of a sound structural road system, Street Maintenance crews inspect all streets to detect pavement failures. The need for street repair is mainly caused by pavement stresses, base failures, increased traffic volume, pavement oxidation due to age, wear and/or weather conditions. Maintenance of sidewalks, curbs and gutters is also imperative to both safe movement of pedestrian traffic and free flow of runoff nuisance water. Parkway tree roots are a major cause of sidewalk, curb and gutter misalignment. Street Maintenance also provides weed abatement services on public rights-of-way throughout the City. Citywide graffiti removal and clean team task are also included in this activity.

Specific Service objectives are:

- Inspect the areas scheduled to be slurry sealed to locate pavement failures, assess the extent of these failures, prioritize the need for their repair, and schedule repairs according to project schedule.
- Inspect sidewalks to locate uplifted sections that may obstruct pedestrian travel and schedule those for timely repair and/or replacement. Also identify and schedule for repair sections of sunken or displaced curbs and gutters that may impede pedestrians or the normal flow of water off the roadway.
- Within two days of notification, ramp sidewalks that are raised ½ inch or more with temporary asphalt, grind down sidewalks that are raised ½ inch or less, and cut problem tree roots to eliminate future uplifts.

2016-2017 GOALS AND OBJECTIVES

1. Cross-train staff in different disciplines including traffic and sanitary sewer.
2. Train all field employees in the operation of the 1.5 cubic yard Cement Mixer, Pot Hole / patch truck and the skid steer loader (bobcat). This will create a more efficient operation in the Public Works Maintenance Division operations.

2015-2016 MAJOR ACCOMPLISHMENTS

1. Prepared for El Niño event, including staging of 48 concrete K-Rail devices in case of debris flows and distribution of 5,900 sandbags and 300 rolls of plastic sheeting.
2. Instituted new crack sealing program.

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. Operating Supplies category (#22000) \$31,750 covers concrete, concrete supplies, herbicides, and uniforms.
2. R/M Supplies category (#23000) \$183,300 covers construction activities, including asphalt and base materials, barricades, lights, and graffiti/clean team supplies.
3. Contracted Services category (#31000) \$33,000 is for weed abatement services and graffiti tracker services.

Program Description

Monterey Park's storm sewer system is maintained to ensure that all storm water runoff is carried out of the City to prevent or minimize flooding and soil erosion in the community. This system is comprised of 12.43 miles of main lines and 422 catch basins, and 25 miles of open slope drains that are located on 1,096 private properties.

Specific Service objectives are:

- Routinely inspect and clean catch basins and grates prior to the rainy season. During the rainy season, crews supplemented with other department personnel, substantially increase the number of catch basins and grates inspected and cleaned to ensure that all drains function properly.
- Inspect and clean 422 City-owned catch basins in the street at a minimum of once a year. Clean priority A & B catch basins quarterly.
- Inspect and clean the 11 slope drains located on city property.

- Implement the City's National Pollution Discharge Elimination System (NPDES) program and comply with the Los Angeles County municipal storm water permit requirements.

PROGRAM MEASUREMENTS

Slope Drain Inspection Program:			
Number of slope drains inspected (this includes re-inspections)	11	975	11

*Los Angeles County had been contracted to clean out catch basins.

2016-2017 GOALS AND OBJECTIVES

1. Stencil 2nd phase of storm drain locations to comply with the Los Angeles County storm water permit requirements.
2. Continue program to identify new locations that require additional cleaning due to storm drain inserts preventing debris from entering the storm drain.

2015-2016 MAJOR ACCOMPLISHMENTS

1. Completed 1st phase of stenciling storm drain locations to comply with Los Angeles County storm water permit requirements.
2. Inspected 975 slope drains throughout the City in preparation for El Niño rainy season.

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. Contracted Services category (#31000) \$160,000 has increased in FY2016 due to the new stormwater permit that includes costs for the Enhanced Watershed Management Plan (EWMP).

Program Description

The City's sanitary sewer system is a gravity-flow system connecting to seven county sanitation district trunk lines. These lines collect more than two billion gallons of raw sewage annually and convey it out of the City. These lines are monitored and evaluated to determine if repairs or additional lines are warranted as the City grows. The sewer system is comprised of 126 miles of main line sewers ranging in size from 8" to 15" pipe and approximately 2,498 sewer manholes.

Specific Service objectives are:

- Inspect and clean all main lines annually to insure proper functioning of the system.
- Minimize stoppages by cleaning main line sewers that have minimum flow velocity or are blocked by tree roots. Clean selected lines that are known for accumulation of grease deposits. These lines are cleaned on 2-week, 6-week, 3-month, or 6-month intervals depending upon history of stoppages.
- Respond to all sewer problems within 12 minutes during working hours and within 30 minutes upon being dispatched after-hours.

- Oversee the construction of infrastructure improvements that are identified in the Sewer Master Plan.
- Spray one half of the city manholes each year for insect and rodent control.

2016-2017 GOALS AND OBJECTIVES

1. Complete final phase of installing signage at manholes in easement areas. Many signs have been destroyed and it is important that residents are educated about the importance of keeping manholes accessible.
2. Develop a sewer manhole labeling system through the Sanitary Sewer Master Plan to identify locations for maintenance activities.
3. Train staff on use of new sewer vector truck, including video camera equipment.

2015-2016 MAJOR ACCOMPLISHMENTS

1. Completed the sixth phase of a seven phase project to locate and install signage on manholes on easement areas.

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. Contracted Services category (#31000) covers cost for professional services for sewer lines TV monitoring, pesticide control services, and disposal agreement, \$54,000.
2. Miscellaneous category (#39000) consists of education/training.
3. Misc Financial Services category (#44000) \$444,000 includes the share of Sewer Fund to the General Liability Fund.

Program Description

Monterey Park has 119.27 miles of streets, 10 miles of alleys, and 22 City-owned parking lots, each of which accumulate several thousand cubic yards of litter and debris annually. An effective street cleaning program is necessary to maintain the sanitation and aesthetic requirements of the City's rights-of-way, keep gutters and storm drains clear, and to help protect the value of private properties within the community. The City has a program of restricted parking for street sweeping throughout the City. A private contractor provides the City with sweeping services. Approximately 20,576 curb miles are swept annually.

Specific Service objectives are:

- Sweep all residential streets and alleys once every week, and all boulevards four times a week.
- Sweep center medians and parking lots once a week, and commercial Parking Districts No. 1 and No. 2 twice a week.

Program Description

This program is essential to the safe and orderly flow of vehicular and pedestrian traffic throughout the City by providing for the maintenance and installation of regulatory and warning signs, maintenance and installation of street name signs, painting of traffic legends that include stops, stop bars, centerlines, curbs, and approximately 335 crosswalks. In addition, there are 62 City-owned, 5 City/County-owned, 6 City/State-owned, and 2 City/County/State-owned traffic signals located in the City that are maintained through this program.

Specific Service objectives are:

- Repaint 35 miles of centerline and lane striping on boulevards annually.
- Repaint 30 miles of centerline on residential streets annually.
- Repaint 148 school crosswalks and 39 school pavement markings once a year.

- Repaint pavement markings on streets that are resurfaced or slurry sealed as soon as the projects are completed.
- Annually replace stop signs that have lost legibility or reflectivity.
- Replace missing or damaged regulatory signs within eight hours after notification, and missing or damaged warning signs within 24 working hours after notification.
- Maintain 62 City-owned traffic signals to ensure that all emergency repairs are made within 24 hours of notification.
- Replace regulatory signs to meet new standards according to MUTCD yearly.

1. Begin first of four phase program to replace round street sign posts with new break away sign posts. Citywide installation of breakaway sign posts will reduce the City's liability.

2015-2016 MAJOR ACCOMPLISHMENTS

1. Implement application of thermoplastic materials in place of paint on certain crosswalks, centerline, legends, etc. Application of thermoplastic increases staff efficiency as life expectancy is four times longer than that of paint, eliminating the need to paint street markings every year.

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. R/M Supplies category (#23000) \$70,000 covers the costs for replacement of traffic and street signs and paint and equipment supplies.
2. R/M Contractual category (#38000) \$107,000 covers maintenance contract for City-owned traffic signals and safety lighting.
3. Other Agency Services category (#41000) \$21,000 covers maintenance contract for Los Angeles County traffic signals.

Program Description

Monterey Park's street lighting system consists of 3,359 streetlights, including 376 City-owned lights. Generally, the lighting system minimizes nighttime vehicular accidents, reduces nighttime crime while aiding police patrols, facilitates evening traffic flow, and promotes local business and industry during the evening hours.

Specific Service objectives are:

- Replace burned out City-owned lamps within two days after outage has been reported.
- Repair City-owned faulty circuits within seven days after failure has been detected.
- Replace City-owned light poles that are damaged in traffic accidents within 14 days of notification.

