Greetings City Council Members,

We are requesting for the city council to make the swimming pool a priority and put it on the city council meeting agenda to discuss funding strategy. Barnes Pool is extremely important to us, our fellow city swim team members-children; and it is a great asset to our community.

Sincerely,
Claudia Zhu

Dear City Council Members,

My name is Helena Gallardo and I am 11 years old. I am a swimmer for the Monterey Park Manta Rays. I have been swimming for 5 years and some of that time I swam at Barnes pool. I believe that this pool should be reopened. It is such a nice pool and I feel like it could be used for so much good for the city. Monterey Park residents deserve a nice pool. Barnes pool is the only 50 meter pool that we have. It would be great to use it as a training or competition pool. Please make reopening or rebuilding Barnes pool a priority for all of MP residents.

Sincerely,
Helena Gallardo

Subject: Support for Barnes Pool – A Vital Community Asset

[EXTERNAL EMAIL]

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Dear City Council Members,

I'm writing to urge you to prioritize Barnes Pool and include it on an upcoming city council meeting agenda to discuss a long-term funding strategy.

As someone who grew up swimming at Barnes Pool and competed with the Monterey Park Manta Rays, I can personally attest to the lasting impact this facility has had on my life. It's where my love for swimming and water sports began—a passion that continues to this day.

Barnes Pool is more than just a recreational facility; it's a place where community is built, skills are developed, and healthy lifestyles are fostered. I truly believe it is a vital asset to our city and future generations.

Thank you for your time and consideration.

Dear City Council Members,

I am requesting for the city council to make the swimming pool a priority and put it on the city council meeting agenda to discuss funding strategy. I have lived in this city for 17 years now and I strongly believe that the residents and surrounding neighbors deserve a new pool, one that wont break down during the winter or that limits training for Mark Keppel swimmers and MPMR swimmers because of its size. Please please take your residents' requests and feedback regarding Barnes Pool seriously. Thank you for your attention.

Warm regards,

Teresa Gallardo

Dear City Council Members,

As a lifelong resident of Monterey Park, I am requesting that the city council prioritize the Barnes Park pool renovation and reopen this facility to our community. The pool enriched my life as a young adult and continued to remain important to me as I have grown. The current pool facility at Elder Park is inadequate to meet the existing needs of this community.

I communicate frequently with other Monterey Park residents who feel as passionately about preserving this pool as I do. To date, we do not feel that the city council is acknowledging our request and rising to meet this need.

Please show us in words and in action that you will see this project to completion and support Monterey Park residents.

Thank you,
Paul Morris

[EXTERNAL EMAIL]

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

To the Honorable Members of the Monterey Park City Council,

My name is Jamie, and I spent much of my childhood and young adult life as part of the Monterey Park community. I consider it my hometown—where many of my closest friends and peers still reside. Even now, I regularly return to Monterey Park to enjoy its heartwarming food scene and reconnect with loved ones. On some visits, I jog through Barnes Park, often passing by the now-empty swimming pool that once played such a meaningful role in my life.

From age 11 through high school, I was a swimmer with the Monterey Park Manta Rays. I served two years as a varsity swimmer on the Mark Keppel swim team and played water polo for one season. The countless practices, swim meets, and team gatherings at the Barnes Park Pool created some of my most cherished memories—ones I continue to reflect on with former teammates, coaches, and family members.

Beyond the memories, the pool shaped who I am. It gave me a foundation in teamwork, discipline, and leadership. As varsity co-captain, I learned to support others and grow into a more confident version of myself. The pool was not just a facility; it was a space that nurtured growth, belonging, and community.

It is deeply disheartening to see the Barnes Park Pool in its current state. I understand that financial constraints and rising costs have made repairs difficult. However, I respectfully urge the council to consider the long-term value this pool has offered—and can continue to offer—to the community. The impact it had on my life and the lives of so many others is far greater than any repair bill. Restoring this pool would be an investment not only in infrastructure but in the youth, families, and future of Monterey Park.

I respectfully request that the City Council prioritize the Barnes Park Pool and place it on an upcoming agenda to explore funding strategies for its restoration. This pool holds great meaning for me, my friends, and the broader community—and we believe it deserves a second life.

Thank you for your time and service to the city.

Sincerely,

MPCLerk

[EXTERNAL EMAIL]

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Dear City Council Members,

I am requesting for the city council to make the swimming pool a priority and put it on the city council meeting agenda to discuss funding strategy. Barnes Pool is important to me and an asset to our community. Having grown up in Monterey Park, I was always proud to have an Olympic sized pool to swim in, and it has provided me with a lifetime of memories of being there with my friends. As an adult, I have also trained for my triathlons at the Barnes Pool as it is one of the few Olympic sized pools in the vicinity.

I understand that it may be expensive, but a public resource like Barnes Pool provides an invaluable public benefit that makes not only Barnes Park, but Monterey Park as a whole unique. Very few cities in our neighborhood have a centralized park like Barnes Park, and not fixing the pool would make Barnes Park much less unique. Whether it's the Mark Keppel swim team training there, or the Manta Rays competing there, or the early morning lap swimmers getting in their exercise, the pool has been a great place for the citizens of Monterey Park to gather. One can argue that Elder Park's pool is sufficient, but it doesn't offer the centralized locality that the Barnes Pool provides.

I sincerely urge you to consider researching funding options and even fundraising options to revitalize Barnes Pool.

Sincerely,
Kan Pang
