**INSURANCE REQUIREMENTS**

To be awarded this contract, the successful bidder shall procure and maintain the following types of insurance with coverage limits complying, at a minimum, with the limits set forth below:

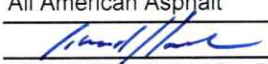

<u>Type of Insurance</u>	<u>Limits</u>
Commercial general liability:	\$2,000,000
Business automobile liability	\$1,000,000
Workers compensation	Statutory requirement.

Commercial general liability insurance shall meet or exceed the requirements of ISO-CGL Form No. CG 00 01 11 85 or 88. The amount of insurance set forth above shall be a combined single limit per occurrence for bodily injury, personal injury, and property damage for the policy coverage. Liability policies shall be endorsed to name the City, its officials, and employees as "additional insureds" under said insurance coverage and to state that such insurance will be deemed "primary" such that any other insurance that may be carried by the City will be excess thereto. Such endorsement shall be reflected on ISO Form No. CG 20 10 11 85 or 88, or equivalent. Such insurance shall be on an "occurrence," not a "claims made," basis and will not be cancelable or subject to reduction except upon thirty (30) days prior written notice to the City.

Automobile coverage shall be written on ISO Business Auto Coverage Form CA 00 01 06 92, including symbol 1 (Any Auto).

The Contractor shall furnish to the City duly authenticated Certificates of Insurance evidencing maintenance of the insurance required under this Agreement, endorsements as required herein, and such other evidence of insurance or copies of policies as may be reasonably required by the City from time to time. Insurance shall be placed with admitted insurers with a current A.M. Best Company Rating equivalent to at least a Rating of "A:VII." Certificate(s) shall reflect that the insurer will provide thirty (30) day notice of any cancellation of coverage. The Contractor shall require its insurer to modify such certificates to delete any exculpatory wording stating that failure of the insurer to mail written notice of cancellation imposes no obligation, and to delete the word "endeavor" with regard to any notice provisions.

By signing this form, the bidder certifies that it has read, understands, and will comply with these insurance requirements if it is selected as the City's Contractor. Failure to provide this insurance will render the bidder's proposal "nonresponsive."