- Inspect streetlights once a year.
- Inspect bus shelter lighting once a month and perform necessary maintenance.

Program Description

The Waste Management Program provides for the removal of refuse and recyclables from the City and ensures Monterey Park's compliance with environmental regulations, most notably the State Assembly Bill 939 waste diversion mandate.

Through a contractual agreement with Athens Services, the City's residential and commercial waste streams are processed through a Materials Recovery Facility (MRF) to allow for the recovery of recyclables prior to waste being sent to the landfill. Solid waste collection for single-family residential properties is a 2-container program: one container for refuse and recyclables and a second for yard waste. Multiple-family dwellings and commercial properties are provided roll-off bin service. Residents are also provided with year-round bulky item pickup (pre-scheduled) to allow for disposal of large items not classified as normal household refuse.

Public education and recycling programs have been implemented to ensure that hazardous material such as used automobile oil and electronics are properly disposed of either at special collection events or at permanent collection facilities.

Specific service objectives are:

- Oversee the removal of refuse from the City’s residential and commercial properties in an environmentally safe and efficient manner.
- Maintain trash containers placed at public locations and ensure that those that are located in high-litter areas are emptied at a frequency that prevents spillover.
- Resolve all collection-related service complaints within 24 hours.
- Encourage the participation of Monterey Park residents in City- and Los Angeles County-sponsored “Household Hazardous Waste and Electronic Waste Roundups.”

PROGRAM MEASUREMENTS

	<u>Actual 2014-2015</u>	<u>Estimated 2015-2016</u>	<u>Projected 2016-2017</u>
Curbside service accounts	14,301	14,305	14,305

AB 939 diversion rate (tons per capita)	3.5	3.5	3.5

2016-2017 GOALS AND OBJECTIVES

1. Execute a new trash contract for both residential and commercial hauler service that would assist the City in achieving a higher diversion rate.

2015-2016 MAJOR ACCOMPLISHMENTS

1. Expanded the Used Oil and Beverage Container recycling programs to increase awareness of recycling and proper disposal of used motor oil.

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. Contracted Services category (#31000) \$44,525 is the City’s allocation of CalRecycle Used Oil and Beverage Container Recycling grants.
2. Miscellaneous category (#39000) \$1,575 consists of printing, dues/memberships, and recycling program costs.
3. Other Agency Services category (#41000) \$5,038,800 covers the annual residential waste collection contract costs for Athens Services.
4. Miscellaneous Financial Services category (#44000) \$449,600 includes the allocation to the General Liability Fund and other City’s indirect shared costs.

Program Description

Activity 4209 is the operations base for Maintenance Services and Water Utility Division field crews at the City Yard that houses City-owned construction and service vehicles and equipment, provides storage for all maintenance materials, and dispenses fuel to operate City-owned vehicles and equipment. The City Yard Office provides field crews a central radio communication contact. The Technician receives and responds to telephone inquiries regarding schedules, levels of service, service requests, and forwards information to the proper supervisor for resolution.

Specific Service objectives are:

- Maintain accurate, up-to-date and readily available records for support of all divisions.
- Prepare purchase requisitions, process bills for payment, handle requests for meter service, invoice for City property damage, etc., as required.

- Maintain and submit data required for monthly, quarterly, and annual reports for Maintenance.

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. Operating Supplies category (#22000) \$10,575 covers cost for uniforms and other operating supplies.
2. Miscellaneous category (#39000) \$200 covers cost for printing.

Program Description

Building Maintenance is responsible for the upkeep of City-owned structures. Monterey Park presently owns 16 major structures and numerous smaller structures that require various levels of maintenance. Regular structural, plumbing, electrical, janitorial, and heating and air-conditioning maintenance must be performed to ensure pleasant working conditions and encourage the public use of all facilities. As public use increases, minor facility alterations or remodeling may also become necessary to provide adequate space for additional activities.

Specific Service objectives are:

- Complete minor repairs (leaky faucets, vandalism, light outages, broken windows, etc.) within three days after requests are received.
- Complete major repairs (painting, cabinet work, structural alterations, etc.) within 30 days after work order requests are received.
- Respond to emergency building maintenance repairs such as sewer stoppages, leaking pipes, etc.

- Monitor heating and air-conditioning maintenance contract for City facilities to ensure contractor is performing all required services.
- Perform preventive maintenance on all heating, ventilating and air conditioning units.

2016-2017 GOALS AND OBJECTIVES

1. Install automatic toilets and waterless urinals at City facilities.
2. Upgrade door handles to meet ADA requirements.

2015-2016 MAJOR ACCOMPLISHMENTS

1. Completed energy conservation measures at City Hall and the Library through Siemens Energy Efficiency and Modernization Program.
2. Completed remodel of Public Works Locker Room Facility
3. Completed reorganization/remodel of Public Works/Community Development office and counter area.
4. Feasibility study to install energy efficient windows at daycare classrooms.

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. Operating Supplies category (#22000) covers cleaning & sanitation supplies, \$5,000.
2. R/M Supplies category (#23000) consists of plumbing, electrical, and equipment supplies, \$76,100.
3. R/M Contractual category (#38000) covers costs for City building repairs and maintenance, \$174,500. The janitorial services move to Management Services for better cost control.
4. Debt Service category (#42000) includes the debt service payment for Siemens Lease-Purchase Energy Efficiency and Modernization Program, \$92,387.

Program Description

Monterey Park's motorized fleet consists of 194 driver-operated vehicles (sedans, trucks, tractors, rollers, etc.) and 454 non-driver type units (air compressors, pumps, lawn mowers, chain saws, etc.). Effective and timely maintenance and repairs are required to ensure all vehicles and equipment is operating in a safe and efficient manner and to maximize life expectancy. The shop is operated on a revolving fund basis with vehicle operational costs and depreciation charged to the appropriate department.

Specific Service objectives are:

- Annually identify and replace vehicles that have exceeded their useful life expectancy through an annual appropriation, lease-purchase financing arrangement, or lease.
- Perform preventive maintenance service on vehicles and equipment at required intervals.

- Conduct safety inspections (such as brakes, suspension systems, fluid levels, etc.) on all vehicles during preventive maintenance service.
- Complete mandated reports and maintain City fleet vehicles and equipment to be in compliance with BAR (Bureau of Automotive Repair), AQMD (South Coast Air Quality Management District), CARB (California Air Resources Board), CUPA (Certified Unified Program Agencies) and DOSH (Division of Occupational Safety and Health) regulations.
- Complete and process State Board of Equalization Fuel tax returns
- Purchase fuel for the operation of City vehicles and Monterey Park Spirit buses.
- Complete smog checks of fleet vehicles to meet state requirements. This is a bi-annual program using an odd-even year system that corresponds with the last digit of a vehicle's identification number.
- Maintain City-owned vehicles and equipment per manufacturer's specifications. Maintain records of preventive maintenance and repairs to track the cost for each vehicle to create a schedule for vehicle replacement.

2016-2017 GOALS AND OBJECTIVES

1. Assist Police Department with implementation of vehicle leasing for unmarked police units.

2015-2016 MAJOR ACCOMPLISHMENTS

1. Completed construction of a new CNG fueling station that provides fuel to the Spirit buses as well as the general public.
2. Implemented new vehicle maintenance recording system.
3. Implemented new vehicle daily inspection procedure/checklist.

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. Operating Supplies category (#22000) \$405,800 includes fuel and oil costs, uniforms and supplies.
2. Contracted Services category (#31000) includes cost for professional services, \$26,000.
3. Leases & Rentals category (#37000) reflects leasing costs for unmarked police vehicles and Dial-A-Ride vans.
4. R/M Contractual category (#38000) \$169,000 includes contracted repairs, maintenance and vehicle upgrades/conversions.
5. Other Agency Services category (#41000) includes fees for CARB, AQMD and Los Angeles County CUPA HAZMAT, \$8,000.
6. Miscellaneous Financial Services category (#44000) \$216,000 includes the allocation to the General Liability Fund.
7. Vehicles/Equipment category (#54000) includes one Fire Station 62 ambulance (\$95,000); five police patrol vehicles (\$350,000); one traffic motorcycle (\$48,000); one street stencil truck (\$142,500); one administrative electric vehicle (\$25,000); one water ½ ton truck (\$40,000); and one water 1^{1/4} ton utility truck (\$80,000).

Program Description

The Engineering Division is responsible for providing all engineering services to the City, including the design and construction of all public facilities, streets, water, sewers, storm drains, sidewalks, traffic signals, parks, and recreation facilities. The Division manages the programming, design, contracting, and inspection of all capital improvement projects, and reviews and comments on various development and zoning matters such as tract and parcel maps, variances, and conditional use permits. The Division conducts specialized engineering functions, including studies on grading, geology, traffic, pavement, water systems, sewer systems, and assessment districts, and handles the survey and disposition of City real property. The Division also manages emergency projects involving repair/reconstruction of City streets and facilities during and after major environmental disasters such as storms, mudslides, and earthquakes.

The Engineering Division coordinates the administrative activities of the Public Works Department and is also responsible for working with and advising the City Council, the City Manager, the Traffic Commission, the Planning Commission, and other public and private agencies regarding the planning, design, construction, and financing of public works and

capital improvement projects in the City. The Division also oversees the City's Americans with Disabilities Act (ADA) Title II compliance activities.

Specific Service objectives are:

- Implement the Water Master Plan and develop a comprehensive street maintenance program in accordance with the City's Pavement Management Study.
- Annually administer the capital improvement program for City streets, water system, and parks.
- Leverage SAFETEA-LU, Proposition C, State and Local Transportation Partnership Program funds to obtain maximum use of financial resources for local roadway improvement projects and actively pursue additional funding sources.
- Work with other City Departments/Divisions to support various City programs, such as economic development projects and the City's Congestion Management Plan.

2016-2017 GOALS AND OBJECTIVES

1. In anticipation of the completion of the Olson Residential Subdivision, Market Place Development and Southern California Edison Mesa Substation Project, design street improvements on Potrero Grande Dr./Pomona Bl. between Arroyo Dr. and Garfield Av.
2. Design and construct new bike lanes on Garvey Av. from Monterey Pass Rd. to Garfield Av.; Monterey Pass Rd. from Garvey Av. to Floral Drive; and Cesar Chavez Av./Riggin St. from Vancouver Av. to Fulton Av.
3. Paint house numbers on the street curbs in front of all properties. This will provide a clear and visible means of identifying property addresses in order to improve emergency response; facilitate the delivery of goods and services; and generally assist the public in finding a specific address.
4. Provide inspection and general oversight of the private development projects anticipated to be under construction. The anticipated projects include the Courtyard Marriott, Market Place, and Mesa Substation.

2015-2016 MAJOR ACCOMPLISHMENTS

1. Completed \$4.5 million in water system improvements in the northeast area of the City bounded by Hellman, Alhambra, New and Emerson Avenues, and including De La Fuente St. from Harding Av. to Montechico Dri.
2. Constructed traffic signal improvements and implemented new synchronized signal timing on North Atlantic Bl. from Hellman Av. to Newmark Av. to improve the overall flow of traffic, in anticipation of several proposed hotel projects along the corridor.
3. Completed \$1 million in pavement resurfacing on Garvey Av., Newmark Av., and Graves Av., and \$750,000 in slurry seal work in the vicinity of Bradshawe Reservoir, Brightwood Elementary School, and the Monterey Highlands.

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. Contracted Services category (#31000) reflects cost for engineering consultant services and miscellaneous professional services, \$70,000.
2. Leases & Rentals category (#37000) consists of duplicating equipment rental, \$17,000.
3. Miscellaneous category (#39000) includes \$4,700 for printing, dues/memberships, and books.

Program Description

This activity provides the overall direction and administrative guidance for the Water Utility Division, including preparation of all required water quality and production reports. Funds are also provided in this activity to cover pump assessment costs and water replacement costs related to the adjudicated settlement between the Main San Gabriel Valley Water Basin and the City of Long Beach.

Specific Service objectives are:

- Represent the City in the management of the Main San Gabriel Basin by attending monthly meetings.
- Develop long range planning alternatives and strategies to enable the utility to maintain water usage, including the development and construction of water treatment facilities and alternatives, to conform to State and Federal potable water quality requirements.

- Prepare numerous operation, production, and water quality reports to meet Watermaster, Federal, State, County, and City requirements.
- Identify and track proposed Federal and State regulations that could have large capital requirements for treatment of specific substances (e.g. arsenic, volatile organic chemicals, Perchlorate, 1,4-Dioxane, 1,1-DCA, MTBE, Chromium 6, etc).
- Continue involvement with the San Gabriel Valley Groundwater clean-up projects with special emphasis on the South El Monte Operable Unit (SEMOU) to recover costs and the possibility of obtaining Title 16 and/or Federal Restoration Funds.

PROGRAM MEASUREMENTS

Continue to monitor and improve the efficiency the water system as a whole. This will include minimizing water loss through identifying opportunities to implement methods and practices to accurately track the water used in operation. Identify and pursue opportunities to minimize energy costs, purchased water while maximizing the local production of well water.

2016-2017 GOALS AND OBJECTIVES

1. Increase support for development and implementation of programs to improve the efficiency of water production, customer service and conservation programs.
2. Implement recommendations that are defined in the Water Master Plan and the Urban Water Management Plan.
3. Explore contracts that can improve upon the production and delivery of water to the residents.

2015-2016 MAJOR ACCOMPLISHMENTS

1. Secured \$4.13 million in Prop 84 grant funding for the design and construction of the Centralized Groundwater Treatment System at Delta to increase production and improve water quality.
2. Secured funding from outside sources to include Water Quality Authority (WQA) reimbursement, Southern California Edison, and EnerNOC.
3. Collaborated with other departments to develop more informative water bills that can allow residents to compare current usage with historical usage in order to meet conservation goals.
4. Categorized all water user classes in order to be able to develop conservation measures that target each type of water use.
5. Completed 2015 Urban Water Management Plan.

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. Operating Supplies category (#22000) \$46,100 includes water assessment charges and engineering supplies.
2. R/M Contractual category (#38000) \$20,126 consists of costs for office equipment maintenance agreement. The janitorial services cost is moved to Management Services for better cost management.
3. Miscellaneous category (#39000) \$15,550 includes costs for the WQA annual report and education/training/memberships.
4. Misc Financial Services category (#44000) \$1,059,600 includes the shared contribution from Water Operations to the City's indirect costs as well as the General Liability insurance.

Program Description

This program, in coordination with the Management Services Department, provides for approximately 80,249 meter readings, billing, and collection of revenue from approximately 13,456 water meters. The City's consumers average 656 requests for service per month for routine problems including billing, leaks, water quality, general water service inquiries, backflow/cross-connection and water conservation education.

Specific Service objectives are:

- Provide all City served water accounts with a water meter calibrated to American Water Association standards for accuracy to be read, billed, and maintained on a bi-monthly schedule.
- Notify consumers of high consumption when readings appear to be significantly higher than normal.

- Perform annual tests on 83 City-owned backflow devices and report results to the Los Angeles County Department of Health Services.
- Track and maintain 1,099 private backflow prevention assemblies for water system protection as required by the CADPH standards.
- On a bimonthly reading cycle, report any safety hazards or code violations to the proper department.
- Distribute water conservation and education materials at community events such as the Harmony Month Open House, Lantern Festival, and the San Gabriel Valley Water District's ultra low flow toilet (ULFT) exchange program and to schools, consumers, and different groups within the city to promote water conservation and education.
- In conjunction with the Water Distribution section continue to evaluate and upgrade large meter installations to replace older water meters to ensure meter accuracy.

2016-2017 GOALS AND OBJECTIVES

1. Upgrade 20 large meters to current Automatic Meter Reading (AMR) standards.
2. Verify the functionality of all new meters that were changed in the AMR meter upgrade capital project.
3. Initiate fire line meter upgrades to current AMR standard meters.

4. Increase the frequency of meter reading from bi-monthly to monthly, or bi-weekly, in order to provide for more useful online data.
5. Perform Cross Connection Surveys at select commercial properties.

2015-2016 MAJOR ACCOMPLISHMENTS

1. Completed AMR meter change out for 2" and smaller meters.
2. Implemented Stage 2 conservation ordinance to include conservation workshops and enforcement.
3. Upgraded the water utility bill to provide customers with more information on their water usage in order to assist them with meeting conservation goals.
4. Replaced and repaired backflow devices at various locations.
5. Purchased electric vehicle through a grant from the Center for Sustainable Energy.

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. R&M Supplies category (#23000) \$55,850 includes cost for plumbing, irrigation and water supplies. Amounts include \$10,000 for Water conservation materials.
2. Contracted Services category (#31000) \$12,223 includes costs for data processing.
3. R/M Contractual category (#38000) \$8,500 includes costs for water billing software.
4. Miscellaneous category (#39000) \$15,100 includes costs for printing and dues/membership.

Program Description

This program provides for producing, treating, and delivering to the City's customers, potable water that meets or exceeds all water quality standards established by Federal and State regulatory agencies. The operation and inspection of 12 wells, 11 pumping stations, and 13 reservoirs are provided by California Department of Public Health certified water treatment personnel to meet an average daily demand of approximately 8 million gallons of water.

Water quality is ensured by use of mandated State of California Department of Public Health certified water treatment operators and regulated operations for the safe and efficient production of water for the community. In compliance with Title 22, State of California, Department of Public Health, weekly, monthly, quarterly, and yearly samples are collected for volatile organic chemicals, perchlorate, and general mineral levels. Additionally, production personnel collect a monthly average of 180 chlorine residuals, 90 bacteriological samples, and 19 general physical samples at the wells, pump stations, treatment plants, reservoirs and at various locations in the water distribution system. Continuously conduct maintenance and/or supervise the maintenance of the wells, pump stations, treatment plants, and reservoirs. In

addition, maintain, monitor, and control the wells, booster stations, and pumps through use of the newly integrated SCADA System.

2016-2017 GOALS AND OBJECTIVES

1. Rehabilitate existing well to increase pumping reliability and efficiency.
2. Replace existing Brightwood Booster discharge piping with new pump control and plug valves.
3. Install new air compressor system at the La Loma Booster station surge tank unit.

2015-2016 MAJOR ACCOMPLISHMENTS

1. Rehabilitated two wells for increased pumping reliability and efficiency.
2. Prepared construction drawings and RFP for the replacement of the Brightwood Booster Station piping and appurtenances.
3. Performed maintenance on Delta Plant's six booster pump control starter contactors.
4. Redeveloped Russell Booster No. 1 with new 50 horse power pump and motor.
5. Installed new pump control valves at Russell Booster 1 & 2.
6. Replaced cooling fans on the Variable Frequency Drive units and Country Booster 1 & 2.

7. Installed new exhaust fan and flood control sump pump at Brightwood Booster underground vault.
8. Constructed retaining walls for increased flood control capacity at the Russell Reservoir slope catch basin.

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. Operating Supplies category (#22000) \$972,100 includes water assessment charge.
2. R/M Supplies category (#23000) includes cost for paint and painting supplies, equipment, plumbing and electrical supplies, \$149,950.
3. Contracted Services category (#31000) includes professional services for water quality analyses, \$40,000.
4. R/M Contractual category (#38000) includes cost for repair and maintenance for various equipment, \$93,700. A decrease of \$3,100 is due to the transfer of janitorial services to Management Services.
5. Other Agency Services category (#41000) includes AQMD permits and other fees required by government agencies, \$20,000.
6. Debt Service category (#42000) is the debt service payment for the La Loma and Highland water storage reservoirs, \$114,054. The thirty-year lease will retire in 2032.

Program Description

This program provides for the installation of new service taps, renewed water service taps, repair of water mains and services as necessary, and the maintenance of water facilities. Within the distribution system there are 13,456 water accounts, 134 miles of distribution mains, approximately 1,063 fire hydrants, and 2,073 gate valves.

This program also provides maintenance and new installations of piping for the entire system. Water Distribution personnel are California Department of Health Services certified, licensed and prepared to perform expedient and professional services under emergency conditions.

Specific service objectives are:

- Ensure water section personnel productivity and safety through adherences to annual training objectives.
- Operate annual valve exercise program for 2,073 distribution system valves.

- Maintain water service standards by repairing City water distribution facilities to ensure that residents and commercial accounts will have reliable water service.
- Continue to upgrade service and meter installation to current standards.
- Help maintain water quality with an active flushing program.
- Maintain all pressure relief stations, pressure-sustaining stations, and check valve stations in the distribution system to increase reliability.
- Identify needs to improve distribution system reliability.

* Unable to fully implement program due to staffing limitations.

2016-2017 GOALS AND OBJECTIVES

1. Advance the leak detection program that identifies distribution system leaks.
2. Evaluate system valves to improve operation, accessibility and functionality.
3. Install four new water main blow offs on the dead ends located throughout the system.
4. Replace five broken or inoperative gate valves in the distribution system.

2015-2016 MAJOR ACCOMPLISHMENTS

1. Replaced four aging and unsafe fire hydrants.
2. Replaced broken plug valve at Orange and Graves to improve circulation of the distribution system.

3. Replaced five broken or inoperative gate valves located throughout the distribution system.
4. Inspected and replaced eight aging, deteriorated service saddles with new, more resistant material.

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. R/M Supplies category (#23000) \$201,700 includes supplies and equipment and costs associated with new service installations.
2. Contracted Services category (#31000) \$20,000 is for street and sidewalk repairs.
3. Miscellaneous category (#39000) \$2,750 covers costs for printing and dues/memberships.
4. Debt Service category (#42000) \$523,517 is the cost for Siemens Lease-Purchase Energy Efficiency Program.

Program Description

This program activity provides for continued replacement, improvement and upgrading of the Water System, as well as construction and improvement of treatment plants.

1. Pilot Mobile Workforce System (82261) \$50,000

This is to purchase new software and hardware (tablets, laptops) for use in everyday work orders and meter reading for efficiency and environmental awareness.

Impact on Operating Budget: This will improve for efficiency and environmental awareness.

2. Street Maintenance (81580) \$950,000

This is Water System's share for street maintenance and reconstruction. This annual contribution will be transferred to the City's General Fund to pay for street repairs and maintenance.

Impact on Operating Budget: This is the annual contribution from the Water Fund to the City's General Fund for street maintenance.

3. Water Emergency Pumper (82262) \$115,000

This project is to purchase a new emergency portable water pumper to supply water to the residents and businesses. The existing emergency water pumper does not meet the current 2016 California Air Resource Control Board & California Air Quality Management District diesel engine requirement.

Impact on Operating Budget: This will be in compliance with the mandate AQMD requirement.

4. Small Capital Projects for Water (82260) \$29,000

Water small capital purchases include 2 gas detector monitors (\$5,000), 1 confined space rescue and retrieval system (\$2,500) 2 underground pipe locators (\$12,000) and 1 portable light tower (\$9,500).

Impact on Operating Budget: Small capital purchases are to improve operating efficiency and effectiveness.

Program Description

This activity provides for the costs associated with ground water remediation for Well No. 5 for volatile organic compounds that may be found in the groundwater. This includes the operation and maintenance of the Granular Activated Carbon (GAC) treatment plant portion of Well No. 5 put into service on September 22, 1999. This well has a current capacity of 1,600 gallons per minute.

Costs for this activity include personnel costs, electricity, GAC replacement, capital lease payment, contractual maintenance, and laboratory analyses. This activity will also cover costs for possible future remediation activities.

Specific Service objectives are:

- Continue to seek outside funding for operation and maintenance of this facility from South El Monte Potentially Responsible Parties and other potential sources.

- Continue to operate and maintain plant per Department of Health Services' requirements.

2016-2017 GOALS AND OBJECTIVES

1. Work with the Water Quality Authority (WQA) and the Environmental Protection Agency (EPA) to optimize the Delta facility operations and reimbursement for expenses.
2. Design and construct a centralized advanced-oxidation treatment plant using UV oxidation technology to treat 1,4-dioxane, N-Nitroso-dimethylamine (NDMA), and other volatile organic (VOC) chemicals. Secure incentives and additional funding to offset operational and maintenance cost of the new treatment system.

2015-2016 MAJOR ACCOMPLISHMENTS

1. Removed spent carbon and installed 40,000 pounds of virgin activated carbon for the removal of groundwater contamination to comply with the California Department of Public Health Operation and Maintenance permit.
2. Installed new chlorine injection system to comply with the California Water Resources Control Board and Environmental Protection Agency Groundwater rule.

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. R/M Supplies category (#23000) includes cost for \$110,500 for carbon (GAC) replacements and equipment supplies and maintenance.
2. Other Agency Services category (#41000) includes \$24,271 for permit costs and fees required by government agencies.
3. Lease Principal Payment (#42000) includes \$200,000 for debt service payment for Well 5/6 Air Stripper.

Program Description

This activity provides for the costs associated with water remediation activities for Wells No. 9, No. 12, and No. 15 for volatile organic compounds, and future contaminants that may be found in the system. This includes the operation and maintenance of the Air Stripper treatment plant for Wells No.'s 9, 12 and 15. The treatment plant began operation in 2002.

Costs for this activity include personnel, electricity, water treatment chemicals, laboratory analyses, equipment maintenance and legal fees.

Specific Service objectives are:

- Continue to seek outside funding for the operation and maintenance of this facility from South El Monte Potentially Responsible Parties and other potential sources.
- Continue to operate and maintain as per California Department of Public Health regulations and requirements.

2016-2017 GOALS AND OBJECTIVES

1. Perform inspection of Air Stripping Tower as required by the California Department of Public Health Operation and Maintenance Permit.
2. Replace acid and caustic chemical feed pump systems.

2015-2016 MAJOR ACCOMPLISHMENTS

1. Prepared construction drawings and RFP for the replacement of acid injection system replacement.
2. Performed enhancement maintenance to the Air Stripper Tower to minimize scale and calcification of media packing material in an effort to maximize and prolong system effectiveness.

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. R/M Supplies category (#23000) includes \$182,000 for carbon replacements at air stripper tower and equipment supplies and maintenance.
2. Other Agency Services category (#41000) \$8,000 is for expenditures related to other governmental agencies for the operating permit (Department of Health Services), Storm Water Permit (Regional Water Quality Control Board), equipment emissions fees (South Coast Air Quality Management District) and hazardous waste disposal fees (Environmental Protection Agency).

Program Description

This activity provides for the costs associated with ground water remediation for Wells No. 1, No. 3, No. 10 and Fern Well for volatile organic compounds and future contaminants that may be found in the system. This includes the operation and maintenance of the Granular Activated Carbon (GAC) treatment plant portion of Wells No. 1, No. 3, and No. 10 put into service in 2003. Fern Well was added to this treatment plant near the end of FY 2007-08. This treatment plant has a capacity of 4,500 gallons per minute and requires continued scheduled maintenance and monitoring.

Costs for this activity include personnel costs, GAC replacement, electricity, capital lease payments, equipment maintenance, and laboratory analyses. This activity will also cover costs for possible future remediation activities.

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. R/M Supplies category (#23000) includes \$130,500 for carbon (GAC) replacements and equipment supplies and maintenance.
2. Contracted Services category (#31000) includes \$56,458 for legal fees, data processing, water analyses, compliance reports and consultant services.
3. Debt Services category (#42000) includes \$132,035 for debt service payment for a ten-year loan from the San Gabriel Valley Municipal Water District that will retire in 2019.

Program Description

This activity provides for the costs associated with water remediation activities for the Dual Barrier treatment facility, which is operated for use by Well Nos. 9, 12, and 15 for removal of volatile organic compounds not removed by the Well No. 12 Air Stripper. This activity and proposed budget has been separated from the Water Production Budget (4222) to facilitate recovery of costs. These costs include personnel, laboratory analyses, and equipment maintenance.

Costs for this activity include personnel costs, Granular Activated Carbon replacement, equipment maintenance, and laboratory analyses.

Specific Service objectives are:

- Seek outside funding for the operation and maintenance of this facility from South El Monte Potentially Responsible Parties and other potential sources.
- Operate and maintain the system per the State Water Resources Control Board.

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. R/M Supplies category (#23000) includes \$150,700 for carbon replacements and equipment supplies and maintenance.
2. Contracted Services category (#31000) includes \$49,000 for legal fees, water analyses, compliance and consultant services.
3. Debt Services category (#42000) includes \$37,965 for debt service payment for a ten-year loan from the San Gabriel Valley Municipal Water District that will retire in 2018.

Program Description

This activity is for the operation and maintenance of Well No. 15 as indicated by the Environmental Protection Agency's Interim Record of Decision (I-ROD) to help facilitate the removal of Perchlorate and Volatile Organic Compounds in the groundwater from the San Gabriel Valley Water Basin.

Costs for this activity include personnel costs, equipment and maintenance supplies, laboratory analyses, compliance reports, electricity service, and fees to other governmental agencies.

Specific Service objectives are:

- Continue to seek outside funding for the operation and maintenance of this facility from the South El Monte Potentially Responsible Parties and other potential sources.
- Continue to operate and maintain the treatment facility per the California Department of Public Health regulations and requirements.

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. Contracted Services category (#31000) includes \$12,276 for legal fees, data processing and water analyses, compliance reports and consultant services.
2. Other Agency Services category (#41000) \$1,900 is for expenditures related to other governmental agencies for the treatment facility's operating permit (Department of Health Services) and Storm Water Permit (RWQCB).

Program Description

This activity provides for the costs associated with water remediation activities for Well No. 5 for perchlorate removal and future contaminants that may be found in the water system. This activity includes the operation and maintenance of a treatment system with a capacity of 1,600 gallons per minute. Costs for this activity include carbon for four vessels, equipment and maintenance supplies, programmable logic controls for the SCADA operating system, laboratory analyses, compliance reports, fees to other governmental agencies, electricity, and inspections.

Specific Service objectives are:

- Seek outside funding for the operation and maintenance of this facility from South El Monte Potentially Responsible Parties and other potential sources.
- Operate and maintain the new facility per California Department of Public Health regulations and requirements.

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. R/M Supplies category (#23000) includes \$20,500 for the cost of replacing carbon and supplies needed for the maintenance of the treatment facility.
2. Contracted Services category (#31000) includes \$6,621 for legal costs associated with treatment cost recovery, water analyses and compliance reports required by the State, inspection services, and engineering consultant services and for data processing.
3. Other Agency Services category (#41000) \$1,900 is for expenditures related to other governmental agencies including the Storm Water Permit (RWQCB).

Program Description

This activity provides for the purchase of water, on an emergency basis, through the San Gabriel Valley Water Company. This only becomes necessary when city wells are unable to produce enough water to meet high demands.

2016-2017 GOALS AND OBJECTIVES

1. Minimize the purchase of water from the San Gabriel Valley Water Company.

2015-2016 GOALS AND OBJECTIVES

1. Proactively maintain the wells and treatment plants to minimize the need to purchase water.

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. Service and Supplies (#22000) includes \$125,000 for water assessment charges.

Program Description

This activity provides for the care and maintenance of approximately 13,000 City Street & Parkway trees. These trees consist of 37 different species and are of various sizes, shapes and growth. These trees are strategically placed along approximately 203 miles of easements and parkways, to create visually appealing neighborhoods. Trees are an excellent means for enhancement of the environment, by way of air filtration, noise absorption, aesthetics, and safety of vehicular and pedestrian movement.

This division plays a vital role in maintaining the City's attractive overall appearance. The results of this Division's efforts serve to create a positive impression of the City for current and potential homeowners and business people. The work accomplished by this division also helps the environment by the cooling and cleaning effect of the trees on the atmosphere.

The majority of tree work under this division is provided under outside contract. Each tree, under contract, is electronically inventoried and trimmed based on our 13-grid system that schedules 2 to 3 grids each year. Trees may also be trimmed when service requests are submitted by residents. The trees located along the three main corridors (Atlantic, Garvey, &

Garfield) are trimmed every year. The contractor is also responsible for tree removals and planting of new trees.

Specific service objectives are:

- Trimming of trees as needed to provide for effective aesthetic value, traffic sign visibility, street lamp clearance, and for proper mobility on streets and sidewalks.
- Provide attractive and healthy trees through regularly scheduled inspection, trimming, removal, and replacement when possible.

PROGRAM MEASUREMENTS

Street Trees Planted	155	65	250
Street Trees Removed	94	75	105
Service Requests	288	300	280

2016-2017 GOALS AND OBJECTIVES

1. Continue the renovation of the entrance medians, West Garvey in particular, from the Fremont-West Garvey bridge to Casuda Canyon.
2. Clear and replace hazardous and intrusive trees identified in various areas throughout the city, including eucalyptus at the West Garvey-Fremont bridge, and the east side of the South Atlantic corridor, at the frontage road from El Repetto to Brightwood.

2015-2016 MAJOR ACCOMPLISHMENTS

1. Removed diseased and intrusive trees along the west side of the South Atlantic corridor from El Repetto to Brightwood. With cooperation from So. Cal Gas Co., trees on this side of the street were replaced with drought tolerant plants and water efficient weep lines and drip systems.
2. Continued the practice of installing water efficient irrigation systems and planting of drought tolerant plants to meet the City's sustainability goals.

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. Contract Services category (#31000) of \$395,000 reflects costs for the City Street and Parkway tree-trimming program and maintenance of all City boulevard medians and the Transit Center at East Los Angeles College. Both of these classifications are provided by contracted services.

Program Description

This activity provides for the maintenance of the City's eight large parks, five small parks and one garden totaling 107.64 acres. There is a park located within one-half mile of every Monterey Park household. This activity also provides for the exterior maintenance of seven recreation/community buildings, 13 free standing restroom facilities, 14 children's play apparatus/sand areas, an outdoor amphitheater, 16 tennis courts and two warm up courts, three outdoor basketball courts, and picnic facilities. Additionally, this Division also provides the landscape maintenance for the Monterey Park Bruggemeyer Library and its surrounding parking lots, El Encanto, the Conservation Garden, Service Club House, Beth Ryan Park, employee parking lots, and the Police storage parking lot.

The Parks Division maintains a very important part of our City's infrastructure. The Division makes a significant difference to help enrich the lives of our community residents as well as to provide assistance to our public safety's responsibilities in providing staffing to all our parks 365 days a year. The Parks Division plays an integral role part in maintaining a safe and clean environment, so our residents and all Park users can relax, exercise, enjoy their family and friends, join a program or sports league all in a healthy and friendly atmosphere.

Our park sites are host to many of the City’s special event celebrations throughout the year that welcomes thousands of participants.

Specific service objectives are:

- Maintain Parks to meet or exceed the Standards as set forth by the Recreation and Parks Commission, providing a safe, attractive, and user-friendly recreation facilities.
- With water conservation no longer a goal, but a standard, continued use of drought tolerant turf, plants and shrubs, and aerate wherever and whenever possible.

2016-2017 GOALS AND OBJECTIVES

1. Continue the rehabilitation/renovation of the recently cleared valley area to the north of Garvey Ranch Park. This area can increase the useable footprint of the park.
2. Complete the improvements at Edison Hiking Trail. Currently 75% complete, remaining items include installation of drinking fountains, ADA sidewalk upgrades at the entrances and intersections, information kiosks, and trail/ hike distance markers.

2014-2015 MAJOR ACCOMPLISHMENTS

1. Renovated Cascades Park. Improvements include installations of resting benches, matching trash receptacles, glazed pots, dedication plaques, drought tolerant plantings, renovated island/median tips, and a rock-desertscape bioswale along the parkway at the resting pool.
2. Rehabilitated/renovated the Station 62-Isabella property with decomposed granite, small landscape rocks, stones, weep/drip lines with microhead misters, and drought tolerant plants. The parking lot island at the Service Club was also renovated to include the same items.

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. Operating Supplies category (#22000) includes \$49,900 for landscaping supplies, cleaning and sanitary supplies for the park restrooms, staff uniforms (including part time staff), and various other supplies.
2. R/M Supplies category (#23000) reflects \$34,000 for plumbing and irrigation costs for new parts and maintenance requirements in 4 Parks where irrigation systems were replaced (CIP Phase II).
3. Contracted Services category (#31000) reflects \$45,000 annual professional contract services to include weed abatement, irrigation repair, special project plant & tree purchases, hydro-seeding, concrete work, and other special projects.
4. RM Contractual category (#38000) reflects \$68,200 for janitorial services for park restrooms, and maintenance supplies.
5. Other Agency Services category (#41000) reflects \$12,000 for gopher eradication performed by L.A. County through the Department of Agriculture, Weights and Measures.

Program Description

The Capital Improvement Program budget consists of two activities, Street Construction and Community Capital Improvement. The City's Capital Improvement Program is a five-year program designed according to the City's strategic planning, Water, Sewer, and Park Improvement Master Plans. This five-year Capital Improvement Program is updated following the completion of the City's Long Term Financial Planning process in midyear. During the budget process, the capital improvement projects are again adjusted to reflect realistic and reliable funding sources. Major capital improvements generally taken two to three years to complete due to the grant funding restrictions, designs, building, and construction. Unspent portions of the project budget are carried over to the following year for project completions.

**City of Monterey Park
Capital Improvement Program
FY 2016-2017**

Key Funding Sources

Gas Tax Fund (0022) \$16,000

Accounts for expenditures financed by money apportioned from taxes on the purchase of gasoline fuel under the Streets and Highway Code of the State of California.

General Fund (0010) \$3,353,894

The City's primary operating fund and support for most basic services. All revenues that by law or the requirements of sound financial management do not have to be placed in a separate, restricted fund are deposited in the General Fund.

Library Building Trust Fund (0411) \$28,410

Accounts for donations made to Bruggemeyer Library for library improvements.

Maintenance Grant (0344) \$75,000

Accounts for special purpose financing provided by Specialty Restaurant for common areas maintenance.

Measure R Fund (0110) \$750,000

Accounts for revenue derived from the one-half percent sales tax approved pursuant to Assembly Bill 2321, Measure R Ordinance of the LACMTA. The funds are to be used to augment for transportation purpose

Prop C Fund (0166) \$250,000

Accounts for the City's share of a one-half percent sales tax approved by the electorate in November, 1990, as collected by the County of Los Angeles to finance transportation programming and related capital projects.

Technology/Data Processing Fund (0063) \$95,000

Accounts for the costs of centralized data processing activities, including computer networking, and replacement of telephone system.

Video Service Franchise Trust (0351) \$63,291

Accounts for the 1% franchise fees received from Charter and AT&T for the MPK-TV equipment upgrades.

Program Description

The City contains 119.27 miles of streets, 225.22 miles of sidewalk, 75 traffic signals and 10 miles of improved alleys. Major improvements are needed to accommodate the increased flow of pedestrian and vehicle traffic. This activity provides for street improvements including parking, lighting, traffic signals, and landscaping administered through the Public Works Department. The 2016-2017 street improvements include the following project:

1. Various Street Rehabilitation (91943) \$1,000,000

This project involves a combination of localized pavement repairs, rubberized asphalt overlay construction, and slurry seal coat application as identified in the City's Pavement Management Study.

Funding Source:

Measure R (0110)	\$750,000
Prop C (0166)	250,000

Impact on Operating Budget: Staff time will be required to manage consultant design engineering services and administer the construction contract.

Program Description

Community Capital Improvement includes any physical improvement to the City's capital assets of a permanent nature as well as acquisition of equipment. Community Capital Improvements are typically funded by grants, reserves, and specified revenue sources.

1. Fire Station 62 Replacement (99730) \$2,500,000

The current Fire Station 62, built in 1947, is out of date and surpassed its usefulness and lacks gender accommodation, ADA requirements, and NFPA standards. This project is to rebuild Station 62 to meet current laws, regulations, and NFPA standards.

Funding Source:

General Fund CIP Reserve (0010) \$2,500,000

Impact on Operating Budget: A better, equipped Fire Station is needed to meet current laws, regulations and standards. Additional operating costs might be required after a new station is done.

2. Police Locker Rooms Remodel (96089) \$380,000

This is to upgrade the Police locker room facilities to comply to workplace safety issues.

Funding Source:

General Fund (0010) \$380,000

Impact on Operating Budget: Upgrading the locker room can reduce City's liabilities.

3. CAD/RMS Software Server Upgrades (99067) \$255,000

This project is for the upgrade of New World System CAD/RMS software with improvement of aged servers and other hardware to support the Police CAD/RMS programs.

Funding Source:

General Fund (0010) \$255,000

Impact on Operating Budget: Upgrades will help to improve the overall function of the CAD/RMS system.

4. Police Record Purging/Scanning/Off-Site Storage (96068) \$75,000

Currently, there are nearly 1,000 boxes of records stored in the City Hall basement and at the City Yard. This project will include digitizing a large backlog of records overdue for purging and off-site storage at a document storage facility.

Funding Source:

Technology Fund (0063) \$75,000

Impact on Operating Budget: This project will enhance the maintenance of records and the ergonomic safety of records personnel.

5. Specialty Restaurant/Golf Course Maintenance (99290) \$75,000

Maintenance, which is paid through a special deposit trust fund, is to provide parking lot sweeping, fire alarm monitoring, landscaping and Maintenance of the common area, slopes and hillsides surrounding Monterey Hill, Luminarias restaurants and Monterey Park Golf Course.

Funding Source:

Maintenance Grant (Trust) (0344) \$75,000

Impact on Operating Budget: Specialty Restaurant and Golf Course pay for ongoing maintenance of slopes and common areas.

6. MPK-TV and Video System (91753) \$63,291

The City's current automated system is aging and is no longer under a service plan or warranty. This project is to replace a new and updated system to allow for the transition to high definition video, upon cooperation by our cable TV providers.

Funding Source:

Video Service Franchise Trust (0351) \$63,291

Impact on Operating Budget: The new system will ensure a reliable cable TV services.

7. Amphitheater Seating (91752) \$50,000

Seating in the amphitheater is old and in need of replacement. Seats are breaking and discoloring from years of usage. This project is to replace new seating at the Barnes Park amphitheater.

Funding Source:

General Fund (0010) \$50,000

Impact on Operating Budget: This will reduce parks' maintenance costs.

8. Barnes Park Day Care Painting / Bathroom Partition (96091) \$50,000

This project is to paint the interior of Barnes Park day care/classrooms and replace bathroom partitions.

Funding Source:

General Fund (0010) \$50,000

Impact on Operating Budget: There is no impact to the operating budget.

9. Zoll E-Series Cardiac Defibrillator (99724) \$40,000

The current units in use by the Fire Department has a recommended front line service life of 5 years and are at the limits of current software upgrades. The addition of one replacement unit will assist in keeping our front line inventory compliant with manufacturer and industry standard software upgrade requirements.

Funding Source:

General Fund (0010) \$40,000

Impact on Operating Budget: There is no impact to the operating budget.

10. Elder Park Pool Heater (91749) \$35,000

The Elder Park heater is over 15 years old and has been falling for the past several years. This project is to replace a new pool heater at Elder Park Pool.

Funding Source:

General Fund (0010) \$35,000

Impact on Operating Budget: The new heater will eliminate repairs and maintain costs as well as keep the pool at a safe temperature for our programs.

11. Library Improvements (96078) \$28,410

This project is for the purchase of a new mounted projector, sanding and repainting the library entrance, three reception desks, entrance hallway and lobby area.

Funding Source:

Library Building Trust (0411) \$28,410

Impact on Operating Budget: There is no impact to the operating budget.

12. Network Equipment and Server Upgrades (99055) \$20,000

Upgrade the current network equipment and server, including higher speed cabling, network hardware, network switchers, and a new server.

Funding Source:

Technology Fund (0063) \$20,000

Impact on Operating Budget: Upgrades help improve overall network performance. Small amounts of IT on-going operation costs might be increased to be in compatible with the new equipment.

13. Garvey Ranch Day Care Painting (96092) \$14,500

The day care classrooms are in need of a fresh coat of paint. This project is to paint interior area of Garvey Ranch Day Care classroom and bathrooms.

Funding Source:

General Fund (0010) \$14,500

Impact on Operating Budget: There is no impact to the operating budget.

14. Barnes Pool Under Water Lights (91751) \$9,600

The current under water lights pool are beginning to fail. This project is to replace new lights at Barnes Park pool.

Funding Source:

General Fund (0010) \$9,600

Impact on Operating Budget: The replacement will reduce operation costs for maintenance and repairs. In addition, this replacement will address pool safety issues.

15. Small Capital Projects for Fire (88560) \$19,794

Fire small capital purchases include Fire Hose replacements.

Funding Source:

General Fund (0010) \$19,794

Impact on Operating Budget: Small capital purchases improve operating efficiency and effectiveness.

16. Small Capital Projects for Public Works (88500) \$16,000

Public Works small capital purchases include Traffic Sign Post replacements.

Funding Source:

Gas Tax Fund (0022) \$16,000

Impact on Operating Budget: Small capital purchases reduce City liability to traffic accidents.

Program Description

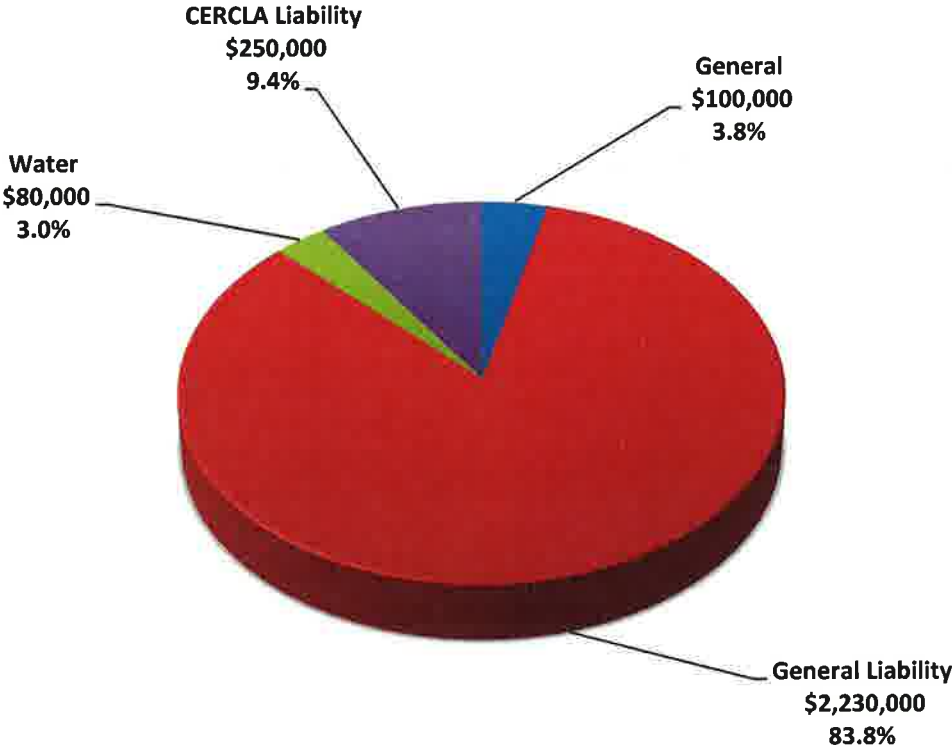

The General Liability Internal Service Fund was established for the management and funding of the City's general liability risk exposure. The City is self-insured for general liability claims. The City has acquired excess coverage from \$300,000 to \$20 million per occurrence through the Independent Cities Risk Management Authority (ICRMA).

Charges are made to all City funds to pay for operating expenses as well as to fund the outstanding liabilities of the General Liability Fund. Outstanding liabilities (including Incurred But Not Reported (IBNR) claims of the General Liability Fund, based on past experience and modified for current trends and information, are projected for \$4,410,000 for 2016-2017.

PRIMARY PROGRAM/EXPENDITURE EXPLANATIONS

- 1. Contracted Services category (#31000) \$100,000 is for legal fees and costs associated with defending the City against general liability claims and lawsuits.
- 2. Insurance category (#35000) \$ 2.13 million includes insurance premiums to ICRMA, third-party claims administration, and the claim costs to resolve liability issues.
- 3. Miscellaneous Financial Services category (#44000) \$430,000 is the reimbursement from various funds to the General Liability Fund in order to meet incurred liabilities and Incurred But Not Reported (IBNR) losses.

Program Description

Separation Benefits

The Separation Benefits Internal Service Fund provides an ongoing method of financing the costs associated with employee separation from City service. Upon separation, an employee is entitled to compensation for accrued vacation, holiday, compensation time earned in-lieu of overtime, and a percentage of his or her accrued sick leave depending on provisions of each particular bargaining unit. Charges are made to City departments to pay for operating expenses as well as to fund outstanding liabilities of the Separation Benefits Fund. Liabilities and charges of employee accrued leaves are recorded as compensated absences payable in the general ledger and the amount for 2016-2017 is estimated for \$5,391,000.

Post-Employment Benefits

The costs of retiree medical insurance premiums are presented in this activity, as are contributions to the Massachusetts Mutual Retirement Plan. Administrative and actuarial fees

for retirement plan administration are also presented herein. The City joined in the OPEB trust program to pre-fund its OPEB liabilities. As a result of this prefunding plan, the City's retiree medical unfunded liabilities were substantially reduced. The Annual Required Contribution (ARC) for the fiscal year ending June 30, 2016 is \$2.7 million. The Massachusetts Mutual Retirement Plan predates the commencement of the City's participation in the California Public Employees' Retirement System (CalPERS) in 1976. The Plan provides partial retirement benefits for miscellaneous employees over age 55 at April 1, 1976 and currently, there are 62 vested members in the Mass Mutual Plan. As for the OPEB, there are 258 vested retirees eligible for City-paid retiree medical benefits.

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. Contracted Services category (#31000) \$75,000 is for actuarial services pertaining to retirement program administration and annual fiscal agent trustee fee for the Pension Obligation Bonds.
2. Insurance category (#35000) \$3,500 is the unemployment payment required from EDD.
4. Debt Service category (#42000) \$1,292,590 represents the debt service payment for the Pension Obligation Bonds. The Pension Obligation Bonds were issued in 2004 to refinance the unfunded liabilities of the PERS Public Safety Pension Plan. The debt service payment for the bonds is considered as part of safety pension costs.
5. Misc Financial Service category (#44000) \$3,400,000 includes the General Fund supplement to the Retirement Fund for pension costs, \$2,100,000; Separation Benefits Fund transfer to General Liability Fund, \$800,000; and Separation Benefits Fund transfer to Workers' Compensation Fund, \$500,000 to gap-fund the deficits

Program Description

The Workers' Compensation Internal Service Fund was established for the management and funding of the City's workers' compensation risk exposure. Workers' compensation laws in the State of California, both those of constitutional and statutory origin, create a compulsory responsibility for all employers to compensate any and all of their workers for injuries or disabilities arising out of the scope and in the course of employment.

California workers' compensation law provides medical treatment, temporary disability benefits, permanent disability benefits, vocational rehabilitation benefits, medical benefits and death benefits for work related injuries. The law also provides for preventative measures in the form of safety laws and administrative rules.

The City maintains W/C insurance coverage of statutory limits per occurrence (policy will pay out per W/C statute with no coverage limit) with a self-insured retention of \$500,000 through the City's participation in the Independent Cities Risk Management Authority (I.C.R.M.A.). Both the Human Resources/Risk Management and Management Services Departments manage the Worker's Compensation Fund.

Funding of the Workers' Compensation Fund, and fund liabilities, comes from charges made to City departments for operating expenses as well as funding outstanding liabilities. Liabilities of the Workers' Compensation Fund based on past experience and modified for current trends and information are as follows:

2015-16	Estimated	\$6,334,635
2016-17	Projected	\$6,651,000

PRIMARY PROGRAM EXPENDITURE EXPLANATIONS

1. Administrative Services category (#20000) displays costs for third-party administration of workers' compensation claims, \$71,000.
2. Categories (#31000), (#32000), and (#33000) relate to permanent disability, \$300,000, temporary disability, \$50,000, and medical costs, \$300,000.
3. Legal Fees category (#34000) is for paying workers' compensation outside attorney charges, \$140,000.
4. Premium category (#35000) reflects excess workers' compensation insurance coverage through ICRMA for losses or claims, if necessary, exceeding the City's \$500,000 self-insured limits. The City's Excess Workers' Compensation Premium is adjusted by loss experience actuarial calculations. The FY 2016-17 premium is projected to be \$375,000.

CITY OF MONTEREY PARK FINANCIAL TREND GRAPHS

The graphic presentations contained in this section highlight important statistical trends in the eight-year period. A short description and interpretation of key information in each graph follows:

General Fund Revenue Trend

The principal building blocks of the General Fund, the sales tax and property tax, are shown in proportion to all other General Fund revenues in this line graph. Projected growth in property taxes is 3% through the year 2020. Sales taxes are expected to increase at a rate of 3% annually.

General Fund Police & Fire Safety Expenditures Trend

This graph shows that City expenditures for public safety services (police and fire safety) have increased as a ratio of total General Fund expenditures in 2016-17, even in the face of diminishing revenue collections; expenditures for all other General Fund-supported services, including general administration, community development, recreation & community services, public works and library.

Full-Time Equivalent Employees Per 1,000 Monterey Park Residents

City staffing trends are depicted by this line graph. Since 2009, the City has eliminated 63 (from 415 to 358.65) full time equivalent positions, trying whenever possible to freeze vacant positions to save personnel costs.

GANN Limit Analysis

Article XIII B of the California State Constitution, more commonly known as the GANN or “Prop 4” Appropriations Limit, is based on actual appropriations during the 1978-79 Fiscal Year, and is adjusted each year using the growth in population and inflation.

This line graph depicts that the City does not exceed its appropriation limit. The City’s budget appropriations subject to limitation are on average 55% below the legal limit. It is a positive indication of the City’s prudent fiscal control of its expenditures, and the consistency of the City’s performance within a dynamic environment.

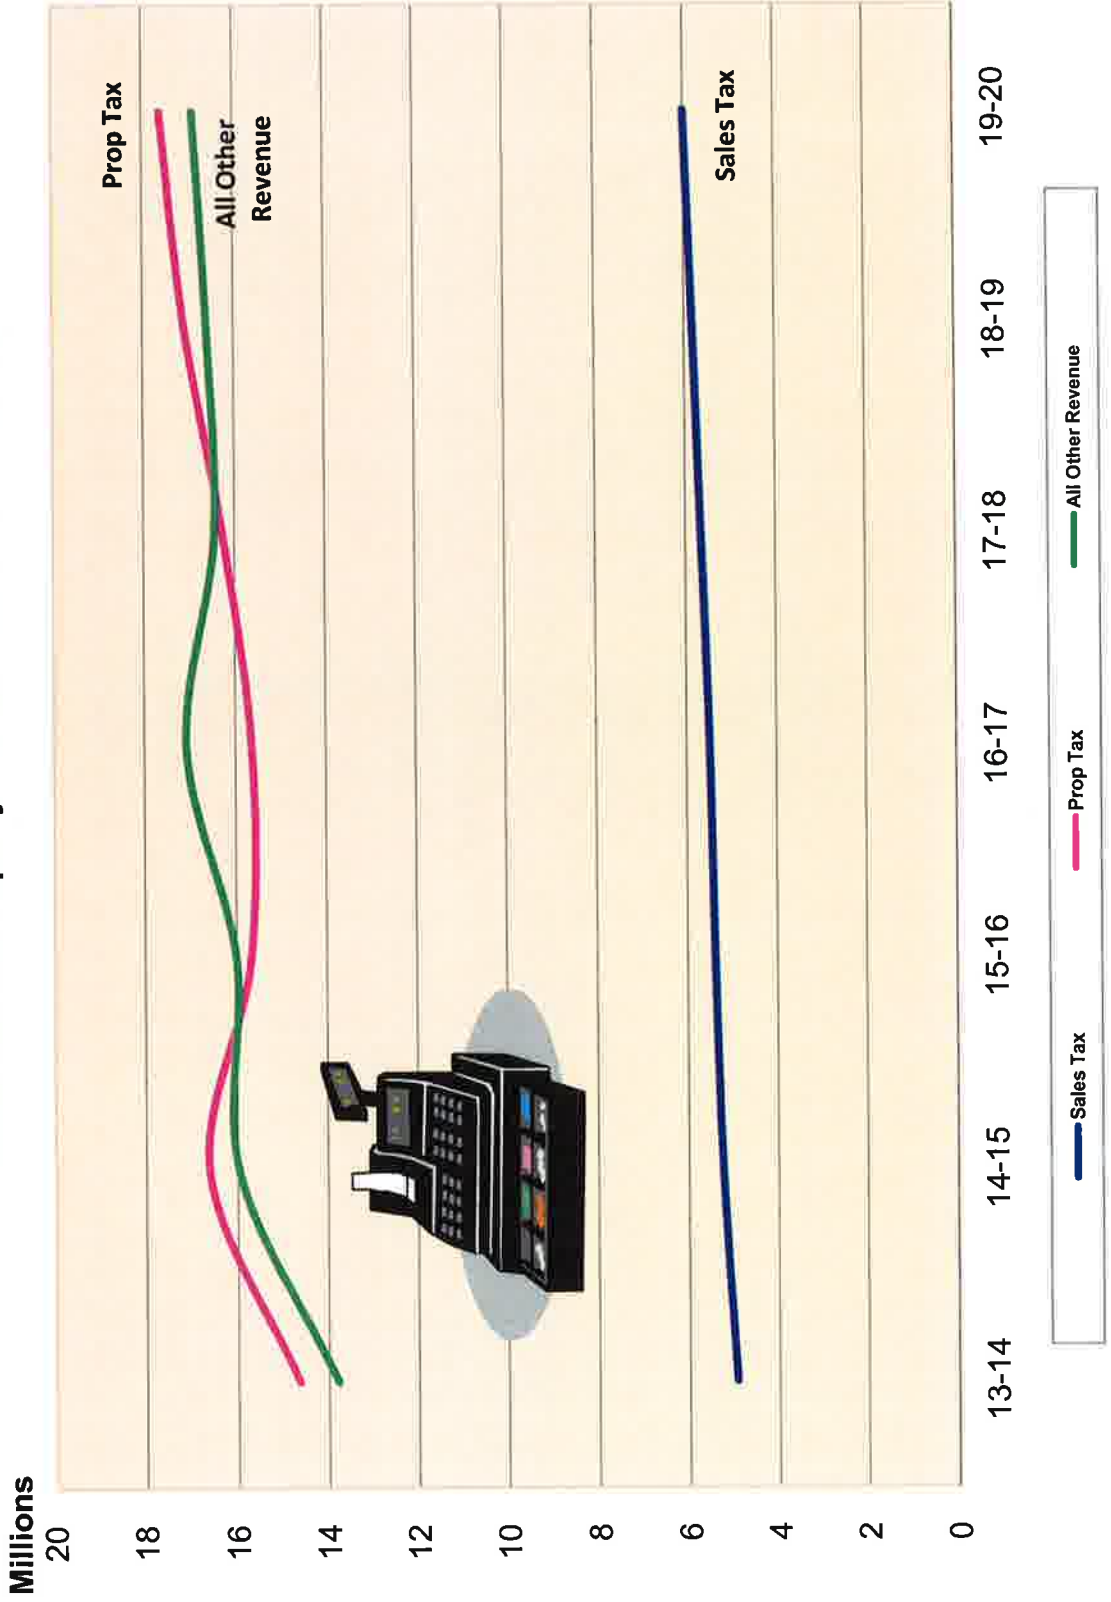

Monterey Park Population Trend

Each year, the State of California's department of Finance is responsible for the statewide population count by component governmental units. This information is particularly important to cities and counties because it serves as the basis for per capita revenue allocations such as gas taxes, motor vehicle registration fees, and special revenue funding derived from the public safety sales tax augmentation. In 2011-2012, the City's population decreased due to an updated 2010 census data.

Once each decade, the Federal Census is conducted and the State's DOF information is revised according to the Census count. Growth assumptions for the year 2016-17 forward are based on the projected annual growth or 0.46% annually.
